

MY PERSONAL BREAKTHROUGH

My name is Jagger Graham and today, 20 day of
January, 20 16 I RESOLVE to changing the rest of my life for good.

I'm so happy and grateful for the fact that I CAN create a breakthrough my business and I WILL.

I promise to follow every module of Project Breakthrough trainings with laser focused precision.

I will do every assignment, complete every task 100%, get every tool needed, even if it may be inconvenient or uncomfortable - realizing that successful people do what failures are not willing to do.

I COMMIT to reaching the following financial goals - no matter what it takes:

In the next 14 days I will earn a total of \$1,000

In the next 30 days I will earn a total of \$2,000

In the next 12 months I will earn a total of \$24,000

I am a leader of self.

I will do WHATEVER IT TAKES to succeed and NOTHING WILL STOP ME.

I'M A WINNER. I WILL SUCCEED.
