

As your State Representative from District 28, I will work tirelessly to create responsible solutions to Arizona's most critical issues. We must prioritize funding for child safety and education, create opportunities and jobs for hardworking families, restore our reputation as a state that values diversity and inclusion.

I need your help to WIN! Any contribution will help me share my message with voters. Thank you so much for your support!

A handwritten signature in black ink that reads "Kelli Butler".
