

JD'S DOG WALKING

& OTHER SERVICES

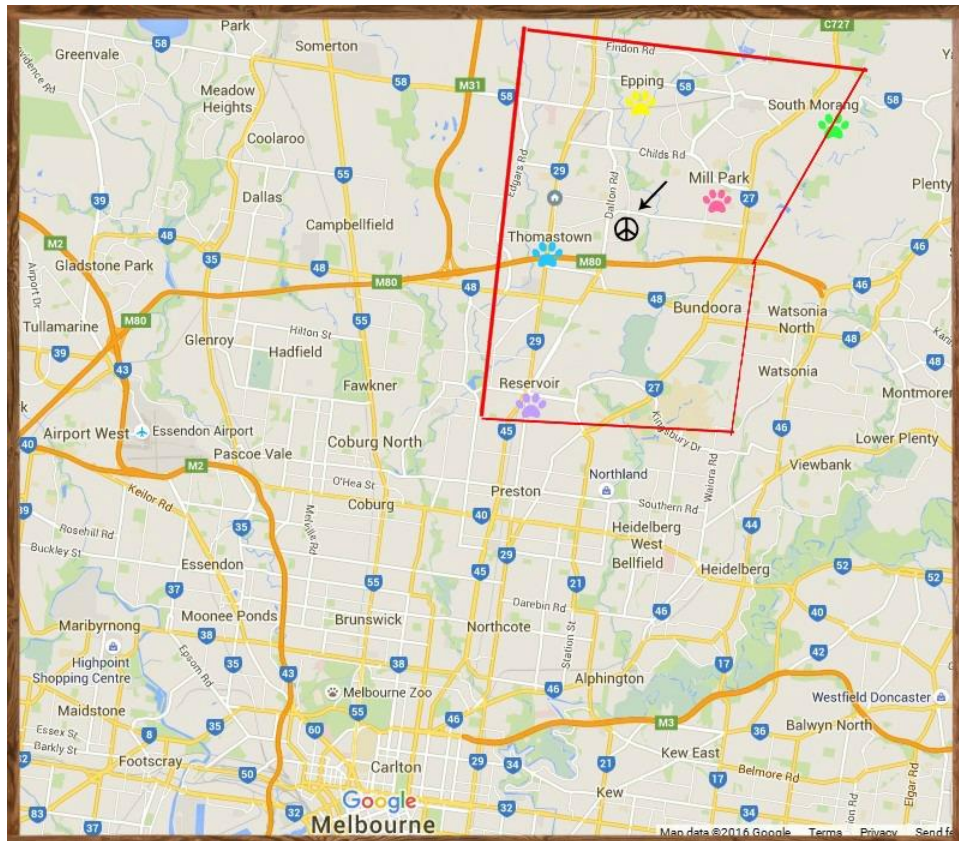

• *Introduction* : Hello, my name is Jess and I live in the Northern Suburbs. I am a passionate animal lover and fitness fanatic so I figured this would be the perfect job for my lifestyle at this point in time. I have just successfully completed my Certificate II in Animal Studies and am currently out of work and would like to devote my time to helping out people who have little to no time to show the extra affection and attention their pups need.

• *Objective* : I provide professional, safe and reliable services around the *Northern Suburbs*. These include (Immediate;) *Reservoir, Thomastown, Lalor, Epping, Mill Park, and South Morang, & Bundoora.*

I can do *neighboring* suburbs (such as *Preston, Coburg, Campbellfield, Greensborough, and Mernda* however, it will be an extra \$5 for petrol on top of the service you're after.

Even further areas (i.e *Geelong, Ringwood, Mentone* etc, can be considered but the petrol prices will be raised the *further* out these places become - so please do specify before ever booking)

The services that are provided are tailored to you and your pups needs, whether it is a brisk walk around your area, waltzing around the park or a swim at a nearby doggie beach.

Dogs can be looked after for (4-10 hours)
