

Sh. Narendra Modi,
The Prime Minister of India,
PMO Office
New Delhi

Subject: Extraneous Consideration and Bribery to Pick and Choose Dr. Dilip Purreha (from BHU) for the post of Vice-Chancellor, LNUPE, Gwalior.

Respected Sir,

With due respect, we, the faculty members of LNUPE, Gwalior, wish to bring to your notice that bribery and favoritism has taken place in the selection of Dr. Dilip Purreha for the post of Vice-Chancellor of LNUPE, Gwalior, by bypassing the recommendations of the Selection Committee. This University falls under the control and management of Central Govt. through the Ministry of Youth Welfare and Sports, and currently the Hon'ble Minister Sh. Sadanand Sonowal is handling the affairs on behalf of the Central Govt.

A Search-cum-Selection Committee was constituted for the selection and appointment of the regular Vice-Chancellor and the interview was held on March 19-20, 2015 at Shastri Bhawan, Ministry of Youth and Sports Welfare, whereafter the recommendations were sent to the Ministry for appointment of a regular VC. The said selection committee had recommended the names of 3 Professors out of whom one was to be selected in order of priority. It was the prerogative of the Selection Committee to consider all the factors like qualification, experience, achievements of the candidates before recommending the names for the selection as the VC. But the Hon'ble Minister Sh. Sadanand Sonowal (from Assam), *who is handling the affairs of LNUPE on behalf of the Central Govt.* bypassed the recommendations of the Selection Committee without giving as reasoned order/noting in the file and thus chose the Candidate Dr. Dilip Purreha who was in the No.3 position in the list and lower in merit.

It is widely known to each and every person associated with the Sports and Physical Education, that the said selection has been made by the said Minister after charging hefty amount running into Lacs of rupees as bribe through **Dr. Vishwajeet Basu Mathari**, who is acting as the **Officiating Principal of LNPE, Guwahati**. Vishwajeet Basu Mathari was the classmate of Dr. Dilip Purreha at LNPE, Gwalior and he alongwith his elder brother, Mr. Subhash Basu Mathari, who has been given Additional Charge as the **Director of Regional Centre, SAI**

(North-East) on the blessings of the said Minister Sonowal, connived together to strike a deal with the Minister to secure appointment of Dr. Dilip Purreha as the Vice-Chancellor of LNUPE, Gwalior.

The trinity of Mr. Sonowal, Dr. Vishwajeet Basu and Subhash Basu is dominating the field of sports to mint money by resorting to all the malpractices. Was it the much publicized slogan 'Acche Din Aane Wale Hain' actually meant for? Or is it that the said slogan was exclusively meant for the corrupt people whose “good days” have really descended after you became the Prime Minister of India.

You are requested to intervene into the matter to see into the facts of the case personally, reverse the illegality committed for the selection of the VC and institute a CBI Inquiry into the whole matter to ferret out the truth behind the scene.

Yours faithfully,

Neha Patwardhan

On behalf of

majority of Faculty members

LNUPE, Gwalior.
