EXPERIENCE

Self-Employed
October 2012 - Present

Freelance Designer / Consultant
Conceptualized and executed design projects to client's satisfaction, accurate billing and payment collection. Developed and presented proposals for design work to small business owners for projects ranging from website design, exhibit materials and marketing collateral, to complete branding and identity overhauls.

CNSI
February 2015 – August 2015

Graphic Designer
Conceptualized and designed numerous brand identities for company products. Met with internal clients to discuss their needs and developed creative materials to support business goals. Managed multiple tight deadlines while collaborating with marketing team and business groups to develop creative materials. Helped develop brand identity specifically through a social media perspective.

Greater Washington Publishing
March 2014 - May 2014

UX Designer / Consultant
Conceptualized and drew up overall vibe and feel for web presence. Redesigned and mocked up newly designed online assets for mobile optimization. Provided graphics for social media presence.

SeQR Pay
December 2012 – March 2014

Visual Communications Designer / Business Development Assist
Designed ads, publications, and digital presentations for marketing initiatives and business development. Ensured consistent, high-quality design for numerous mobile commerce applications. Assisted of hiring and managing of the Business Development team, which consisted of 4 interns at a time.

Westwood College
March 2012 – October 2012

Graphic Designer
Created numerous graphics and audio-visual projects for various non-profit and school funded events. This included both marketing and branding objectives. Communicated and collaborated efficiently with design team members. Performed job under high stress and product timetable.

EDUCATION

Westwood College
2009 - 2012

Annandale, Virginia
Bachelor of Science in Design and Visual Communications, General
