

Make 2016 Your Best Year Yet!

Make time for what matters most at our upcoming Raise the Bar personal planning workshop in Denver and **create the results you want in 2016 - in business and in life.**

This dynamic, facilitated session will lead you through ten questions to reflect and learn from last year, create guidelines and a personal paradigm for the coming year and clarify your major focus and top ten goals to achieve a **breakthrough year.**

You will also learn to use our exclusive PRO® software to set monthly goals, access learning resources and get your plan in motion. **The outcome? A powerful plan you are inspired by with the online tools, resources and community you need to succeed all year long.**

Participants will receive a one-year subscription and license for Best Year Yet® Online, a copy of Jinny Ditzler's best selling book *Your Best Year Yet!* and a workbook for the session.
