This is a hosted tour specifically designed for teachers of wine, hospitality, commercial cookery, agriculture and tourism.

Start the day after breakfast, meeting the maker and owner of Australian Vinegar, Ian Henderson taking a look at the new premises of this national Agritourism business.

We then visit a 'Dog show with bite' attraction in the Granite Belt, Law Dogs. Experience a demonstration of protection, detection and agility in a sit down show at this privately owned training kennel.

Pick-your-own agritourism experience at Strawberry Fields for fruit that tastes like lollies. We then travel to meet industry leaders and pioneers of the Queensland Wine Industry, Ballandean Estate and a chat with the chef, Travis Crane from the Barrel Room Café. Two course lunch included.

We then meet jam makers at Jam Works. Using locally grown produce where possible, this busy little business will share some secrets to their jam success. We'll finish the day with sunset wine tasting and regional, seasonal dinner with matching wines at Jester Hill Winery. We'll meet the owners and hear their story. Transfers back to accommodation.
