New Features

- New Musketeer Feature

Last week, 2 new features were introduced by the developers.

The banner features a purple and white background. On the left is a black book icon with a yellow lightning bolt and the word 'MUSKETEER' on a blue spine. The title 'New Musketeer Feature' is in large white font. Below it, the text 'Distribute Training % between Fitness and another Training focus Every Week!' is in bold black font. A screenshot of a web interface shows a slider for 'FITNESS TRAINING PERCENTAGE' with a green bar at 72% and a 'SUBMIT' button. To the right, text reads 'Choose if your players require more fitness or skill training every week and adjust the bar!' and 'Two mangoes with one stone!'. At the bottom, it says 'Become a Musketeer Today!' in orange.

New Musketeer Feature

Distribute Training % between Fitness and another Training focus Every Week!

Choose if your players require more fitness or skill training every week and adjust the bar!

Two mangoes with one stone!

Become a Musketeer Today!

You can distribute Training % between Fitness and another Training Focus every week!

Eg: You can set 10% to Fitness and 90% to Skill training (Batting, Bowling or Keeping) and ensure you players stay in shape during the season.

EVERY player who plays a match during the week will get Fitness training, not just the 6 who get Batting or Bowling.

Tip: Since age plays a role in fitness drop per week, increase the Fitness % training based on the age of your players.

Joke Jukebox

1. Two club members were talking about a recent car accident. 'What ever became of that hit-and-run driver?' 'He's batting for the prison cricket team!'

2. You're looking glum'. 'Yes. My doctor says I can't play cricket.' 'Really? I didn't know he'd ever seen you play!'

3. Batsman was out first ball of the over. New man in got out in the next ball. On the walk back to the pavilion, he passed the incoming batsman, a pompous rival. "Tough luck. Better luck next time, old man," he said tongue in cheek. "Yes. It's a shame I had to be right in the middle of a hat trick, see you soon" the other shot back.

4. This is a true story: W.G. Grace was batting and the bowler got him out fair and square. The crowd was disappointed. W.G. Grace refused to go back and continued to bat. He calmly told the bowler, "The people are here to see me bat, not to see you bowl, so go bowl again. I will continue to bat".

Riddle Reservoir

1. Two batsman each on 94 runs. Seven runs needed to win in last 3 balls. Both make 100*. How? Batsman hit six and gone retired hurt while the new batsman come to play and get runout for his wicket and the other batsman hit six and made both century and team win..

2. How can a team get 8 runs in a single ball? It is a test match and the batsman on strike hits it toward the boundary and take 3. Misfield at long-off allowed them to take 4. The fielder was eager to take the batsman out on the 4th run and throws a wild throw. The ball passes over the wicket-keeper and rolls to the boundary for 4 overthrows.
