

End-User License Agreement and Limited Product Warranty for Intergraph Corporation Software Product(s)

IMPORTANT-READ CAREFULLY: This Intergraph End-User License Agreement (“EULA”) is a legal agreement between you (either an individual or a single legal entity) and Intergraph Corporation (“Intergraph”) for the Intergraph software product(s) (“SOFTWARE PRODUCT”) with which this EULA is delivered, which includes computer software and all of the contents of the files, disk(s), CD-ROM(s) or other media with which this EULA is provided, including any templates, printed materials, and “online” or electronic documentation, all copies, and any upgrades, modified versions, and updates, of the SOFTWARE PRODUCT, if any, licensed to you by Intergraph. Any software provided along with the SOFTWARE PRODUCT that is associated with a separate end-user license agreement is licensed to you under the terms of that license agreement. By installing, copying, downloading, accessing or otherwise using the SOFTWARE PRODUCT, you agree to be bound by the terms of this EULA. You agree that this EULA is enforceable like any written, negotiated contract signed by you. If you do not agree to the terms of this EULA, do not download, install or use the SOFTWARE PRODUCT; you may, however, return it to the place where you obtained it.

LICENSE AND LIMITED WARRANTY:

Intergraph provides this SOFTWARE PRODUCT and licenses its use to you. You assume responsibility for the selection of this SOFTWARE PRODUCT to achieve your intended results, and for the installation, use and results obtained from this SOFTWARE PRODUCT. THIS SOFTWARE PRODUCT IS A PROPRIETARY PRODUCT OF INTERGRAPH AND ADDITIONAL THIRD PARTIES, AND IS PROTECTED BY COPYRIGHT LAWS AND INTERNATIONAL TREATY. TITLE TO THIS SOFTWARE PRODUCT, OR ANY COPY, MODIFICATION OR MERGED PORTION OF THIS SOFTWARE PRODUCT SHALL AT ALL TIMES REMAIN WITH INTERGRAPH AND SUCH THIRD PARTIES. The SOFTWARE PRODUCT is licensed, not sold. All rights not expressly granted are reserved by Intergraph.

Definitions. As used in this EULA, the following terms are defined as follows:

Key shall mean an authorization code issued by Intergraph for certain products to permit one licensed user to operate on a Local Area Network. Each licensed User of those products requires a separate Key.

PDA shall mean Personal Digital Assistant.

User shall mean any individual or organization (or an individual employed by the same) that is authorized by you to use the SOFTWARE PRODUCT.

System shall mean any collection of computers sharing a single licensing server or a set of redundant licensing services.

Update shall mean any upgrade, modified version and/or update of the SOFTWARE PRODUCT.

XML Files shall mean those XML (Extensible Markup Language) files generated by the SOFTWARE PRODUCT, where applicable.

XSL Stylesheets, when included with the SOFTWARE PRODUCT, shall mean the XSL (Extensible Stylesheet Language) presentation of a class of XML Files by describing how an instance of the class is transformed into an XML document that uses the formatting vocabulary.

License Grant. This EULA grants to you one of the following non-exclusive, non-assignable licenses. The particular license type for the SOFTWARE PRODUCT you purchased, subscribed to, or obtained will be designated in the product description, and verified by the Intergraph license system (if an electronic license manager tool is incorporated in the SOFTWARE PRODUCT). Your license type will be Concurrent-Use, Node-Locked or System-Use. If not otherwise indicated, your license type will be considered to be Node-Locked.

- a. **Concurrent-Use Licenses** allow for the checking in and checking out of the total available licenses to Users. At any point, you may run as many copies of the SOFTWARE PRODUCT as you have licenses. If the SOFTWARE PRODUCT is enabled to be run in a disconnected mode, a User may check out a license for mobile or home use, thus reducing the total number of licenses available in the license pool until the license is checked back in. If the SOFTWARE PRODUCT is not enabled to be run in a disconnected mode, the mobile or home computer will require a Node-Locked License. If the anticipated number of Users of the SOFTWARE PRODUCT will exceed the number of applicable licenses, and in the absence of a license manager tool incorporated in the SOFTWARE PRODUCT, then you must have a reasonable mechanism or process to assure that the number of persons using the SOFTWARE PRODUCT concurrently does not exceed the number of licenses. Unless otherwise specified, the license is restricted to use only in the country in which it is purchased.

- b. **Node-Locked Licenses** permit a single copy to be stored on hard disk and loaded for execution on a single designated workstation, or in the case of software designed for use on a PDA, for execution on a single designated PDA. The default license type for your SOFTWARE PRODUCT is Node-Locked if no other license type is indicated.
- c. **System-Use License** is an unlimited-use concurrent license on a System.

Note: If this SOFTWARE PRODUCT is an Update to a previous version of the SOFTWARE PRODUCT, you must possess a valid license to such previous version in order to use the Update. This SOFTWARE PRODUCT and the previous version may not be separately used or transferred to a third party. All Updates are provided to you on a license exchange basis. You agree that by using an Update, you voluntarily terminate your right to use any previous version of the SOFTWARE PRODUCT, except to the extent that the previous version is needed to transition to the Update, provided that (a) the Update and previous version are installed on the same computer; and (b) you acknowledge that any obligation that Intergraph may have to support the previous versions of the SOFTWARE PRODUCT may be ended upon availability of the Update.

Description of Other Rights and Limitations

NOTE: Please see also specific exceptions and additional terms related to GeoMedia Viewer Software, Beta Software, Evaluation Software, and Educational Software in the last section of this EULA.

THE FOLLOWING ARE PERMITTED FOR YOUR PARTICULAR LICENSE:

1. You may copy this SOFTWARE PRODUCT into any machine readable or printed form for backup purposes in support of your licensed use of the SOFTWARE PRODUCT. Intergraph retains ownership of all User created copies. You may not transfer the rights to a backup copy unless you transfer all rights in the SOFTWARE PRODUCT as provided for in sections 2 and 3 that follow.
2. You may transfer this SOFTWARE PRODUCT and license within your Company (intra-company transfer), subject to the Intergraph Security, Government & Infrastructure ("SG&I") Software Transfer Policy and the terms of this EULA. The SG&I Software Transfer Policy is available upon request. If you transfer this SOFTWARE PRODUCT, you must at the same time either transfer all copies, modifications, or merged portions, in whatever form, to the same party, or you must destroy those not transferred. "Company" includes your own company or a company or organization in which the transferring entity owns a fifty percent (50%) or greater interest.
3. In the case of software intended for use on Web-based systems:
 - i) You may run multiple web applications with a single license.
 - ii) You may distribute client side web page plug-ins (e.g. ActiveX controls, Java applets) to end-users.
 - iii) For Node-Locked licenses, you may load this software on multiple machines within a hardware cluster that is acting as a single web server, as long as you do not exceed the total number of map servers licensed.
 - iv) For Concurrent-Use licenses, you may load this software on multiple machines within a hardware cluster, including additional servers used to balance the processing. The description of "concurrent-use" for web-based products is contained in the product documentation.
 - v) For the "development" copy, you may use this license for development and testing of your website only.
 - vi) Unless otherwise stated in the "Read-Me" file associated with the SOFTWARE PRODUCT, you may copy and distribute the Java script source files only to support the SOFTWARE PRODUCT's SVG (Scalable Vector Graphics) output and your associated web sites, and you may prepare derivative works solely for your internal use.
4. In the case of software intended for use on a PDA: you may use this SOFTWARE PRODUCT only for your own internal business purposes or for the benefit of a single third party customer. If additional PDAs are used, an additional software license is required for each PDA.
5. Unless otherwise stated in the "Read-Me" files associated therewith, in the case of products which contain XSL Stylesheets for presenting XML Files: you may use the XSL Stylesheets and derivative works thereof for the purpose of presenting XML Files and derivative works thereof (collectively, "XML Products") for your enterprise use only. You may not distribute the XSL Stylesheets or XML Products on a stand-alone basis. XSL Stylesheets may not be used in the production of libelous, defamatory, fraudulent, lewd, obscene or pornographic material, or any material that infringes upon any third party intellectual property rights, or in any otherwise illegal manner. All XSL Stylesheets supplied with the SOFTWARE PRODUCT remain the property of Intergraph Corporation.

You must reproduce and include the copyright notice on any copy, modification or portion of this SOFTWARE PRODUCT merged into another program.

THE FOLLOWING ARE PROHIBITED FOR YOUR PARTICULAR LICENSE:

1. You may not transfer this SOFTWARE PRODUCT and license to another company or entity (inter-company transfer). If you do transfer possession of any copy, modification, or merged portion of the SOFTWARE PRODUCT to another party except as expressly provided herein, the license is automatically terminated.
2. You may not decompile, disassemble, or otherwise reverse engineer this SOFTWARE PRODUCT.
3. You may not use, copy, modify, or transfer this SOFTWARE PRODUCT, or any copy, modification, or merged portion, in whole or in part, except as expressly provided for in this EULA.
4. You may not re-use the component parts of this SOFTWARE PRODUCT with a different product from the one you are licensed to use or on different computers. The SOFTWARE PRODUCT is licensed as a single product.
5. You may not circumvent the licensing, Keys, files and/or policy.
6. You may not sell, rent, lease or lend the SOFTWARE PRODUCT to others.
7. You may not use the SOFTWARE PRODUCT in any way other than expressly permitted under this EULA.
8. In the case of desktop software intended for use on a single workstation:
 - a. You may not run this SOFTWARE PRODUCT for web applications.
 - b. For Node-Locked Licenses only, you may not allow this SOFTWARE PRODUCT to be used by multiple users on a single workstation at the same time.
 - c. You may not use this SOFTWARE PRODUCT outside the country in which it is purchased unless otherwise permitted in writing by Intergraph.
9. In the case of the “development” license of Web-based software, you may not use this license for production purposes (i.e., a fully-deployed website).
10. You may not publish any results of benchmark tests run on the SOFTWARE PRODUCT to a third party without Intergraph’s prior written consent.
11. The sample and demo data set(s) and related script(s) delivered with some SOFTWARE PRODUCTS (the “Sample Data”) are provided solely for the purpose of instructing the user on how to use the SOFTWARE PRODUCT with which the Sample Data are delivered. The Sample Data are not to be redistributed, resold, or used in a production solution without Intergraph’s prior written consent.

Term

This EULA is effective until terminated or until your software subscription expires without being renewed. You may terminate it at any time by destroying the SOFTWARE PRODUCT together with all copies, modifications and merged portions in any form. Intergraph may also terminate this EULA if you fail to comply with the terms and conditions of this EULA, or if you fail to pay the appropriate license or subscription fee(s). You agree upon termination of the EULA or expiration of your software subscription to destroy this SOFTWARE PRODUCT together with all copies, modifications and merged portions in any form, and all of its component parts.

Audit

Intergraph shall have the right, during your normal business hours, to audit your use of the SOFTWARE PRODUCT and your compliance with the provisions of this EULA. Intergraph must give you thirty (30) days advance written notice prior to an audit. The right of audit shall be limited to once per calendar year. Prior to the start of an audit, Intergraph’s personnel will sign a non-disclosure agreement to be provided by you. During the audit, Intergraph’s personnel will be provided reasonable access to both your records and personnel. The cost of the audit shall be paid by Intergraph unless the results of the audit indicate that you have underpaid fees to Intergraph, in which case, you agree to promptly pay Intergraph such fees at the price previously agreed to for such SOFTWARE PRODUCT or software subscription and you further agree to bear all costs associated with the audit.

Intergraph’s Warranties

- a. Intergraph warrants for a period of thirty (30) days from the date of shipment that, under normal use, software delivery media will be free of defects in material and workmanship. You agree to promptly notify Intergraph of any suspected defects in software delivery media.
- b. Intergraph warrants and represents that it has the right to grant this license.

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHERS, WHICH VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION. IF THIS WARRANTY SECTION DOES NOT ADHERE TO LOCAL LAWS, THEN THE MINIMUM WARRANTY TERM PRESCRIBED BY THE LAWS OF YOUR COUNTRY SHALL APPLY.

Disclaimer of Warranty

NO WARRANTIES. INTERGRAPH DOES NOT WARRANT THAT ANY INTERGRAPH SOFTWARE PRODUCT WILL MEET YOUR REQUIREMENTS, AND UNDER NO CIRCUMSTANCES DOES INTERGRAPH WARRANT

THAT ANY INTERGRAPH SOFTWARE PRODUCT WILL OPERATE UNINTERRUPTED OR ERROR FREE. THE SOFTWARE PRODUCT IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, INTERGRAPH AND ITS SUPPLIERS DISCLAIM ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ANY WARRANTY AGAINST INFRINGEMENT, WITH REGARD TO THE SOFTWARE PRODUCT.

CUSTOMER REMEDIES. Intergraph's entire liability and your exclusive remedy shall be, in Intergraph's sole and absolute discretion, either (i) the repair or replacement of any warranted item which does not meet the respective warranties given above, or (ii) a refund of the purchase price of the warranted item. INTERGRAPH'S ENTIRE LIABILITY SHALL NOT EXCEED THE PRICE PAID FOR THE SOFTWARE PRODUCT OR SOFTWARE SUBSCRIPTION.

LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL INTERGRAPH OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE PRODUCT OR THE FAILURE TO PROVIDE SUPPORT SERVICES, EVEN IF INTERGRAPH HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL INTERGRAPH BE LIABLE FOR ANY CLAIM, DAMAGES, OR OTHER LIABILITY ARISING OUT OF, OR IN CONNECTION WITH THE DOWNLOADING, VIEWING, USE, DUPLICATION, DISTRIBUTION OR DISCLOSURE OF ANY SAMPLE DATA PROVIDED BY INTERGRAPH, INCLUDING BUT NOT LIMITED TO ANY CLAIM; LIABILITY; DIRECT, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES; OR LOSS OR CORRUPTION OF DATA ARISING FROM, OUT OF OR IN CONNECTION WITH THE SAMPLE DATA OR THE USE OR OTHER DEALINGS IN THE SAMPLE DATA. IN ANY CASE, INTERGRAPH'S ENTIRE LIABILITY UNDER ANY PROVISION OF THIS EULA SHALL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY YOU FOR THE SOFTWARE PRODUCT OR SOFTWARE SUBSCRIPTION. EXCEPT AS OTHERWISE PROVIDED BY APPLICABLE LAW, NO CLAIM, REGARDLESS OF FORM, ARISING OUT OF OR IN CONNECTION WITH THIS EULA MAY BE BROUGHT BY YOU MORE THAN TWO (2) YEARS AFTER THE CAUSE OF ACTION HAS ACCRUED. BECAUSE SOME STATES/JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY, THE ABOVE LIMITATION MAY NOT APPLY TO YOU. Intergraph is acting on behalf of its suppliers for the purpose of disclaiming, excluding and/or limiting obligations, warranties and liability as provided in this EULA, but in no other respects and for no other purpose.

HIGH RISK ACTIVITIES. The SOFTWARE PRODUCT is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the SOFTWARE PRODUCT could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Accordingly, Intergraph and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities. You agree that Intergraph and its suppliers will not be liable for any claims or damages arising from the use of the SOFTWARE PRODUCT in such applications.

U.S. Government Restricted Rights

If this SOFTWARE PRODUCT is acquired or subscribed directly or indirectly on behalf of a unit or agency of the United States Government, this provision applies. For civilian agencies: This SOFTWARE PRODUCT was developed at private expense and is "restricted computer software" submitted with restricted rights in accordance with subparagraphs (a) through (d) of the Commercial Computer Software - Restricted Rights clause at 52.227-19 of the Federal Acquisition Regulations ("FAR") and its successors, and is unpublished and all rights are reserved under the copyright laws of the United States. For units of the Department of Defense ("DoD"): This SOFTWARE PRODUCT is "commercial computer software" as defined at DFARS 252.227-7014 and the rights of the Government are as specified at DFARS 227.7202-3.

Export Restrictions

You agree that you will not export or re-export the SOFTWARE PRODUCT, any part thereof, or any process or service that is the direct product of the SOFTWARE PRODUCT (the foregoing collectively referred to as the "Restricted Components"), to any country, person, entity or end-user contrary to all U.S. laws and Export Regulations. You specifically agree not to export or re-export any of the Restricted Components (i) to any country to which the U.S.

has embargoed or restricted the export of goods or services, or to any national of any such country, wherever located; (ii) to any end-user who you know or have reason to know will utilize the Restricted Components in the design, development or production of nuclear, chemical or biological weapons; or (iii) to any end-user who has been prohibited from participating in U.S. export transactions by any federal agency of the U.S. government. You warrant and represent that neither the BXA (U.S. Bureau of Industry and Security of the U.S. Department of Commerce) nor any other U.S. federal agency has suspended, revoked, or denied your export privileges.

General

You acknowledge that you have read this EULA, understand it and agree to be bound by its terms and conditions. You further agree that it is the complete and exclusive statement of the agreement between us that supersedes any proposal or prior agreement, oral or written, and any other communications between us relating to the subject matter of this EULA. This EULA may be amended only by a written instrument signed by both you and Intergraph; however, certain Intergraph products may be subject to additional terms and conditions contained in a EULA Addendum that is delivered with the applicable product. A waiver by either party of any term or condition of this EULA or any breach thereof, in any one instance, shall not waive such term or condition or any subsequent breach thereof. This EULA shall not prejudice the statutory rights of any party dealing as a consumer.

Any attempt to sublicense, assign or transfer the license or the SOFTWARE PRODUCT except as expressly provided in this EULA is void. If a portion of this EULA is held illegal or unenforceable by a court having jurisdiction, such provision shall be modified to the extent necessary to render it enforceable without losing its intent, or severed from this EULA if no such modification is possible, and the other provisions of this EULA shall remain in full force and effect. The provisions of this EULA which require or contemplate performance after the expiration or termination of this EULA shall be enforceable notwithstanding said expiration or termination. The headings to the sections of this EULA are used for convenience only and shall have no substantive meaning.

The relationship between you and Intergraph is that of independent contractors and neither you nor your agents shall have any authority to bind Intergraph in any way.

If you acquired this SOFTWARE PRODUCT in the United States, the laws of the State of Alabama will govern this EULA, excluding its conflict of law provision. If this SOFTWARE PRODUCT was acquired outside the United States, then the laws of the State of Alabama will apply, unless local law is required in order to make this EULA valid in your country, in which case local law will govern to the extent required. This EULA shall not be governed by the conflict of law rules of any jurisdiction or the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded.

The controlling language of this EULA is English. If you have received a translation into another language, it has been provided for your convenience only.

If you have other Intergraph software products, please read this EULA and all other terms and conditions carefully, as there may be differences in the terms and conditions.

Use Outside the U.S.

If you are located outside the U.S., then the provisions of this Section shall apply. (i) Les parties en présence confirment leur volonté que cette convention de même que tous les documents y compris tout avis qui s'y rattachent, soient rédigés en langue anglaise. (Translation: "The parties confirm that this EULA and all related documentation is and will be in the English language.") (ii) You are responsible for complying with any local laws in your jurisdiction which might impact your right to import, export or use the SOFTWARE PRODUCT, and you represent that you have complied with any regulations or registration procedures required by applicable law to make this EULA enforceable.

Specific Exceptions

GeoMedia Viewer Software License

The software license specifically for GeoMedia Viewer permits copies to be stored on hard disk and loaded for execution on one or more workstations. The GeoMedia Viewer software may be freely copied, transferred and loaned both inside and outside your Company. Your use of GeoMedia Viewer software is not subject to audit by Intergraph.

Beta Software Additional Terms

If the SOFTWARE PRODUCT you received with this EULA is pre-commercial release or beta software ("Beta Software"), then the following additional terms apply. To the extent that any provision in this section is in conflict with any other terms or conditions in this EULA, this section shall supercede such other terms and conditions with respect to the Beta Software, but only to the extent necessary to resolve the conflict. You shall hold all information concerning Beta Software and your use and evaluation of such (collectively, "Beta Software Information") in confidence and with the same degree of care you use to keep your own similar information confidential, but in no event shall you use less than a reasonable degree of care; and shall not, without the prior written consent of Intergraph, disclose such Beta Software Information to any person or entity for any reason at any time; provided, however, it is understood that you may disclose any Beta Software Information to those of your representatives who actually need such information for the purpose of participating in the proposed evaluation and testing ("Beta Testing") of the Beta Software, on the condition that, prior to such disclosure, such representative has been made aware of the terms of this EULA. You shall not use any Beta Software Information for any reason or purpose other than as necessary for Beta Testing. You agree to make no other use of the Beta Software Information or to incorporate any Beta Software Information into any work or product. You acknowledge that the Beta Software is a pre-release, beta version, does not represent final product from Intergraph, and may contain bugs, errors and other problems that could cause system or other failures and data loss. Consequently, the Beta Software is provided to you "AS-IS", and Intergraph disclaims any warranty or liability obligations to you of any kind. **You may use the Beta Software only for evaluation and testing and not for general production use.** You acknowledge that Intergraph has not promised or guaranteed to you that Beta Software will be announced or made available to anyone in the future, Intergraph has no express or implied obligation to you to announce or introduce the Beta Software and that Intergraph may not introduce a product similar to or compatible with the Beta Software. Accordingly, you acknowledge that any research or development that you perform regarding the Beta Software or any product associated with the Beta Software is done entirely at your own risk. During the term of this EULA, if requested by Intergraph, you will provide feedback to Intergraph regarding Beta Testing, including error or bug reports. Upon receipt of a later unreleased version of Beta Software or release by Intergraph of a publicly released commercial version of the SOFTWARE PRODUCT, you agree to return or destroy all earlier Beta Software received from Intergraph. You agree that you will return or destroy all unreleased versions of the Beta Software within thirty (30) days of the completion of Beta Testing when such date is earlier than the date for Intergraph's first commercial shipment of the publicly released commercial software.

Evaluation Software Additional Terms

If the SOFTWARE PRODUCT you have received with this EULA is provided specifically for evaluation purposes ("Evaluation Software"), then the following section applies until such time that you purchase a license of the full retail version of the SOFTWARE PRODUCT. To the extent that any provision in this section is in conflict with any other term or condition in this EULA, this section shall supercede such other terms and conditions with respect to the Evaluation Software, but only to the extent necessary to resolve the conflict. **You may use the Evaluation Software only for evaluation and testing and not for general production use.** You acknowledge that the Evaluation Software may contain limited functionality and/or may function for a limited period of time. Intergraph is licensing the Evaluation Software on an "AS-IS" basis, solely for your evaluation to assist in your purchase decision. If the Evaluation Software is a timeout version, then the program will terminate operation after a designated period of time following installation (the "Time Out Date"). Upon such Time Out Date, the Evaluation Software license hereunder will cease operation and you will not be able to use the software, unless you purchase a full retail version of the SOFTWARE PRODUCT and Intergraph provides you with a run-time license. You acknowledge that such Evaluation Software shall cease operation upon the Time Out Date and accordingly, access to any files or output created with such Evaluation Software or any product associated with the Evaluation Software is done entirely at your own risk.

Educational Software Product

If the SOFTWARE PRODUCT you have received with this EULA is Educational Software Product (where either an education price is paid for the SOFTWARE PRODUCT, or the SOFTWARE PRODUCT is received by virtue of your participation in an Intergraph program designed for educational or research institutions, or is received through an education grant from Intergraph), you are not entitled to use the SOFTWARE PRODUCT unless you qualify in your jurisdiction as an Educational End User. Educational Software Products may be used for educational and research purposes only. Commercial and general production use of Educational Software Products is specifically prohibited. Additional terms and conditions, as well as the definition of an Educational End User, are detailed in Intergraph's Education Policy which is available upon request.
