

(b) No person will take dogs afield for the purpose of training on raccoon, fox, bobcat or coyote, except from July 1st to April 15th.

(c) No person will take dogs afield for the purpose of training on wild black bear except as permitted in section 187.2 of this Title.

(d) Availability of dog training areas. (1) Except for buildings, a licensed dog training area will be open for dog training purposes at least from 7 a.m. to 7 p.m. daily.

(2) The club or organization maintaining such an area will make reasonable provision for its use by nonmembers by designating at least one person who can be conveniently contacted during normal business hours by applicants for permits. The name and address of such a person must be posted in a conspicuous place on the outside front wall of the clubhouse or, if the clubhouse is not situated on the licensed area, in a conspicuous place at each roadway entrance to the area.

(e) Each license for a dog training area issued under section 11-0925 of the Fish and Wildlife Law will be in effect from January 1st to December 31st, or for a shorter period as specified on the license.
