

INT. APARTMENT - NIGHT

OSCAR sits alone in his messy apartment.

There is a knock on the door.

OSCAR gets up, shakes crumbs from his shirt and walks to the door.

He opens it.

Outside a scruffy, sad looking man, FELIX is waiting.

OSCAR

Felix?

FELIX

She left me.

OSCAR hugs Felix.

OSCAR

Tell me about it.

OSCAR steps back, and starts clicking a beat with his fingers.

FELIX stands up straight.

FELIX

(rapping.)

Wwweeeelllll, I used to know a  
girl named Christie Kate.  
Me and her we used to date.  
we had 5 great years, and ones  
that's tough, and earlier today she  
said, wait man, that's enough.

OSCAR

(rap yelling)

Well it's time we made it Odd in  
here.

Oscar annoying toots an air horn, in beat.

FELIX

In nineteen sixty fie the world got  
a gift, two odd dudes, they didn't  
fit. One was named Oscar, one  
felix. It was the dna of comedy, a  
jester double helix.

OSCAR  
(rap singing)  
Felix make it odd, make it odd,  
make it odd.

FELIX  
We had a few movies and few shows,  
a play and a book and show with  
braus.  
This time its hipper.

OSCAR  
This time its hopper.

FELIX  
Its the odd couple, rap musical, a  
real showstopper!

The two guys stop, stare at the camera smiling.

NARRATOR
