

Dear Alexandra,

I'm having a great time here on Mykonos! We arrived 2 days ago. Yesterday we went to Agios Sostis beach. The water was cold, but it was clear and beautiful. We had lunch at a taverna on the beach. Our hotel is fantastic- very modern and clean. At night we went into town and walked around to see the sights. Tomorrow we are taking the boat to Delos to visit the ancient ruins and after that we are going to a different beach. See you soon.

Marilia
