These figures should not be considered as guarantees or projections of your actual earnings or profits. Success with INFINii™ results only from successful sales efforts, which require hard work, diligence. Your success will depend upon how effectively you exercise these qualities.

Accelerated Dual Team / Uni-level Rewards Plan

The INFINii™ Rewards Plan combines 2 proven commission structures to ensure a very profitable payout. There is no better way to realize your financial goals than INFINii™!

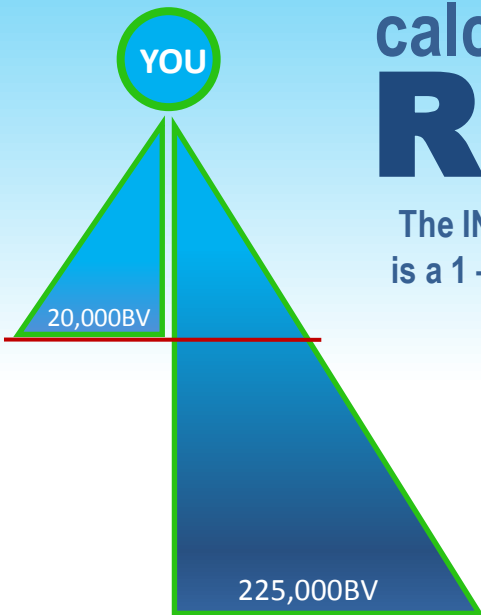

Why our Accelerated Dual Team Plan is better for you

The INFINii™ Rewards Plan moves you through rank advancement *primarily based on* your Personal Enrolment Tree (PET) – NOT your Dual Team (Binary) growth.

Most Binary Plans **Restrict**

rank advancement either by requiring balanced growth, or to be less obvious, company's will require specific monthly earning thresholds based solely on the number of "lesser leg" binary cycles. Thus still having the "lesser" leg dictate a distributors rank and income earning ability.

Your P.E.T. is the fairest way to calculate your **Rank!**

The INFINii™ Rewards Plan
is a 1 – 1 point to dollar ratio

INFINii's **Accelerated**

Binary plan allows participants to rank advance through the rewards ranks based on minimal lesser leg volume thresholds. INFINii focuses on your Unilevel, or P.E.T growth to determine rank advancement, so even if a significant majority of your teams volume is on the stronger binary leg, you can still reach the highest ranks of our Rewards Plan.

In fact...

You could reach the highest pay rank in INFINii even if up to 99% of your teams business volume is on just 1 leg of the Binary* *see detailed comp plan*

The Beginner Bonus is a pool made up of 5% of the Rewards Plan dollars. The *BBP is divided by the number of qualified Partners to determine each payout amount.

The Beginner Bonus Pool earnings shown are not necessarily representative of the income, that a INFINii™ Partner can or will earn through his or her participation in the INFINii™ Beginner Bonus Pool Rewards Plan. These figures should not be considered as guarantees or projections of your actual earnings or profits UNLESS you have met the required qualifications to participate in the Beginner Bonus Pool on an ongoing monthly basis. There are also no specified time guarantee as to earning the \$1,800.00 as disbursements to qualified Partners are made on a monthly basis based on equal amounts to all qualified Partners within the Beginner Bonus Pool. Success with INFINii™ as a whole, as well as qualifying for the Beginner Bonus Pool will come from successful sales efforts, which require hard work and diligence. Your success will depend upon how effectively you exercise these qualities and mentor members of your team.

Understanding the **INFINii™** Beginner Bonus

Your beginner bonus pool earnings begin the month you qualify as a Partner

refer just 2 customers who generate at least 50BV (1 on left, 1 on right leg) with NO requirements for platform level when they join.

For example, if you have 200 Activity Points and have referred at least 2 customers, then your maximum BBP Earnings are capped at \$300 (200 x 1.5) over the month (based on your Activity Points).

or

Your earnings are limited to 1.5x your **PET Volume**

For example, if you have 400BV in your PET, your maximum earning for the month is capped at \$600.
