**1ST YEAR UNDERGRADUATE REPRESENTATIVE**

**KAT NORTHERN LIGHTS MAN**

(Yes, that's his real name)

(Yes, really.)

I'm an Anishnawbe person who's been on campus for two previous years through Ryerson's Social Work program and The Chang School's academic bridging program.

I love to network, have made connections amongst University staff and peers, and hope to leverage these connections to help my fellow peers who may need help navigating Ryerson's many services, workshops, opportunities, and administrative offices.

If I don't know how to help, I'm excited to reach out to new people who many be able to help.

Please vote.
