## DESCRIPTION

A Great Unclean One is a single model. It carries a large Plague Flail and a Massive Bilesword, and can vomit forth streams of Noxious Bile.

## ABILITIES

**Blubber and Bile:** Roll a dice each time a Great Unclean One suffers a wound or mortal wound. If the result is 5 or more, the blow is lost amid the beast's numerous rolls of flesh, and the wound is ignored. If the result is 6 and it is the combat phase, the attacker's unit suffers a mortal wound as it is covered in spurting bile.

**Corpulent Mass:** A Great Unclean One heals D3 wounds in each of your hero phases.

**Lord of Rot:** While this model is on the battlefield, add +1 to all die rolls made for the Nurgles Rot ability.

Add an additional dice (total 2) to any rolls where the target is within 12" of this model.

## COMMAND ABILITY

**Grandfather's Joy:** If a Great Unclean One uses this ability, then whenever you roll a 7 for a **NURGLE DAEMON** unit in your next charge phase you can shout 'seven' in mirthful tones. If you do, that unit can make 1 extra attack with each of its melee weapons in the following combat phase.

## MAGIC

A Great Unclean One is a wizard. It can cast one spell in each of your hero phases, and attempt to unbind one spell in each enemy hero phase. It knows the Arcane Bolt, Mystic Shield and Plague Wind spells.

## PLAGUE WIND

The Great Unclean One summons a whirlwind of maggots and filth, basking in its feculence for a moment before sending it forth. Plague Wind has a casting value of 7. If successfully cast, pick an enemy model within 14" and draw a straight line between it and the caster. That unit, and every other unit that this line passes over each suffer D3 mortal wounds. **NURGLE** units are instead invigorated by the Plague Wind; if it passes over them one model in the unit heals D3 wounds.

You can only have one Greatest Great Unclean One in your army
