

Jarrett Orthopaedics Mission

Our aim is to provide the best quality hand, upper limb and orthopaedic care to our patients and colleagues in Western Australia.

We are committed to providing excellent care by promoting best practice through teamwork, communication, quality teaching and research and respect for our patients and colleagues.

Our Vision

We wish to flourish as Western Australia's premium provider of orthopaedic hand and upper limb care through innovation and state of the art principles and technology.

Our Commitment

Our Staff: A practice where people want to work.

We value our staff's happiness and thoughtfulness; our patient coordinators have a dramatic impact on our patient & referrer's satisfaction. Their position is key to ensuring patient focus and development of the practice.

Our Patients: A practice where patients are respected and valued as individuals.

We seek to look after you as we ourselves would like to be cared for.

Our Colleagues: The leading practice our colleagues would choose if they themselves were a patient.

We seek to look after you as we ourselves would like to be cared for.

Our Core Values

Caring

We consider and respect individual difference. We believe in privacy and dignity to be of utmost importance.

Teamwork

Together by combining our skills and strengths we make a great team. We have the power to make someone's day (and our own).

Integrity

We are open and honest with our patients and colleagues. We aim to act in a way that is good and right.

Innovation

We welcome change if there is a new and improved way of doing something.

Friendliness
