Experience

HEAD SOUND TECHNICIAN, REGENT PERFORMERS – 2012-2015

Beginning in sophomore year, I set up and ran sound equipment for events at La Reina High School. During my senior year, I held the position of Head Sound Technician, leading the sound crew and being responsible for all sound production.

CAMP COUNSELLOR, GIRL SCOUT SEQUOIA DAY CAMP – 2010-2014

For one week every summer, I volunteered as a camp counsellor, leading a patrol of ten campers. In 2013, I was a Leader in Training, equivalent to a head counsellor. I had responsibility over all other counsellors in the unit that lead patrols of girls ages 9-11. Prior to camp, I worked with the camp director, organizing materials and planning workshops for my unit.

PRESIDENT & FOUNDING MEMBER, LA REINA HIGH SCHOOL FILM CLUB – 2013-2015

As a Sophomore, I worked with administration to introduce a film club to La Reina High School. Holding the office of President, I led weekly lunch meetings on cinematic topics. Often I created visual aids for discussion and promoted our organization with posters and announcements.
