### **What is Canada Express Entry?**

In January 2015, Citizenship and Immigration Canada (CIC) came up with an initiative to ease the immigration selection complexities by the means of the [Canada Express Entry](#). CIC's aim to this initiative was to bring forth a quicker selection method of foreign skilled worker applications, who desire to enter into the country of better prospects, Canada. The Canada Express Entry is also a way to promote Canadian economy hiring skilled workers to take up positions in the sectors where the country is facing shortage of man force economy. The Canada express Entry is not just an electronic selection system but is a unique introduction to the world.
