COMFORTZONE

Quality Electric Underfloor Heating

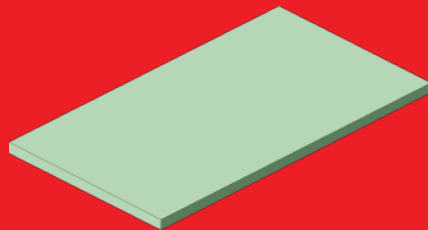

10 YEAR GUARANTEE

Comfortzone electric underfloor heating warms your home from the floor up, creating a comfortable feeling for everybody to enjoy. It's easy to install under most floor finishes, can cost as little as 4p/m² to run and is covered by our 10 year guarantee.

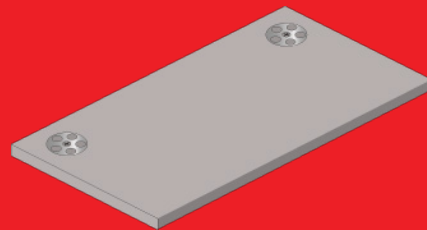

Thermotouch 4.3iC

- 4.3 inch colour touchscreen
- 5 flexible heating modes
- 7 day heating program
- Floor sensor included (3m)
- 3 year guarantee

Uncoated Insulation

Benefit from a 50% energy saving by installing a 10mm layer of insulation boards as part of the floor build up. Uncoated boards are suitable for use on concrete substrate.

Coated Insulation

Our 10mm coated boards provide more efficiency boosting insulation than a 12mm ply board, whilst strengthening timber floors ready for tiling. Available from 6 - 50mm thick.
