

# Utter Evil Education Courses

wtf is wrong with me I don't even play this game anymore lel

PRESENTS...

## SYSTEM DEAMONS AND YOU

The survival guide for dummies,  
People with tunnel-vision,  
And other guys wiping the raid

# THIS IS YOU.

It's the most generic aurin female I could come up with. Whatever. She's also serving as the most common AWESOME role ever, aka

## THE DAMAGE PER SECONDER.

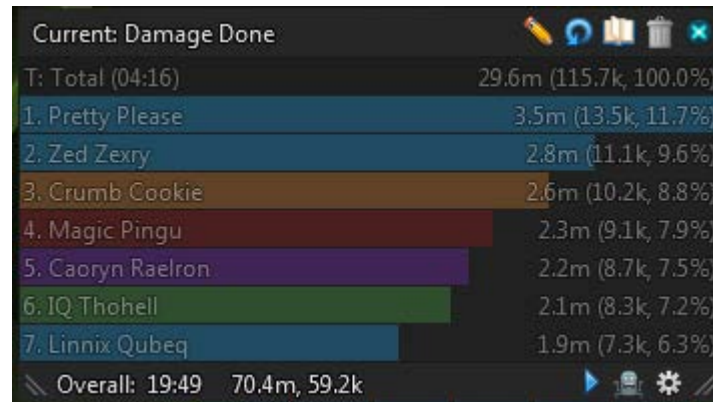

THEY ARE UGLY.  
AND BORING.  
DONT STARE AT  
THEM ITS A  
WASTE OF DPS

**THOSE ARE THE SYSTEM DEAMONS.**

# THIS IS A DPS METER.

THIS IS WHAT DECIDES YOUR WORTH DURING THE RAID.  
You musn't ever speak about it, if asked you must not care, but  
**YOU DO NEED IT.**

Also lol random old  
dps meter ss I could  
find, derp

Tanks have shitty responsibility, healers have even shitter responsibility, so obviously dpses have none which is why they have time to race each other on some useless hiscore table. WHICH IS WHY YOU SHOULD DO IT.

# WAT TO DO

THIS IS WHAT HAPPENS DURING RAIDING WHEN RAIDING IS DONE PROPERLY.  
Not proper raiding is: being afk, being dead, being dc'd, doing gazillion ready checks, fapping and doing other stuff that doesn't involve spamming your dps rotation.

**REMEMBER, YOU ARE ONLY WORTH WAT THE HOLY DPS METER TELLS NEXT TO YOUR NAME!!!!!!**

# THIS FITE HAS GROUPS

YOU ARE EITHER ON **NORTH** OR ON **SOUTH**.

If you are north,  
you stay **NORTH**.

IF YOU ARENT NORTH UR A LOSER

If you are south  
you stay **SOUTH**.

IF YOU ARENT NORTH UR A LOSER

# FUCKING PURGE

To make the rankings more fucked up, there's a random rng aids shit called PURGE.

It looks like this:

ur telegraph color  
might vary cus u use a  
gay color

If u dont know if u got purge u get  
aura mastery!!!!!!!!!!!!!!

**thinking = dps loss**

always use addons if u can!!!!!!!!!!!!!!

IF YOU GET IT, YOU WANT TO STAND STILL SO NOBODY ELSE GETS IT.

IT MAKES YOU SPECIAL.

THE MORE PEOPLE GET IT THE LESS SPECIAL YOU ARE.

EXTRA EGO POINTS IF YOU DOUBLE JUMP AS ITS ABOUT TO EXPLODE.

MAYBE EMI WILL PRAISE U (not rly).

**MOAR RED SHIT**

**ITS BAD 4 UR NUMBERS**

(dead dps = 0 dps)

**MOVE OUT OF IT**

**PEOPLE WHO AVOID R AWESUM**

+2 swag and whining rights post wipe

# TELEPORTING

ONCE SOMEONE YELLS

Downstairs has mobs. ITS AOE FITE SO MOAR DPS. **POP UR SHIT** CUS IT SHOWS ON  
DPS METER!!!!!!!!!!!! ez wai to get moar numbers!!!11!

**STUN FOR PURPLE HP BARS! ITS DOUBLE DPS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!1111!!!!!!!!!!!!**

# ONCE PILLAR APPEARS

(theres always one on ur side)

1. YOU RUN TO IT.
2. YOU MAKE A PRAYER TO RNGESUS FOR GOOD LOOT AND PURGES ON EVERYONE ELSE AND NOT U.  
dun dps unless u know wat to do
3. ONCE THE TANK SHOWS UP WITH THE BOSS (they be slow, be patient) **YOU DPS LIKE THERES NO TOMORROW**  
(remember aoe = moar dps)
4. ???
5. MOAR NUMBERS

**RINSE & REPEAT UNTIL  
BOSS IS DEAD.**

**WHINE OVER LOOT.**

**REPEAT NEXT WEEK.**

SOME OTHER PPL HAV EXTRA SHIT  
TO DO BUT THEY WASTE DPS SO  
YOU NEVER WANT TO BE THEM

be happy theyre hier so u dun hav to do it

(still whine over loot if u dun get it)
