In 2013, event pros from the city of Pittsburgh came together in an unprecedented way to showcase our talents and raise money for a great cause! In fact, we won international awards within the Special Events Industry for our efforts. With over 100 event professionals donating close to \$200,000 worth of product and talent, we created an incredible evening with stunning decor, food and entertainment for 500 guests. It was so much fun that we are back at it again!

With five teams of professionals led by Pittsburgh's finest, this year's theme celebrates color. The designers will draw from selected color inspiration, creating vignettes designed to entice the senses with sights, sounds, smells and tastes. The ISES Exhibition of Elements will showcase Interpretations of warm and cool color tones in a tabletop gallery. The event is located in a raw space, which will be transformed in a way you never thought possible.

This unforgettable event is anchored by presenting sponsors Mosaic, Inc., All Occasions Party Rental, Marbella, CSR Colortone Staging and Rentals, Walnut Capital, and Bakery Square. Color vignette team leaders will be: Tim Komen of TK Events, Sheila Weiner of The Event Group, Shayla Hawkins of SHE Events, Martin Potoczny of Luxe Creative, and Joe Mineo of Joe Mineo Creative. With food from Pittsburgh's finest caterers, hotels and restaurants, spectacular entertainment all night long, lighting artistry and an atmosphere filled with creativity and whimsy, guests at this event will be treated to a night of sensation!
