Timeline To Paradise / Armageddon

I have been guided toward this information by **Jehovah and Jesus**. However they could only show me where to look. Every piece of text / image is my doing.

UNITED NATIONS, World Good Will [Antichrist],

Pope Francis and Various World Leaders Including:

American President Obama

Russian President Vladimir Putin

French President François Hollande etc..

Are going to announce a New World Government and New World Religion at the September 25-27 United Nations event in New York.

I believe the economy is going to crash around the 14-15th of September. This will ease in the New World Government and create more of a need for it.

Lucis Trust: World Good Will are going to "ride" the New World Government [Beast] and form the New World Religion. This will result in the attack on Christianity and other religions.

Pope Francis will endorse the New World Religion and speak terrible things about the supreme creator Jehovah.

The New World Religion will adapt teachings / symbols from various religious teachings. They will not attack Christians directly, rather they will try and add our beliefs to a overall pool of religious teachings.

As you can see these statements are backed by clear facts. This is not another false prediction.. Please take some time to confirm the facts for yourselves.

Lucis Trust: World Good Will

Directors Of The New World Religion

http://www.lucistrust.org/en/service_activities/world_goodwill/world_goodwill_at_the_un

The Lucis Trust religion was originally started in 1920 under the name of the Lucifer Trust. However in 1922 the name was changed due to obvious reasons.

Since their inception the organization has been pushing for a New World Religion that incorporates teachings from all religions and refutes Jesus actually existed.

They have deep connections to the UNITED NATIONS and will be leading the New World Religion movement at the UN Summit on September 25-27 2015.

Nebuchadnezzar's Dream

Lets begin with Nebuchadnezzar's Statue. The Statue was a timeline of dominant kingdoms throughout history starting with Babylon and ending with the establishment of Jehovah's Kingdom.

Head - Gold = **Babylon**

Chest + Arms = **Silver = Media Persia**
Conquered Babylon

Abdomen + Thighs = **Copper = Greek**
Conquered Media Persia

Legs / Iron = **Rome**
Conquered themselves.

The feet of the statue represents the last kingdom that is yet to be destroyed.

Feet = **NEW WORLD GOVERNMENT / NEW WORLD RELIGION / UNITED NATIONS**

Concludes in the establishment of Jehovah's Perfect Kingdom.

The bible states that Jehovah will throw a stone at the feet of the statue and it will crumble into one.

According to various unrelated reliable sources a Astroid is set to strike earth on the **28th September**

Daniel's Beasts

Daniels beasts can be linked to modern day kingdoms / rulerships

LION = UNITED KINGDOM

EAGLE WINGS = UNITED STATES [**President Obama**]

BEAR = RUSSIAN FEDERATION [**President Vladimir Putin**]

LEOPARD = EUROPEAN UNION [**President François Hollande**]

BEAST = **UNITED NATIONS / NEW WORLD GOVERNMENT**

Daniel 7:

7. After this I kept watching in the visions of the night, and I saw a fourth beast, fearsome and terrifying and unusually strong, and it had large iron teeth. It was devouring and crushing, and what was left it trampled down with its feet. It was different from all the other beasts that were prior to it, and it had ten horns.

UNITED NATIONS = Platform for world leaders to announce the New World Government / Religion.

NEW HORN = **POPE FRANCIS**

Daniel 7:

8. While I considered the horns, look! another horn, a small one, came up among them, and three of the first horns were plucked up from before it. And look! there were eyes like human eyes in this horn, and there was a mouth speaking arrogantly.

THE WATCHTOWER JULY 2013

WHEN DOES THE GREAT TRIBULATION BEGIN?

6:

What will signal the start of the great tribulation? Jesus foretold: "When you catch sight of the disgusting thing that causes desolation, [**NEW WORLD GOVERNMENT / RELIGION**] as spoken of through Daniel the prophet, standing in a holy place, then let those in Judea begin fleeing to the mountains. In the first fulfilment, the "standing in a holy place" occurred in 66 C.E. when the Roman army ("the disgusting thing") attacked Jerusalem and its temple.

In the larger fulfilment, the "standing" will occur when the **United Nations attacks Christendom** and the rest of Babylon the Great. That event will be the beginning of the great tribulation.

7:

Jesus also foretold: "Those days will be cut short." In the initial fulfilment, this happened in 66 C.E. when the Roman army "cut short" its attack. Then, anointed Christians in Jerusalem and Judea fled, allowing for their 'flesh, or life, to be saved. So, what can we expect will happen during the coming great tribulation?

Jehovah will "cut short" the attack of the United Nations on false religion, not allowing true religion to be destroyed with the false. This will ensure that God's people will be saved.

Gentile Times

2,520 years and Israel's regathering

"The 2,520 years began in October 607 B.C.E., when Jerusalem fell to the Babylonians and the Davidic king was taken off his throne. The period ended in October 1914. At that time, "the appointed times of the nations" ended, and Jesus Christ was installed as God's heavenly King."

Just as Jesus predicted, his "presence" as heavenly King has been marked by dramatic world developments—war, famine, earthquakes, pestilences. Such developments bear powerful testimony to the fact that 1914 indeed marked the birth of God's heavenly Kingdom and the beginning of "the last days" of this present wicked system of things."

The inception of the Gentile Times started with the 7 years featured in Nebuchadnezzar's dream times 360 babylonian days = 2520 years.

Charles Taze Russell founder of the Jehovah's Witnesses also found that when measuring the Great Pyramid Of Giza in pyramid inches it equaled 2520 years.
(Continued on page 13)

Babylon Captive

2520 - 606 BC = 1914: WW1 begins / Jesus becomes King of the Heavens / Satan cast down to earth.

Babylon destroyed

2520 - 587 BC = 1933: The date Hitler became chancellor of Germany, forms government.

However that's using the 360 day babylon days. When we also use 365 day solar years from the same dates numerous other imperative dates begin to appear.

The Gentile times do not end in 1914 but continue to September 23 2015.

Babylon Captive

2520 Solar years - 606 BC = 1878: Petah Tikva

Babylon destroyed

2520 solar years - 587 BC = 1897: Zionism

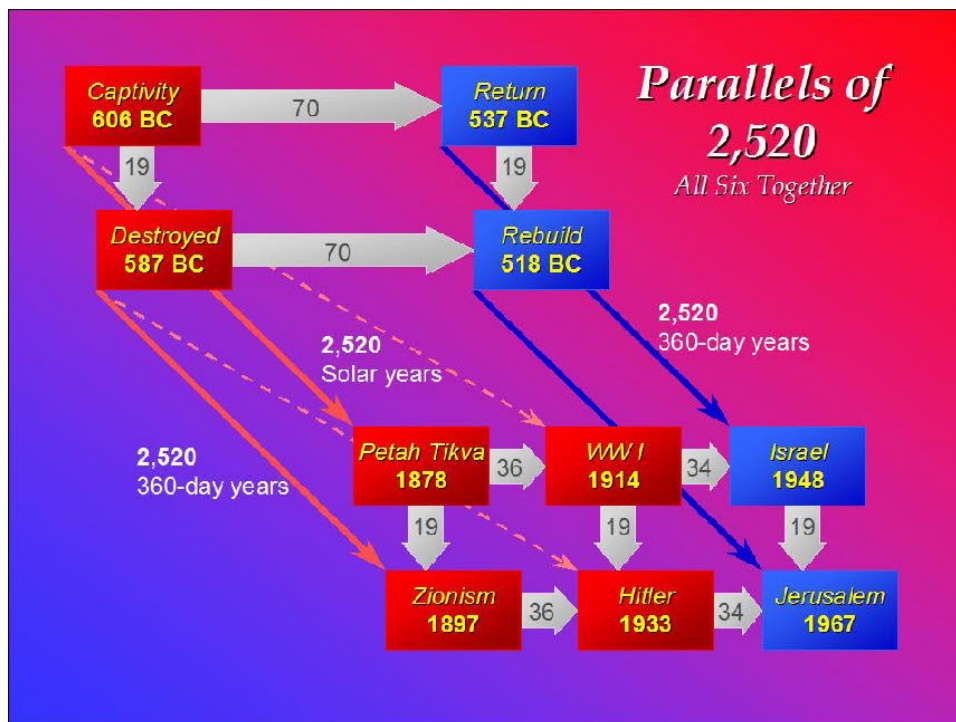

And it also opens up imperative dates regarding the re-establishment of Jehovah's original land of Israel.

Israel Return

2520 solar years - 537 = 1948: Israel rebuilt

Israel Rebuild

2520 solar years - 518 = 1967: Reunification of Jerusalem

"There is another period that some have noticed and it was also mentioned in Signs of the End. When counting off 360-day years from June 7, 1967, it has

been found that the Day of Atonement 2015 is at precisely 49 of those years. This is 17,640 days, which comes to **September 23, 2015**. However, what is overlooked is that this period also equals none other than 2,520 weeks!"

Blood Moon Tetrad

27-28th September 2015

"The phrase "blood moon tetrad" is a wonderful phrase that seems to demand its own apocalyptic mythology, which it, in fact, has.

Although not every full lunar eclipse turns a blood red color earning its colloquial name, the current tetrad has become the focus of speculation in some circles about its relationship to the coming end of the world. Something, the theory goes, simply must be coming with the tetrad.

Root Source's Gidon Ariel has explained why he thinks a tetrad is particularly worth paying attention to: "Not only does God's name have four letters, but it was on the fourth day of creation that God created the sun and the moon, establishing them as signs to mark sacred times, such as the Festival of Passover."

The incredible alignment of blood moons has only happened a handful of times in the last 2,000 years.

What makes this blood moon tetrad different from any other blood moon tetrad?

While this doesn't necessarily make the current blood moon tetrad unique for reasons we'll get to soon enough, those who believe it's a divine warning of significance have pointed to the alignment of each blood moon with a major Jewish holiday:

April 15, 2014 – Passover

October 8, 2014 – Sukkot

April 4, 2015 – Passover

September 28, 2015 – Sukkot

http://www.hebrew4christians.com/Holidays/Fall_Holidays/Sukkot/sukkot.html

The message of the tetrad, some believe, is potentially a bad one for Israel unless American Christians continue to stand with Israel and with Jesus. Both Blitz and fellow blood moon believer (and Root Source co-founder) Bob O'Dell have asked Christians to pray for the duration of Saturday's eclipse.

Of course, many blood moon believers, including megachurch pastor John Hagee, believe that this particular blood moon closely precedes the Rapture of Christians, Armageddon and the second coming of Christ."

What does the Bible say about blood moons?

Acts 2:

20. "The sun shall be turned into darkness, and the moon into blood, before the great and notable day of the Lord."

Joel 2:

31. "The sun shall be turned into darkness, and the moon into blood, before the great and terrible day of the Lord,"

Great Pyramid Of Giza Numerology

Although the Jehovah Witnesses have claimed the Pyramid information concluded by the founder is false. I believe he was dead accurate on his teachings of the pyramids. And as he stated, was "only to be understood in our day."

The Creator Jehovah has left us a trail of breadcrumbs pertaining to the end of days, they come in the form of a numerical sequence begin with the Great Pyramid. And ending very soon.

The Great Egyptian Pyramid

Base = 440 Royal Egyptian Cubits.

Height = 280 Royal Egyptian Cubits.

Base to height ratio = 11/7 (440/280 = 11/7)

Jehovah: Completeness and Perfection

"From the Seven days of Creation to the Seven Seals of Revelation, Scripture is saturated with the Number Seven. Just listing all the occurrences would take several pages. Essentially all biblical scholars, regardless of their stance with respect to the meaning of numbers in Scripture, have recognized the special symbolic use of this Number. It is simply impossible to miss."

Charles Taze Russell

Theology and teachings

“Beginning in 1879 he began publishing a monthly religious journal, Zion's Watch Tower and Herald of Christ's Presence. The journal is now published by Jehovah's Witnesses on a semi-monthly basis under the name, The Watchtower Announcing Jehovah's Kingdom.

He maintained that there was a heavenly resurrection of 144,000 righteous, as well as a "great multitude", but believed that the remainder of mankind slept in death, awaiting an earthly resurrection, rather than experiencing torment in a literal Hell.

The Trinity. Russell believed in the divinity of Christ

He also taught that the Holy Spirit is not a person, but the manifestation of God's power.

Christ's Second Coming. Russell believed that Christ had returned invisibly in 1874, and that he had been ruling from the heavens since that date. He predicted that a period known as the "Gentile Times" would end in 1914, and that Christ would take power of Earth's affairs at that time. He interpreted the outbreak of World War I as the beginning of Armageddon, which he viewed to be both a gradual deterioration of civilized society, and a climactic multi-national attack on a restored Israel accompanied by worldwide anarchy.”

Pyramidology

“He believed the Great Pyramid of Giza was built by the Hebrews (associated to the Hyksos) under God’s direction, but to be understood only in our day. He adopted and used Seiss's phrase referring to it as "the Bible in stone". He

believed that certain biblical texts, including Isaiah 19:19–20 and others, prophesied a future understanding of the Great Pyramid and adopted the view that the various ascending and descending passages represented the fall of man, the provision of the Mosaic Law, the death of Christ, the exultation of the saints in heaven, etc. Calculations were made using the pattern of an inch per year.

Dates such as 1874, 1914, and 1948 were purported to have been found through the study of this monument.
