

Welcome

I am delighted you have chosen to trust your care in my orthopaedic practice.

My staff and I are committed to excellence and providing the best orthopaedic, hand and upper limb care to every patient, every day.

I trained in orthopaedic surgery in the United Kingdom and Australasia, and subsequently completed an advanced hand surgery Fellowship. I am active in research and training at Fremantle Hospital and the Universities.

Should you have any questions prior to your clinic visit please contact my practice staff.

The orthopaedic surgeons at Clinic provide a 24 hour on-call service in the event of emergencies and after hours calls via the Murdoch Hospital Emergency Department.

We look forward to meeting you.

A handwritten signature in blue ink that reads "Paul".

Your Clinic Visit

What to bring with you

- a list of current medications
- your previous x-rays and scans
- insurance and Medicare details
- a method of payment

Length of your visit

We will try and ensure your visit runs as smoothly as possible. However your visit time may vary depending upon your requirements for x-rays, casts, therapy and upon any unplanned medical delays. Please attend promptly.

Billing and insurance

Insurance coverage varies between individual insurers and amongst individual policies. Many insurance companies limit payments using their own fee schedule. Our fees and charges may differ from your insurance company schedule. You are responsible for payment of your clinic, surgeon and other health-care accounts. Clinic charges are due on the day and we accept cash, cheques, EFTPOS and credit cards.

Canceling your appointment

Please phone us on 08 9311 4636 giving us at least 24 hours notice.
