

Theme: “Dreams”

- Dreams are an essential part of human life; they give us motivation and shape our identity. However, the act of chasing after dreams has often been approached critically in literature. Should we do whatever it takes to achieve our dreams, or play it safe by planting our feet firmly on the ground?

Required details:

- Must be written in English
- **Plagiarism is strictly prohibited**
- Please do not submit the article to other publications
- **Must be creative, unique and special**
 - Do not just simply answer the question, but to provide deep thoughts on the theme
- No word limit or restriction on form
 - (but it should NOT be too long or too short)
