TREASURER REPORT - 2015-16

Dear comrades,

I once again welcomes you all on behalf of all District committee members. I congratulate each and every member of Udaipur unit in achieving ever highest membership objective which helped RMSRU to achieve 5000 memberships.

Comrade, I feel confident and happy to inform you all that, we have touched 442 memberships, where Dungarpur have given 22 memberships which is 100% membership and Banswara will give 50 memberships and Udaipur with 370. I thank Banswara's and Dungarpur's Comrade who helped us in completing membership task well in time. Beside DCM, I would like to give special thanks to Comrade Varun Sharma for helping in collecting memberships, as well as took a great responsibility in preparation of ID card.

Comrades there are some area where we have to improve. OTPI and Veterinary SPEs whom are in big numbers are yet to be mobilized, because they gave their contribution in past. To make RMSRU strong and giant union we have to work together.
