## 2015

This year for the yearly lantern competition at Greenfield( Caleb's school) we made a unicorn! Caleb really likes it!

Dear Family and Friends,

This newsletter is made by me (Isaac Wong), Tristan and Noah. Daddy gave us the job of writing it. Our 4th year in Hong Kong! This year me, Tristan and Noah are in AISHK. Next year Caleb will be in AISHK too! This year, I have been continuing sports like soccer and rugby. Tristan has started Glee Club which is dancing and singing. Noah tried out taekwondo, but he doesn't really like it.

We have gone to a lot of places, this year we have gone to Discovery Land, Macau, South Korea for a wedding and many more. We have got new hobbies like window art but Caleb still likes princess toys. We wish everyone a Merry Christmas and a Happy New Year!

Love, Isaac, Tristan, Noah, Caleb, Norbert and Kelly.

## Macau! By Isaac

Macau was so cool! We went to Galaxy Macau! The most interesting place to stay in! There were amazing shows, fun activities and a huge wave pool that was so fantastic!

There were even water slides!

## Discovery Land! By Tristan

During the holidays, I went to Discovery Land. Isaac was there and Noah too. When we walked up we went to Sunny Bay, and saw a horrible sight! It was raining! Back in

Discovery land there were some trampolines and they make you jump very high! At lunch we went to a BEE INFESTED pizza restaurant! When we got

back to Discovery Land, I wanted to go to the Air Trek but I wasn't tall enough. At 5:00, it was sadly time to go but I had enough time to go on a fast slide! It was the best!

## Disneyland! By Noah

Going to the Disneyland Hotel was the best experience ever! We put our stuff in the hotel, then went to Disneyland! At Disneyland there were amazing attractions, delicious food and fun rides! We also bought some souvenirs. At breakfast we ate Mickey pancakes! Going to the Disneyland hotel was so cool!
