## Greetings from Guy Shoemith

**West Hill Golf Club - PGA Golf Professional**

The Spring Equinox is tomorrow (Friday 20 March) and the clocks go forward next Sunday so there will be daylight until 7.45pm, and it's only 3 weeks until the Masters. Are you ready for the season? Here are the things we could be helping you with:

- 1) Check all your grips are ok or are they worn
- 2) Have a gapping session on the FlightScope in the Swing Studio so that you know how far you hit each club in your bag.
- 3) Have a coaching session on the weakest area of your game whether it be putting, chipping, pitching, bunker play or ball striking so that you have positive thoughts to take to the course.
- 4) Is there a club in your bag that is not performing - driver, fairway wood, hybrid, irons, wedge or putter? Come and try out the latest technology with us and see if it outperforms your old equipment.
- 5) Are your golf shoes looking worn no shabby? Come and check out our new shoe wall and a huge range of the latest shoes including the new FootJoy Hyperflex which has just arrived in store. Or maybe you just need us to re-spike your shoes?
- 6) Is your golf bag rubbing through your graphite shafts in your woods? We have a whole new bag section including the new H2N0 waterproof bag range from Sun Mountain all with the West Hill Members Logo on the bags.

7) Do you want to feel fresher at the end of your rounds of golf this year? We have the latest Motocaddy electric trolleys with super lightweight lithium batteries which have a 5 year guarantee. We also have the latest push trolleys from both Sun Mountain and Stewart Golf.

8) Is your golfing wardrobe looking tired? We have a new selection of shirts, slippers, jumpers, trousers and shorts with either the West Hill Members Logo or the full West Hill logo from Ashworth, Galvin Green and Glenmuir. And don't forget to buy your West Hill Team shirt, Slipover or jumper if you don't already have one.

COME AND SPEAK TO US AND GET EXCITED ABOUT YOUR GOLFING YEAR.

### **Masters**

The Masters Sweepstake is now open. £5 per player to be drawn at the start of Masters week and if your player finishes in the top 3 you will be the lucky winner of a new custom fit fairway wood, or hybrid or wedge in The Swing Studio. Come and buy your tickets and join in the fun.

### **Swing Studio News**

This week West Hill member Jeremy Evans picked up his new Mizuno JPX Forged irons with KBS shafts. He hit these clubs much more consistently, than his old Mizuno's and loves the look and the feel of these latest technology irons. And using the Mizuno DNA system with the shaft optimiser we were able to find the perfect shafts for his swing.

Do you know your swing DNA?

[Click here](#) to book a swing coaching tune up in The Swing Studio.

## **Special offers**

---

To kick start your season, book three coaching sessions on any area of your game either in The Swing Studio or on the short game area and we will give you a free gapping session (worth £30) to work out how far you hit all your clubs on the FLIGHTSCOPE in The Swing Studio.

This offer is valid if all sessions are booked in before 30 April 2015.

[Click here](#) to book now.

## **Professional news**

---

Thanks to Richard Hills, the Ryder Cup Trophy will be joining us at The Surrey PGA Annual Awards Dinner on Monday 30 March at Epsom Downs Racecourse. I guarantee I will email you a photo holding the trophy if you can join us at the dinner. Tickets are £65 each including a three course meal and entertainment from comedian, Adger Brown. Dress code jacket and tie and 7.30pm for 8.00pm start.

**I currently have 10 West Hill members attending and it would be great if more of you could join us. On 25 March I will be enjoying my 10th anniversary as your club professional at West Hill Golf Club and I would love you to join me to celebrate and to kick start the golfing season at our SURREY PGA flagship event.**

The SURREY PGA Three W'S Pro/Am and Annual Awards Dinner had to be postponed as Woking and Worplesdon GC's were unable to hold the event due to waterlogged courses. We have rescheduled for Monday 30 March and the SURREY PGA has to make this work as we are committed to Epsom Downs Racecourse for the dinner. We will be playing the golf at West Surrey GC, Cuddington GC and Banstead Downs GC (West Surrey was in awesome condition when I played there 3 weeks ago.)

Cost is £100 per person to include golf in teams of 3 amateurs with a PGA pro which I will arrange, prizes and the dinner at Epsom including after dinner speaker.

WE DESPERATELY NEED SUPPORT FOR THIS RESCHEDULED EVENT. PLEASE [CLICK HERE](#) TO JOIN US

## Members' news

---

Well done to **Warwick Taylor and Alex Forbes** who won the Bedser foursomes on Sunday with 38 points. Second were **David Jones** (still in top form after his Game improvement Programme!) and **Peter Robinson** with 36 points and third **Andrew Pike and Ben Raven** with 34 points.

The current order of merit going into the final event in the series on Sunday 19 April is as follows:

- 1st James Elliot 32 points
- 2nd Gerry Kennedy 30 points
- 3rd John Watts 27 points

Well done to **James Elliot**, who won this month's professionals scratch roll up for the second month in a row, with **Gerry Kennedy** in 2nd and **John Watts** in 3rd. 10 skins went to James Elliot and 4 skins went to John Watts, with four skins being unclaimed, so they have rolled over into the order of merit pot. With only one professionals scratch roll up left on Sunday 19th April, James Elliot is uncatchable on 7 ½ points, however 2nd and 3rd place are up for grabs with a tightly knit chasing pack.

This Sunday the Captain and I have a very tough challenge from **Mike Coulson and Jon Yates**, the West Hill foursomes specialists.

We now have some more Captain Pro challenge dates available. [Click here](#) to challenge us on:

- Sunday 12 April am
- Sunday 26 April am
- Tuesday 26 May pm

## Ladies section

---

Well done to **Sian Thomas** who stormed to victory in the Stableford last Wednesday with 43 pts. Second was **Sylvia Sands** with 38 pts and third **Elaine Watts** on countback.

Then on Saturday **Jan Gilkes** won with 36 pts with **Gina Rivett** second with 32 pts and third **Kay Bowman** with 31 pts.

## Upcoming events

---

- Friday 20 March - Weekday Stableford

**Bedser Foursomes Winners 2015 Warwick Taylor & Alex Forbes**

- Saturday 21 March - Past Captains' Foursomes
- Wednesday 25 March - Captain's Roll Up and Lunch
- Saturday 28 March - Club Stableford
- Sunday 6 April - EASTER Sunday Lunch
- Saturday 25 April - Club Stableford
- Wednesday 29 April - Captain's Roll Up and Lunch

#### **Never Weather Beaten**

Whilst it's true that you'll start to see spring/summer 2015 shirts arriving in stores soon, with our weather it's always handy to be able to call on a quality set of waterproofs all year round.

One reason why we stock the Sunderland Dolphin Fluke waterproofs is that they work with the golf swing instead of creating that feeling of restriction. There are many other features and benefits that make this set of waterproofs so appealing, so watch our video to find out more.

#### **Packs and Gifts**

A look at the packs that we offer here at West Hill Golf Club, for those looking for the ideal gift for a friend or society guests. Please call in and enquire for more details. [Read more...](#)

Enjoy the rest of the newsletter and have a great weekend.

**Attention lady golfers... Happy with your driver?**

---

### Give yourself the upper hand

Research tells us more of you have been fitted for irons than drivers. We'd say it's best to get custom fit for all your clubs, why wouldn't you? If you ignore the driver, it certainly has the potential to be the most destructive club in your bag, and that needn't be the case.

It shouldn't have gone unnoticed to you that driver technology has come on leaps and bounds in the last five years, so if you're starting to see your playing partners knock it past you with a new bit of kit, perhaps it's time you joined them.

## TAYLORMADE R15

We can use a fitting session to help you with adjustability as well. We can use the adjustable hosel to try 4° worth of different lofts to see which works best for you in tandem with the specially designed ladies shaft and grip

High launch and low spin is the Holy Grail for adding distance, which is why a massive 75% of the R15's mass is low and forward where it can aid this performance

The two sliding sole weights help us tackle your typical bad shot and encourage more distance, accuracy and forgiveness

We'd encourage all of our lady members to check out some exciting new equipment launches arriving in store. If you'd like a bit of guidance and help with a fitting, then you know where we are.

Quality bags from Motocaddy

A worn golf bag is likely to drive you to distraction on the golf course; worse still a bag that's not fully functional won't protect your golf clubs as it should, which can lead to damaged shafts. The beauty of some of today's modern golf bags is that they offer the very best protection and come with a host of features and benefits, all of which help to make your round fuss-free.

### Motocaddy Dry-Series

#### Want to play whatever the weather?

The Dry-Series waterproof fabric keeps your valuables safe, while hard-wearing zips are shielded from the elements to add further protection.

#### Want more for less?

How about a bag with 7 easy access pockets that include a drinks pocket and a velour valuables pocket, that still weighs just 2kg?

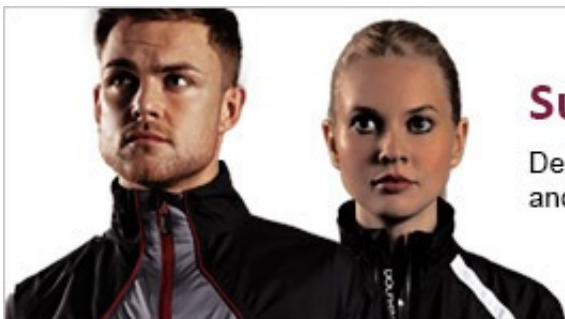

#### Fed up of your bag falling off your trolley?

The EASILOCK base features a pin-and-hole system that stops your bag rotating when on a Motocaddy trolley.

Whether it's by protecting your clubs and valuables, or leaving you free to focus on your game, a modern bag can provide an unexpected boost, so don't persist with one that's falling apart. We're here to help.
