### AWAKEN: YOUNG ADULTS' CONVERSION EXPERIENCE RETREAT

23 March 2016

Dear collaborators-in-Christ, benefactors, and sisters and brothers-in-Christ,

As you might be aware, there are two AWAKEN retreats planned this year; on 23 – 26 June and 15 – 18 December 2016. In the past year, God has graced the Amplify community with a time to lie fallow so as to be strengthened and re-ignited in evangelistic desire to give their lives in loving service to others. The season of replenishment and discernment has also enabled us to be more aware and attentive to where God is calling us to.

As the Amplify community listens and continuously engages the call to *go forth and set the world on fire*, it has emerged that the AWAKEN retreats should be repositioned to reach out to young adults, specifically those who will benefit more from the tenets of conversion, reconciliation and healing from their life experiences. As such, the age range for AWAKEN will be raised from 16 – 25 years to 18 – 25 years with effect from AWAKEN June 2016.

In addition, we will be adopting a ballot registration system for AWAKEN, similar to what the adult Conversion Experience Retreat has implemented. The Amplify community will share more details of the ballot registration process in due course.

We thank you for your love and prayers, and as the Amplify community steps out in faith to offer their God-graced gifts with renewed purpose and strength, we also humbly ask for your continued prayers for the Catholic Spirituality Centre, so that together as one local Church, we re-embark on this joyful journey of transforming those whom God sends our way, oriented only and always towards His Kingdom.

Yours in Christ,
