AMERICAN EXPRESS  
MEMBERSHIP REWARDS

Bonjour! I recently returned from Club Med Opio en Provence. This is a hidden gem for families who are travelling through Europe with children and want to have a 5 - 7 day break. Club Med Opio is set in a 46-hectare expanse of Provençal paradise, behind the city of Cannes. This is both a family and sports-oriented Club Med Resort, with its 9-hole golf course\*, three swimming pools and tennis courts. It also places great value on peace and harmony, with its Club Med Spa\* by CARITA. Being my third Club Med visit I found this resort very different to the others and surprisingly refreshing.
