

# GET MY APP REVIEWED

[Get My App Reviewed](#) is the team of professional that will help you to give your 100% real reviewed of your Android and IOS app. We will download your app and use it for few days and check all the functionality of your app and tell you the pros and cons of your app. We will also help to sort out the relevant problem about your app.

We have wide variety of experience professionals that will review your app on different kind of devices with carefully and making exact report about any [android or IOS app](#).

After using it we will post our [honest review](#) on the affiliated market program that will help you earn money and grow your business.

We don't guarantee it will be a positive one, but as long as you accept constructive criticism, you're more than welcome to become one of our many customers.

Our packages include:

10 reviews + 10 Downloads = \$25

20 reviews + 20 Downloads = \$45

30 reviews + 30 Downloads = \$65

**120 reviews + 120 Downloads = \$200 (Best selling package)**

Remember our reviews are 100% real and authentic give by real people not the bots so the [app reviews](#) are limited not like others that are system generated fake reviews.

You will get all the detailed information about the reviews of your apps, including users' nicknames in the Play Store, IOS store date of the reviews and the contents of the reviews at the end of section. For [buy app reviews](#) contact us now and [get reviews IOS apps](#) and Android apps.
