Internship Opportunities

PMK*BNC is a marketing and communications firm that specializes in the entertainment industry. With offices in Los Angeles, New York, and London, the firm represents prominent figures in the industry with the hope to engage audiences and connect consumers through popular culture. PMK•BNC is looking for Summer 2016 interns interested in PR, brand communications, digital media, human resources, brand marketing, and strategic insights based in Los Angeles and New York! Apply online at www.pmkbnc.com/careers.

Reef Check is a non-profit organization dedicated to promote marine conservation. The organization is searching for volunteers to help with tasks and projects at the office in Marina del Rey. A minimum 3-month commitment is preferred but not required. Contact reinfo@reefcheck.org for more information.

Spotlight Communications Group is a communications agency that provides PR, marketing, and social media services to clients in the health and beauty industry. The company is looking for interns for both the summer and fall of 2016. Academic credit is offered and there is one position available for an intern to transition into a fulltime position in the PR department. For more information, contact Candis Melamed (310)-613-1626 or candis@spotlightcommgroup.com.
