THE ART & SCIENCE BEHIND THE MEDIA

01 BRANDING

We have the capabilities to build and create brand identities with recognizable longevity and salesmanship. We utilize advance design and multimedia technologies solutions via print, television, internet, radio, outdoor, and social media.

02 GRAPHIC DESIGN

We create quality commercial designs for print collateral, product packaging and publications. Team Media Creations Studios is an award-winning graphic design firm based in Florida. For more than 16 years our firm has developed logos, branding and marketing for businesses of all types.

03 PRINT & PUBLISHING

We offer cutting edge technology that delivers premium quality offset and digital printing; we have taken the expense but not the quality of color out of the printing process. We've implemented the most advanced screening technology into our industry leading, state-of-the-art online web to print system.

04 WEB/MULTIMEDIA DESIGN

Team Media Creations Studios produces highly imaginative and interactive designs with an exciting approach to promotion, marketing and entertainment. We build interactive applications that emphasize creativity that will stand out from the crowd.

05 PACKAGE DESIGN

Team Media Creations Studios offers a robust and impactful consumer brand-packaging solutions that combines critical thought provoking messaging offering our clients a powerful strategic branding partner.

06 EXHIBIT DESIGN

We offer a full exhibition design services specializing in creating compelling interpretive exhibits that offer rich, memorable experiences for every visitor. Our firm has developed exhibits for an array of clients across the country including national retailers, non-for profits and corporations. Our focus and specialty is the creation of exhibits that provide rich engagement, engaging narrative and a revealing experience.
