Retreat Iquitos

In the rainforest near the city of Iquitos sits **Maya retreat** where we offer traditional **Ayahuasca**, **San Pedro** and **Sapo/Kambo** Ceremonies in a beautiful rainforest setting.

We have an amazing natural spring water pond for swimming, a mud bath, individual and shared traditional style rooms as well as double rooms for couples, nutritious food and much more.

We aim to offer you a safe, comfortable and relaxed environment for you to experience the sacred plant Ayahuasca. We are a family run centre with first hand experience of the healing potential and spiritual enlightenment this beautiful plant has to offer.

Here at Maya, we consider ourselves very privileged to be the bridge between yourself and Mother Ayahuasca.
