

MARYJANE EVENTS

Host an event at The Adagio, Denver's premier Bud and Breakfast

Located in a gorgeous Victorian home in one of Denver's most historic neighborhoods, the Bud and Breakfast at The Adagio is not only the first, but the premier 420-friendly lodge in the city. Our property is home to travelers from all over the world, here to enjoy Colorful Colorado and experience post-prohibition days.

Your event would thrive in the Bud and Breakfast's shared areas. The event space includes our generous living room, dining area, and spacious outdoor patio. The living room is furnished with a baby grand piano and working gas fireplace, and our dining room plays a perfect host for your cocktails, hors d'oeuvres, and smoking needs. Outside, we have a fenced-in backyard, complete with a 200 square foot tent, and gas heaters to enjoy the other 1500 square feet of patio space.

Please be aware that because we are a cannabis friendly event space there are certain regulations we must comply with. All guest must be 21 years or older and must present their ID at the door. We may only host private, invite-only events: before your event you must submit a full guest list, and only those on the list will be allowed in. Any advertisement of the event is prohibited. Guests are encouraged to BYOC, but let us take care of the rest!
