To Whom It May Concern:

This letter is to verify that Brenna Malloy, Sarah Hulsman, Nick Ramsey, Cooper Arbios and Rahma Farahat are students in good standing currently enrolled in the Conservatory of Motion Pictures at the Dodge College of Film and Media Arts at Chapman University. They are working on a required project for FP 698 Thesis in Production with Professor David Ward. This project, titled *Rocket*, is scheduled to shoot October 22-November 1, 2015. This project is not for commercial purposes.

The Conservatory of Motion Pictures at the Dodge College of Film and Media Arts is an accredited graduate film school that enables students to successfully conquer the challenges and expectations of the film and television profession. In recent years, our reputation as a preeminent film school in the nation has grown because of the quality of students we accept and the successes of the films they make. These film projects would not be possible without the generous support from members of our community.

Thank you in advance for your assistance with this production. If you need any further information, do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michele Kennedy'.
