## Foreword

Welcome to the second edition of The Dreamcast Junkyard 100% Unofficial Ultimate Collectors Guide. Due to unforeseen circumstances, the first edition enraged the very gods we wished to appease but we repented, made a few sacrifices and have returned. In this edition you will find slightly updated lists and some minor bugs have been ironed out. The one thing we wish to make clear though, is that this book is in no way affiliated with Sega and is 100% unofficial - made by the fans of the Dreamcast, for fans of the Dreamcast.

The Dreamcast is a system that lived in the limelight for what felt like little more than the blink of an eye. Initially, the flame burned bright, but it faded almost as quickly once the PlayStation 2 appeared on the horizon, like the world-conquering leviathan that it was. Within months of Sony's console entering the fray, Sega pulled the plug and the Dreamcast was no more. This didn't prevent the system playing host to a whole range of fantastic titles though, and with this guide we hope to aid the ever-resilient Dreamcast community when it comes to seeking out these hidden gems. I must give kudos to the author, Mike Phelan for his incredible work compiling this list but ultimately I hope this guidebook gives readers an impression of the magnificent hidden library that awaits. If you own this book your Dreamcast is in for one hell of a ride, and we're overjoyed that you've bought the ticket.

**Tom Charnock**  
**The Dreamcast Junkyard**

# Collectors Guide Introduction

## Key to the Checklist

It's a problem every collector of Video games will know – how do I keep track of my collection? In the Internet age, there's a plethora of sites available with downloadable 'Complete lists', but often they contradict each other, miss out certain titles, or focus on one region or another. It was a problem I faced when starting on the journey of Dreamcast collecting. Whilst there's plenty of sites out there offering their own lists, the discrepancies between some of them bothered me. Indeed, it bothered me enough to set out to compile my own. The following 50 odd pages are the results of that. I set out with a goal to list every game released, taking information from wherever I could find it. It isn't the easiest thing to do at times – I found numerous non-existent titles on some lists, wrong information on others, and with the DC still supporting such a vibrant scene of new releases, there were at least 8 new titles released whilst I was going through this. But persistence has paid off, and the fruits of a 5 year long labour of love has resulted in what I personally believe is as thorough and complete a list as there is available for Sega's last beloved console.

The guide is divided into distinct sections, of more or less use depending on your own interest in collecting.

The [Complete DC Release List](#) lists *every* single DC game, including all variations. This is the bulk of the guide; the master list from which everything else is based on.

The [Single Game Checklist](#) doesn't bother itself with the multitude of PAL cover variations or Japanese Limited editions, and instead simply lists every released DC game, and which region it was released in.

There then follows 4 sections, each detailing one of the 'Regions' of DC gaming and sub-divided to give more info for the complete collectors.

The first is for [Unlicensed games](#); the titles released without Sega's license, but which received physical, available to purchase releases. There are two separate lists here: A list of upcoming titles set for release soon, and one listing all currently released unlicensed titles.

The [North American](#) section then follows, containing just the one list, which gives a complete breakdown of all North American releases (and includes the Brazilian Tec-toy distributed titles too).

The [Japanese](#) section details 3 lists; A complete release list, A guide to Accessibility for non-Japanese speakers and a list of all Japanese releases by code – useful for when a game doesn't have any English naming on it.

Finally, the [PAL](#) section closes things off with 3 more lists; a complete list, a White Label Promo disc list and a guide to European Regional differences.

One of the reasons I wanted to put this guide together in physical form, was to allow it to act as a hold-in-your-hand checklist, and so for many of the lists here, there is a check-box present to allow you to keep track of which games are in your collection.

Future versions of this guide will hopefully include the currently in-progress Hardware, Accessory and Non-Game release lists.

When compiling this list, I wanted to strike a balance between accessibility and detail. Listing games Publishers, Developers, release dates etc. have therefore not been included, as these don't directly effect the collecting process. Instead, I've kept it as simple as possible – The *title* of each release, the *Region* it was released in, the *type* of Release it is, the serial *code* of the game, any *interesting details* about the release, and a basic check for *rarity and expense*. I'll take a moment to go through these:

**Title:** In Alphabetical order of the particular release, with 'The' not being included in the ordering.

**Region:** Dreamcast Games, like all Video gaming, can be divided into Japanese (NTSC-J), North American (NTSC-U) and European (PAL) regions. For the guide, I have stuck to recognisable 2 letter abbreviations for these: **JP** for Japanese, **NA** for North American (which includes Brazilian releases) and **EU** for European (which of course also includes non-European territories as well, such as Australia). Due to the Dreamcasts strong unlicensed release scene, I've also included a fourth code – **WW** for 'Worldwide' releases, as these releases are Region free.

**Type:** There are several types of releases for DC games, and to explain them best, it's easier to go through them by region.

In North America, there are 5 separate types:

**US** This indicates a standard Jewel case US release.

**US-L** This indicates any non-standard US release, boxed releases and Limited editions. (i.e. the Alien Front Online Box)

**USvar** This indicates any US variants. This includes any 'Not for Sale' versions, general cover variants and the like.

**BRA** This indicates the releases in Brazil by Sega's long term South American partner, Tec-Toy. These releases are quite distinguishable as they mix up the Japanese and US cover-standards, with the Quarter-circle of the Japanese cover moving down to the bottom Left whilst usually sticking with the US cover art.

**US-AS** These are the US Sega All Stars releases, the budget label for Dreamcast games in North America. There were less than 20 of these, a sad indication of the DC's curtailed life.

For Japan, there's a further 4 separate types:

**JPB** This is the code for the standard Japanese release. For the most part these will be standard Japanese Jewel case releases.

**JPN-L** This is the code for the much-collected Limited editions that are somewhat prevalent in the Japanese release list. Most of these will be 'special' releases of standard games, ranging from First-Print editions with special full-colour discs, to elaborate box sets with lot's of very Nippon-centric extras. These will all have a description detailing their contents. Some Games have been listed as only having a 'Limited Edition' release, usually these are more elaborate releases which have no standard, Jewel case release.

**JPN-D** Sega re-released several of the most popular Japanese releases under their 'Dorikore' label ('Dreamcast Collection').

The first 6 of these are easily distinguishable, as Sega went to the trouble of giving them new cover art – a distinctive white cover with an Orange horizontal stripe and the original cover art in reduced size in the centre, as well as 'Dreamcast

Collection' printed clearly at the top. However, after these initial 6, the collecting waters become murkier. Rather than reprint cover art, these later releases were identical to their original versions, with the addition of the Dorikore 'stamp' (seen above) in sticker form on the wrap. This presents a problem for collectors. To be certain a game is a Dorikore release, chances are you will need a sealed version of the game, as there literally is no other indication. Sealed game collectors will have no issue with this, but for those who want to play their games, choosing to go for the Dorikore releases will be a personal choice of whether they want these copies simply for their stickers.

**JPN-O** This type includes all 'Other' types of Japanese releases. This includes some Book releases (Yu Suzuki Game Works Vol. 1) as well as anything else which doesn't fit into the other types.

One thing not included in this guide, is the many 'Sample' versions of Japanese releases. These are indicated by a blue oval shaped sticker with 'SAMPLE' printed on it. The fact is that info on these releases is incredibly hard to come by, and chances are every Japanese Sega release may have had a sample version out there. For this reason, I haven't included them in the list.

For European/PAL releases, things are slightly different. There are 5 distinct types of release, 4 of which are indicated with simple codes in the same manner as the US and Japanese releases. The 5<sup>th</sup> contains all of the regional variants that PAL releases are known for. Rather than listing them all as PAL, I wanted to list each one by the European countries they were released in. Originally, that meant listing them by their 2 digit code (all PAL releases have distinctive 2 digits at the end of the serial codes printed at the bottom of the spines, meant to indicate which countries these were released in, i.e. a -50 code would mean 'European Wide'), but I found this was not entirely accurate and also not overly helpful. So instead, I've indicated on every release which languages are present on the back covers. Sometimes these are indicated with National flags, other times it's just a case of knowing which language the blurb is written in. The list of nation codes I've used is below. Note: on many of these releases, other Languages are included in-game or in the Instructions, so just because a game doesn't have a particular language listed doesn't necessarily mean it's not supported. Of course, occasionally, the language of the blurb doesn't mean that language is included in the game anyway, with English sometimes being the only available language! For the purposes of this guide, however, we shall look at the Indicated languages via the back covers.

So first, the 4 'other' types:

**EWLP** This indicates that this disc is a 'European White Label Promo' disc. It's a slightly awkward term, but for those who don't know, these are pressed GD-ROM discs distinctive by being White in colour. These discs were usually sent to reviewers or for other promotional use, perhaps in Retail, and feature no cover art or instructions, instead coming in simple clear cases (there are some exceptions, as Acclaim in particular liked to put their White Labels into clamshell plastic cases, and a few other White labels saw basic White Cover art), but are usually full versions of the games (with some prominent exceptions – see listing for details). Much collected by some, there is a separate listing for these games included here, but info for them is still included in the main guide, including the disc codes. Although these aren't technically 'Retail releases', their desirability amongst some collectors and relative ease of purchase is enough for me to include them in the main guide.

Huge kudos must go to Executter and the folks at Sega-DC.com, as much of the work that has gone into the details of White label releases was carried out by them, and without their work, I'd know far less about the discs.

**Ebc** Originally created by me for the Bundle copy of Dead or Alive 2 that I seemed to have several copies of, EBC now also includes any other Bundle copies and other Promotional copies of games. These Promotional copies are usually indicated by stickers on the front of the game as well as on the disc itself. My listing for these games is based on the work done, again, by Sega-DC.com, and their may be many, many more out there. Also it must be noted that whilst I include a separate 'EBC' version for games, the actual game cases themselves will be indicative of the region they were released in – so for instance, their may be separate German and English releases for a game, both of which could possibly have a 'Promotional use' version. However, information on the exact numbers of these may never be known, so for now, a single entry for any game which has had a Promotional copy found is all that is included in this list.

**Evar** These are any 'Variant' releases of European games, that for whatever reason don't fit into the other categories listed. Most cover variants of PAL games can be distinguished by different codes, so are not listed by this type.

**Ebox** These are the few PAL releases which saw release in larger boxes, usually with an accessory.

For the standard releases, the Languages on the games covers (as explained above) are:

**D** Dutch Language (Netherlands and Belgian releases)

**E** English Language (UK and Ireland, Australia and New Zealand, as well as other parts of Europe)

**F** French Language (France and other French speaking parts of Europe)

**G** German Language (Germany and Austria and other German speaking parts of Europe)

**I** Italian Language (Italy)

**S** Spanish Language (Spain)

The following are only seen in small numbers, with a couple of each. Most of these languages are usually only selectable in game, if present at all.

**P** Portuguese Language

**N** Norwegian Language

**SW** Swedish Language

**DN** Danish Language

**FN** Finnish Language

When listing the languages present in the guide, I've done so in Alphabetical order, rather than the order they appear in on the back cover.

There's also a number of games that only include the Italian language in the instruction booklet, with no Italian present on the back of the box. This is indicated by a small *i*. There may be other languages where the only inclusion is also in the instructions, and these will also be indicated with the small letter corresponding to their nation code.

For the Unlicensed, Region-Free releases (or WW as indicated in the Region), there's a trio of types:

**HBW** Standard releases

**HBW-L** A limited edition of a release

**HBW-O** Anything which doesn't fit into the other 2.

**Code:** The codes indicated on the packaging of the

game (usually at the bottom of the spine or spine card, sometimes only on the covers). It would take a 30 page document alone just to go into the intricacies of Sega's coding systems across the 3 regions, so I won't even attempt to explain them fully. There's some basic rules that we can see when compiling this list though:

In North America, the codes usually have the format T-XXXXN. There are some without the letters, and in Brazil, the format is a 6 digit code beginning with 197.

In Japan, Sega's own games have the format HDR-XXXX for the most part, whilst 3<sup>rd</sup> party games have a format of T-XXXM.

There are several exceptions, of course, to this. Non-games tend to have a code starting with 610-.

In PAL territories, the system had 2 main elements. Sega's own games followed the MK-XXXX-XX coding system, whilst non Sega games followed a T-XXXXD-XX system. The 2 digit code to end the code indicated the regions released in (most prominently, -05 was UK, -18 Germany, -09 France, -06 Spain, -13 Italy, -50 multi regional), but this wasn't all stuck to.

Unlicensed releases follow their own publishers coding systems, if they have one.

Note: The White Label discs don't have a code listed, but the 2 main cataloguing numbers used for these (as printed on the discs) are indicated below the entries.

**Interesting Details** Below each entry, I've included any interesting details I feel are necessary to know. These can be anything from a note on the type of release, to the name the game was released under in other regions, to the contents of a Limited edition.

**Rarity and Expense** If there's one detail about this guide that I have procrastinated about more than other, it is how best to indicate the Rarer and more Expensive titles for the console. A guide to *rarity* is one thing – after all, the games were produced, for the most part, well over a decade ago now, and keeping an eye on the usual channels will give a pretty good idea of just how often certain titles come up. The *cost* of such games is somewhat different. Some of the DC shmups so coveted by collectors are pretty common – no game which comes up on a weekly basis can be honestly called rare – but command decent prices. Any list indicating the relative costs of DC releases would also be somewhat dependent on market prices; re-releases of games can push up or push down prices of the originals, for instance.

I still however feel it's needed to indicate which of the titles in this guide are either rare or consistently costly. For this reason, I've included a simple indicator for this next to the check box for each game in the guide. I've split this into 2:

Rarity:

The letter R, unsurprisingly, is used for this indicator:

**r** A small r indicates a game which is of an average rarity. This includes most White label promo discs, most bundle and promotional discs as well as many retail releases. These will come up for sale, but not at a constant or predictable rate. Not all of these will be all that expensive.

**R** A Capital R indicates a game which is very rare. These are the sort of titles that you'll be lucky to see come up more than once a year at most, and were almost certainly of extremely limited print runs.

**R** A bold Capital R indicates an extremely rare game. This is reserved for the few DC games that hardly ever appear for sale, are held by a few select individuals and are probably limited to a very few in existence.

For the Expensive games, you may not be that surprised to see the letter E used:

**e** A small e indicates games which are about the price of a new release game on a current gen console. With games being priced differently depending on the region you live in (US games will after all cost a little less if you live in North America, compared to how much it may cost you, with import charges and the like, if you happen to live in Europe), the small e will be used for titles that generally cost the same price as a new release in the UK – so around the £40-£50 mark.

**E** A capital E indicates games which are the next step up price wise. Costing generally anything up to 3 times the cost of a current new release.

**E** A bold E will indicate those few DC games that cost above the sort of level even the most ardent collectors would classify as 'reasonable'. We're talking big numbers here, pushing into the price bracket of modern consoles let alone games, and sometimes even way beyond. Unlike some retro console collections, the DC thankfully has few of these sorts of games.

The Rarity and Expense guide here is simple and brief, and certainly not a definitive guide. As with all price guides, these do change over time, so stick to the general rule of collecting whenever you can - a game is worth as much as you are willing to pay for it. That way, you, and your bank balance, will have an easier time of things.

So that's how the main guide here works. 1660 titles + (what with all the new titles being released at a steady trickle). It's been a relatively long process to go through each and every title, but it's been an enjoyable and educational one!

Happy DC Collecting, and keep dreaming!

Mike Phelan (Space\_turnip) (2015) (*version 1.7 December '15*)

About Me: An Avid DC collector, I'm aiming for a complete DC collection which is currently on track to be completed sometime in about mid 2025... Hardcore Punk connoisseur, Trekkie, Star Wars Fan, Sonic Collector, Gamer, compulsive list maker and all round Sega Fan Boy.  
Favourite DC games are Le Mans, Zero Gunner 2 and Shenmue, but that no doubts every day.

A number of sites have been useful in compiling this list, without them it would have simply been impossible. My thanks to:

**The Dreamcast Junkyard** – ([www.thedreamcastjunkyard.co.uk](http://www.thedreamcastjunkyard.co.uk)) – 'The Best Dreamcast Blog on the Internet' and who am I to argue with that? Now celebrating 10 years in existence, the Junkyard had a hugely active 2015, including publishing this very guide and creating the excellent DreamPod podcast, keeping it at the very centre of the DC community.

**Retro Collect** ([www.retrocollect.com](http://www.retrocollect.com)) – Superb site with in depth collecting tracking features, a growing helpful community and an ever increasing deep database of information. Proved especially useful for European regional variants and specific languages for each release. Regulars at Retro events up and down the country.

**Guardiana** ([www.guardiana.net](http://www.guardiana.net)) – 'The Sega Retro Database', and I'm not going to argue with that. Massive amount of info available on releases, and essential for any fan of retro Sega gaming. French based, but easily accessible no matter what language you speak. Proved especially useful for some of the more obscure Japanese releases listings, and it's in depth master list for the DC was hugely helpful.

**Sega-DC.de** ([www.sega-DC.de](http://www.sega-DC.de)) – German site which has massive amounts of info on the Dreamcast. Specific help for Magazine cover disc listings and White Label Promo disc listings. Although not complete, and with a particular language barrier for non-German users, Sega-DC is a hugely impressive and informative destination for all DC fans.

**Segagaga Domain** – ([www.segagagadomain.com](http://www.segagagadomain.com)) – A long standing site which has plenty of short reviews for many games released on Sega systems. Proved helpful especially for Limited edition Japanese release contents.

**Gamefaqs** – ([www.gamefaqs.com/dreamcast/](http://www.gamefaqs.com/dreamcast/)) - Helpful to a generation or two of gamers with their user-created guides, Gamefaqs also contains several listings for DC games which were massively helpful. KinsukeJP's list of Japanese released games was excellent at getting some details on Japanese releases.

**SegaAge** – ([www.segaage.com](http://www.segaage.com)) – Useful in getting info on US releases, it's the forums in particular that have been particularly helpful, especially when it comes to the US variants of DC releases.

**Executter.info** – (<http://executter.info/>) Personal site of the user 'Executter', his work on a thoroughly detailed White label listing should be commended.

**Segaretro** - ([www.segaretro.org](http://www.segaretro.org)) A detailed and expansive wiki with nearly 8,000 entries, and a huge amount of info on the Dreamcast as well as other Sega machines.

Special thanks to Tom of the Dreamcast Junkyard who didn't dismiss my initial e-mail to him out of the blue regarding this Guide, and has been a huge help in getting this guide out of my head and into your hands. He's also one of the nicest guys in the DC scene and does more to keep the dream alive than any of us could even contemplate.

And finally, my thanks and love to my Fiancée Leanne – I promise to focus more on the wedding and less on the Dreamcast now!

Change List:

- 0.9 November '13 First release of the list. One list, the forerunner of the Detailed List, with far less detail.
- 1.0 First 'public' release of the list, which increased the Detailed list significantly.
- 1.1 Addition of 'Single Game Worldwide Checklist'
- 1.2 Vast improvement of Detailed List. Many error corrections. Addition of 'interesting' notes to detailed list.
- 1.3 Addition of White Label List, PAL variant guide.
- 1.4 Corrections and additions. Latest release games added. Upcoming Games section added.
- 1.5 Change to opening of guide. Addition of extra lists, US, Japanese, Unlicensed and PAL Guide. Japanese language accessibility list created.
- 1.6 Addition of Japanese game-by-code listing, updated game listing with new releases added, Updated and expanded Upcoming Games section, Re-ordered lists, minor error changes. Finalised version for Guide Publishing.
- 1.7 Minor fixes, changes and additions

**AeroWings 2: Airstrike** EU EWLP -  r

*White Label Codes: 950-0121-50 / 952-0113-50*

*AeroWings 2 is the Western release name of 'Aero Dancing F'*

**After... ~Wasureemu Kizuna~** JP JPN T-18705M  r

**After... ~Wasureemu Kizuna~** JP JPN-L T-18706M  r

*Standard edition in DVD style case; limited edition comes with extra patch and there's an extra bit of Japanese text beneath the title on the front cover.*

**Aikagi** JP JPN T-20130M

**Aikagi** JP JPN-L T-20131M  r

*'Adult Novel' style game. Only difference appears to be a slightly different spine (although I'm sure there may be something different on the inside too!)*

**Air** JP JPN T-20112M

**Airforce Delta** NA US T-9501N

**Airforce Delta** NA BRA 197136  Re

*The Brazilian release can be distinguished by the mash up of Japanese and US style covers, especially from the orange quarter circle containing the DC swirl in the bottom left of the cover.*

**Airforce Delta** JP JPN T-9502M

**Airforce Delta** JP JPN-D T-9510M

*Dorikore version easily identifiable as it is one of the 6 Dorikore releases that has the White and Orange bordered cover.*

*PAL release titled 'Deadly Skies'*

**Akihabara Dennou Kumi** JP JPN HDR-0019

**Pata Pies!**

**Alice's Mom's Rescue** WW HBW AMRJP-1

**Alice's Mom's Rescue** WW HBW-L AMRLE-1

*Hucast unlicensed release. The standard release is in a Jewel case, whilst the Limited Edition is in a DVD case with soundtrack CD.*

**Alien Front Online** NA US-L 51171

*This US exclusive only ever saw a release in it's oversized box with Microphone, as far as I can tell.*

**Alone in the Dark:** NA US T-15117N

**The New Nightmare**

**Alone in the Dark:** EU E T-15112D-05

**The New Nightmare**

**Alone in the Dark:** EU F T-15112D-09

**Alone in the Dark:** EU G T-15112D-18

**The New Nightmare**

**Alone in the Dark:** EU I/S T-15112D-60  r

**The New Nightmare**

*All versions of Alone in the Dark, are on 2 discs.*

*Each of the PAL versions of Alone in the Dark have language specific Discs and Instructions. The front covers are all the same, with different rear covers.*

**Angel Present** JP JPN T-20107M

**Angel Wish: Kimi no Egao** JP JPN T-18712M

**ni Chu**

**Angel Wish: Kimi no Egao** JP JPN-L PIO-05202  r

**ni Chu**

*Late Japanese release, the standard version comes in a DVD style case, whilst the Limited edition comes in a deeper box and includes lots of nice little extras – including a mouse mat.*

**Animastar** JP JPN T-34101M

**Aqua GT** EU E/F/G T-40509D-50  e

**Armada** NA US T-40301N

*Despite some apparent 'PAL' reviews in magazines of the time, Armada is a US only release, and no white label or European release was ever made.*

**Army Men: Sarge's Heroes** NA US T-9715N

**Army Men: Sarge's Heroes** EU D/F/G T-9708D-51

**Army Men: Sarge's Heroes** EU E/I/S T-9708D-61

*The two PAL versions of Army Men: Sarge's Heroes have the same disc, but different Manuals in the languages listed.*

**Atari Anniversary Edition** NA US T-15130N

*Atari Anniversary Edition came with a nice Atari sticker in the case.*

**Atelier Marie & Elie ~Salburg** JP JPN T-44701M  r

**no Renkinjutsushi 1 & 2~**

*Another Japanese release which never saw a 'standard' release as such, but which came in an oversized box which includes a Phone strap and charms. Some sites do claim a 'standard' Jewel case release as well, but these are from the boxed version.*

**Atsumare Guru Guru Onsen** JP JPN HDR-0015

**Atsumare Guru Guru Onsen** JP JPN-L HDR-0120

*The limited release came out 2 years after the standard edition and comes with a web money card for the*

game.  
**Atsumare Guru Guru Onsen BB** JP JPN HDR-0121   
*Possibly just an updated version of Atsumare Guru Guru Onsen, probably with the 'BB' referring to Broadband?*  
**Atsumare Guru Guru Onsen 2** JP JPN HDR-0168   
**Atsumare Guru Guru Onsen 3** JP JPN HDR-0195   
*Both 2 and 3 of this series are probably more correctly titled 'Guru Guru Onsen', without the Atsumare, however sources differ.*

**B**  
**Bakumatsu Roman Dainimaku** JP JPN T-3107M   
**Gekka no Kenshi – Final Edition**  
**Bakumatsu Roman Dainimaku** JP JPN-O T-47301M   
**Gekka no Kenshi – Final Edition**  
*Released in the US as 'The Last Blade 2'. The second release here is the 'Best Buy' budget re-release, which has a different cover (a White colour scheme rather than the black that the original, and US release of Last Blade 2, share. Also known simply as 'Gekka no Kenshi – Final Edition'*  
**Bakuretsu Muteki Bangaioh!** JP JPN T-38702M   
*Japanese release title of 'Bangai-O'*  
**Baldr Force EXE** JP JPN T-47110M  e  
**Baldr Force EXE** JP JPN-L T-47110M  re  
*Although not usually listed with a limited edition version, it appears that there was a Sega Direct version which had the same game case, but came with a Telephone card, poster and a figure of the main Mech in the game. A late DC release.*

**Bang! Gunship Elite!** NA US T-44102N   
**Bangai-O** NA US T-40217N  e  
**Bangai-O** EU D/E/F/T-7011D-50   
 G/I/S

*Bangai-O was the western name of the Japanese release 'Bakuretsu Muteki Bangaioh!'*  
**Bass Rush Dream** JP JPN T-5801M  r  
**Battle Beaster** JP JPN T-43801M   
**Berserk** JP JPN T-2101M   
*Released in the US and Europe as 'Sword of the Berserk: Guts' Rage'*  
**BikkuriMan 2000** JP JPN T-41801M   
**Biohazard 2 Value Plus** JP JPN T-1214M   
*Japanese release of 'Resident Evil 2'. The value plus refers to the fact that this was a port of a PS1 game with extra Extreme Battle mode, and probably in reference to the inclusion of the Code Veronica trial edition disc, which is known for having a nice Sound museum mode with various tracks from Biohazard games.*

**Biohazard 3 Last Escape** JP JPN T-1222M   
*Japanese release of 'Resident Evil 3 Nemesis'*  
**Biohazard -CODE : Veronica-** JP JPN T-1207M   
**Biohazard -CODE : Veronica-** JP JPN-L T-1210M   
**Biohazard -CODE : Veronica-** JP JPN-O T-1240M   
*Japanese release of 'Resident Evil Code : Veronica'. The Limited release comes in a red slip-case and comes with a small red box containing a Metal card – this was for those who had pre-ordered the game. The 'JPN-O' release is listed as 'Other' due to the fact that it is in fact a slightly different version of the game, the equivalent of the 'Game of the Year editions' that the west now gets – it contains new FMV's and different packaging.*

*(For the 'Bird Cage Kapitel' series of 6 games, see the entries for 'Grauen no Torikago', 1 to 6)*  
*(For 'Bitter Sweet Fools' see the first entry in the 'Simple 2000' series.)*  
**Le Bizarre Avventure Di JoJo** EU I T-7007D-13   
*Italian only release of 'JoJo's Bizarre Adventure'*  
*Same disc as the Europe-wide release.*

**Black/Matrix Advanced** JP JPN T-20101M   
**Black/Matrix Advanced** JP JPN-D T-20101M   
*Black/Matrix Advanced Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper.*

**Blue-Sky-Blue** JP JPN T-23205M   
**Blue-Sky-Blue** JP JPN-L T-23204M  r

The Italian/Spanish release of Dave Mirra is one of the titles with no actual code on the spine. On the rear cover, the code seems to indicate an Italian release (-13), but this is both Spanish and Italian.

All PAL versions of Dave Mirra share the same disc but have different Instruction booklets.

<b>Dave Mirra Freestyle BMX</b>	EU	EWLP	-(clamshell case)	<input type="checkbox"/>	r
---------------------------------	----	------	-------------------	--------------------------	---

White Label Codes: 950-0130-50 / 952-0122-50

As an Acclaim release, this white label release comes in a clamshell case.

<b>Daytona USA</b>	NA	US	51037	<input type="checkbox"/>	
<b>Daytona USA</b>	NA	BRA	(unknown)	<input type="checkbox"/>	RE

Not listed on many sources, the Brazilian release of Daytona USA is certainly not clear. In fact, there appears to be a single solitary picture on the internet of it, and this doesn't show the back cover, and those sites that do list it as released (inevitably Portuguese language sites) have very little information, including a lack of any sort of serial code. Nevertheless, I'm including it here until definitive proof of it's non-existence can be established. Suffice to say, if it does exist, it's going to be a very rare one indeed.

<b>Daytona USA 2001</b>	JP	JPN	HDR-0106	<input type="checkbox"/>
<b>Daytona USA 2001</b>	EU	E/F/G/S/i	MK-51037-50	<input type="checkbox"/>

Daytona USA 2001 includes Italian instructions in the booklet, but not on the rear cover.

<b>Daytona USA 2001</b>	EU	EWLP	-	<input type="checkbox"/>	r
-------------------------	----	------	---	--------------------------	---

White Label Codes: 950-0156-50 / 952-0151-50

Daytona USA 2001 and Daytona USA are the same game; the North American release simply drops the 2001 from the title.

<b>Dead or Alive 2</b>	NA	US	T-3601N	<input type="checkbox"/>	
<b>Dead or Alive 2</b>	NA	BRA	197120	<input type="checkbox"/>	re

The Brazilian release can be distinguished by the mash up of Japanese and US style covers, especially from the orange quarter circle containing the DC swirl in the bottom left of the cover.

<b>Dead or Alive 2</b>	JP	JPN	T-3602M	<input type="checkbox"/>
------------------------	----	-----	---------	--------------------------

Bonus section differs from the European and US releases (which, unusually for a Japanese developed game, saw a DC release in the west before Japan).

<b>Dead or Alive 2</b>	JP	JPN-L	T-3601M	<input type="checkbox"/>
------------------------	----	-------	---------	--------------------------

This limited edition is on a picture disc and includes extra content.

<b>Dead or Alive 2</b>	EU	E	T-8116D-05	<input type="checkbox"/>
<b>Dead or Alive 2</b>	EU	G	T-8116D-18	<input type="checkbox"/>
<b>Dead or Alive 2</b>	EU	D/F	T-8116D-59	<input type="checkbox"/>
<b>Dead or Alive 2</b>	EU	I/S	T-8116D-60	<input type="checkbox"/>

All PAL versions of Dead or Alive 2 share the same disc but have different Instruction booklets.

<b>Dead or Alive 2</b>	EU	EWLP	(blue)(clamshell)	<input type="checkbox"/>	r
------------------------	----	------	-------------------	--------------------------	---

<b>Deep Fighter</b>	EU	F	T-17704D-09	<input type="checkbox"/>

Deep Fighter comes on 2 discs.

The 3 versions have separate discs and Instruction booklets.

<b>Dejiko No Maibura</b>	JP	JPN	T-44601M	<input type="checkbox"/>
--------------------------	----	-----	----------	--------------------------

More of a software release with many internet features based around the "Di Gi Charat" (also known as Dejiko) manga/Anime.

<b>De La Jet Set Radio</b>	JP	JPN	HDR-0186	<input type="checkbox"/>	
<b>De La Jet Set Radio</b>	JP	JPN-L	HDR-0128	<input type="checkbox"/>	RE

This D-direct limited edition is a highly sought after release. Coming in a larger package, it also contains a T-shirt.

<b>De La Jet Set Radio</b>	JP	JPN-D	HDR-0212	<input type="checkbox"/>
----------------------------	----	-------	----------	--------------------------

De La Jet Set Radio's Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper.

De La Jet Set Radio is the Japanese re-release (which includes the content from the western releases) of Jet Set Radio. The Front covers of De La Jet Set Radio is most obviously distinguished from the original JSR release by the appearance of Gum rather than Beat. I'm not listing De La Jet Set Radio as a separate entry for the 'Single Game Checklist', due to the similarities with the Western releases. In effect, if

anything, it would be the original Jet Set Radio releases in Japan that would be separated from the other releases.

<b>Demolition Racer – No Exit</b>	NA	US	T-15112N	<input type="checkbox"/>
<b>Denpashonenteki</b>	JP	JPN	T-14305M	<input type="checkbox"/>

**Kenshoseikatsu Soft Nasubi**

<b>No Heya</b>

**Kousoku-hen 3000 Bandai**

Although the only game compatible with the Densha De Go controller, this was only released on it's own and not in any form of pack with the controller.

Also known simply as 'Densya De Go 2!' or 'Densha De Go 2!'

<b>deSpiria</b>	JP	JPN	T-14402M	<input type="checkbox"/>	
<b>Di Gi Charat Fantasy</b>	JP	JPN	T-46301M	<input type="checkbox"/>	
<b>Di Gi Charat Fantasy</b>	JP	JPN-L	T-46301M	<input type="checkbox"/>	r

Limited edition of Di Gi Charat fantasy comes in a larger box and includes an extra disc as well as a calendar and a VMU.

(For 'Digital Keiba Shinbun Maitorakkuman' see the entry for 'My Trackman')

<b>Dino Crisis</b>	NA	US	T-1217N	<input type="checkbox"/>
<b>Dino Crisis</b>	JP	JPN	T-1220M	<input type="checkbox"/>
<b>Dino Crisis</b>	EU	E	T-7019D-05	<input type="checkbox"/>
<b>Dino Crisis</b>	EU	S	T-7019D-06	<input type="checkbox"/>
<b>Dino Crisis</b>	EU	F	T-7019D-09	<input type="checkbox"/>
<b>Dino Crisis</b>	EU	I	T-7019D-13	<input type="checkbox"/>
<b>Dino Crisis</b>	EU	G	T-7019D-18	<input type="checkbox"/>

The 5 PAL regions of Dino Crisis have different Discs and Instruction booklets.

<b>Dino Crisis</b>	EU	Ebc	-	<input type="checkbox"/>	r
--------------------	----	-----	---	--------------------------	---

This Ebc is one of the Promotional releases. Should have a sticker on the front, and the disc itself will have a code starting with P and 'Promotional Copy' – not for resale' printed on the inner section of the disc.

(For 'Disney/Pixar's Buzz Lightyear of Star Command' see the entry for 'Buzz Lightyear of Star Command')

(For 'Disney/Pixar's Toy Story 2 – Buzz Lightyear to the Rescue' see the entry for 'Toy Story 2')

<b>Disney's Dinosaur</b>	NA	US	T-17717N	<input type="checkbox"/>
<b>Disney's Dinosaur</b>	EU	F	T-17718D-09	<input type="checkbox"/>
<b>Disney's Dinosaur</b>	EU	E/F/G/I/S	T-17718D-84	<input type="checkbox"/>
<b>Disney's Dinosaur</b>	EU	E/F/G/I/S	T-17718D-99	<input type="checkbox"/>

The -84 and -99 releases are both multilingual in the 5 main DC European languages. As far as I can tell, there's no difference between them as they share the same Disc and Instructions. There also may be a release with a -09 code which would denote a French only release, although info on this is sketchy.

<b>Disney's Dinosaur</b>	EU	EWLP	-	<input type="checkbox"/>	r
--------------------------	----	------	---	--------------------------	---

White Label Codes: 950-0104-50 / 952-0098-50

Sometimes referred to simply as 'Dinosaur'

(For 'Disney's Donald Duck Quack Attack' see the entry for "Donald Duck Quack Attack')

<b>Dogu Senki -Haoh-</b>	JP	JPN	T-9101M	<input type="checkbox"/>
<b>Doki Doki Idol Star Seeker</b>	JP	JPN	T-46701M	<input type="checkbox"/>

**Remix**

<b>Donald Duck Goin' Quackers</b>	NA	US	T-17719N	<input type="checkbox"/>
<b>Donald Couak Attack</b>	EU	F/I/S/d/e	T-17714D-75	<input type="checkbox"/>

This is the French/Italian/Spanish release of 'Donald Duck Quack Attack'. From what I can tell, the only differences between the versions is the cover itself, which has the different title.

<b>Donald Duck Quack Attack</b>	EU	D/E/G/f/i	T-17714D-05	<input type="checkbox"/>
---------------------------------	----	-----------	-------------	--------------------------

<b>Donald Duck Quack Attack</b>	EU	D/E/G/f/i	T-17714D-74	<input type="checkbox"/>
---------------------------------	----	-----------	-------------	--------------------------

There appears to be absolutely no difference between these 2 versions other than the coding being different.

All 3 versions of Donald Duck, including the French/Italian/Spanish one, have the same instructions and Disc but the French/Italian/Spanish release has a differently titled cover.

<b>Dousoukai 2 Again &amp; Refrain</b>	JP	JPN	T-20113M	<input type="checkbox"/>
<b>Dousoukai 2 Again &amp; Refrain</b>	JP	JPN-D	T-20113M	<input type="checkbox"/>

Dousoukai 2 Again & Refrain's Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper.

<b>Draconus : Cult of the Wyrn</b>	NA	US	T-40203M	<input type="checkbox"/>

<b>Evil Dead: Hail to the King</b>	EU	F/G	T-10005D-83	<input type="checkbox"/>	
<i>The 3 PAL releases of Evil Dead appear to have overlapping regions, and have different discs depending on the languages. The manual is shared between them.</i>					
<b>Evil Twin</b>	EU	E/F/G/S	T-46605D-71	<input type="checkbox"/>	
<b>Evil Twin</b>	EU	E/F/G/S	T-46605D-80	<input type="checkbox"/>	
<i>The -71 version and -80 version appear identical apart from the back cover having the order of the language blurbs different - in the -80 it's English, French, German and Spanish, whilst the -71 is German, English, French and Spanish. The discs are also different pressings, although both versions share the same manual.</i>					
<b>Evil Twin</b>	EU	EWLP	-	<input type="checkbox"/>	r
<i>White Label Codes: 950-0190-50 / 952-0180-50</i>					
<i>Also known as 'Evil Twin: Cyprien's Chronicles'</i>					
<b>Evolution</b>	NA	US	T-17706N	<input type="checkbox"/>	

Subtitled 'The World of Sacred Device'

**Evolution** JP JPN T-38701M

Also known as Shinkisekai Evolution

**Evolution** EU E/S T-17705D-50 (\*1)

**Evolution** EU F/G/I T-17705D-50 (\*2)

The first E50 has English and Spanish text on back, the second has French, German and Italian. The serial codes are different (the English/Spanish ends with 88, the French/German/Italian ends with 87). Both versions have the same disc but different instruction booklets.

**Evolution** EU EWLP -  r

White Label Codes: 950-0056-50 / 952-0053-50

All PAL Evolution's subtitled 'The World of Sacred Device'

**Evolution 2** NA US T-17711N

Subtitled 'Far Off Promise'

**Evolution 2** JP JPN T-38703M

Also known as Shinkisekai Evolution 2

**Evolution 2** EU E/F/G/I/S T-45005D-50  rE

**Evolution 2** EU EWLP -  rE

White Label Codes: 950-0171-50 / 952-0164-50

Evolution 2 is subtitled 'Far Off Promise'

**Exhibition of Speed (E.O.S.)** EU D/E/F/G T-22903D-50

**Exhibition of Speed (E.O.S.)** EU Ebc -  r

This Ebc is one of the Promotional releases. Should have a sticker on the front, and the disc itself will have a code starting with P and 'Promotional Copy - not for resale' printed on the inner section of the disc.

Also known simply as 'E.O.S.' or 'E.O.S. - Exhibition of Speed'

**Exodus Guilty NEOS** JP JPN T-44404M

**Expendable** NA US T-15104N

**Expendable** JP JPN T-15003M

Also known as 'Millennium Soldier: Expendable' in PAL territories.

**F1 Racing Championship** EU D/E/F/G/ I/S T-17706D-50

**F1 Racing Championship** EU EWLP -  r

White Label Codes: 950-0127-50 / 952-0120-50

**F1 World Grand Prix** NA US 51030

**F1 World Grand Prix** JP JPN T-3001M

**F1 World Grand Prix** EU E/F/G/S/i T-3001D-50

F1 World Grand Prix includes Italian instructions in the booklet, but not on the rear cover.

**F1 World Grand Prix** EU EWLP -  r

White Label Codes: 950-0017-50

Not to be confused with the F1 World Grand Prix 'Redbull Demo'

**F1 World Grand Prix 'Redbull Demo'** EU EWLP -  RE

White Label Codes: unknown

The F1 World Grand Prix 'Redbull Demo' seems to be a rather rare white label. I've seen very few come up and little information appears to exist on it.

F1 World Grand Prix should technically be called 'F1 World Grand Prix for Dreamcast'

**F1 World Grand Prix 2** JP JPN T-3002M

**F1 World Grand Prix 2** EU E/F/G/I/S T-3002D-50

**F1 World Grand Prix 2** EU EWLP -

White Label Codes: 950-0083-50 / 952-0079-50

F1 World Grand Prix II should technically be called 'F1 World Grand Prix II for Dreamcast'

**F355 Challenge: Passione** NA US T-8119N

**Rossa** JP JPN HDR-0100

**F355 Challenge: Passione** EU E T-8118D-05

**Rossa** JP JPN HDR-0100

**F355 Challenge: Passione** EU G T-8118D-18

**Rossa** JP JPN HDR-0100

**F355 Challenge: Passione** EU D/F T-8118D-59

**Rossa** JP JPN HDR-0100

**F355 Challenge: Passione** EU I/S T-8118D-60

**Rossa** JP JPN HDR-0100

As with many of the Italian/Spanish releases, there is no code printed on the spine of the game.

F355's PAL releases share the same Disc but have different instruction booklets.

**F355 Challenge: Passione** EU EWLP -(clamshell case)  r

**Rossa** JP JPN HDR-0100

White Label Codes: 950-0100-50 / 952-0094-50

**Fast Striker** WW HBW NGDT-301-P

DVD style case.

**Fast Striker** WW HBW-L NGDT-301-PLE  e

DVD style case, different artwork than the standard version, and comes with extra disc.

Fast Striker is also referred to as 'Fast Striker 1.5', but this does not denote a different version.

**Fatal Fury: Mark of the Wolves** NA US T-44306N

**Wolves** NA US T-44306N

Released in Japan as 'Garou: Mark of the Wolves'

**Feet of Fury** WW HBW NA008

An independent, unofficial release and one of the Goat Store titles.

**Fighting Force 2** NA US T-36801N

**Fighting Force 2** NA USvar T-36801N

The only difference between the 2 US Fighting Force 2's, is an incorrectly printed SKU on the game insert, which meant the original shared Toy Commander's SKU. The variant isn't a re-print however, as it uses a sticker on the SKU (on the actual inlay) to give the correct one. As with many of the US variants, this is a rather small variance.

**Fighting Force 2** EU E T-36802D-05

**Fighting Force 2** EU G T-36802D-18

**Fighting Force 2** EU D/F T-36802D-59

The PAL versions of Fighting Force 2 have different discs and instruction booklets.

**Fighting Force 2** EU EWLP -  r

White Label Codes: 950-0033-50

**Fighting Vipers 2** JP JPN HDR-0133

**Fighting Vipers 2** JP JPN-D HDR-0133

Fighting Vipers 2's Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper.

**Fighting Vipers 2** EU E/F/G/S MK-51154-50

**Fighting Vipers 2 (Beta)** EU EWLP -  r

White Label Codes: 950-0142-50 / 952-0135-50

Despite the '(Beta)' in the title, the game is identical to the standard European release, content wise.

**Fire Pro-Wrestling D** JP JPN T-18805M

**Fire Pro-Wrestling D** JP JPN-L T-18804M

Listed by some sources as having 2 separate releases, and others as just having the Limited release, the difference here is the inclusion of a Bonus trading card in the Limited version. The Limited also seems to be somewhat more abundant.

**First Kiss Story 2** JP JPN T-46305M

**First Kiss Story 2** JP JPN-L T-46304M  r

Limited edition appears to include the first 'First Kiss Story' game as well as some postcards, all in a larger box.

**Fish Eyes | Wild** JP JPN T-9105M

US version called 'Reel Fishing | Wild'

**Flag to Flag (CART)** NA US 51007

**Flag to Flag (CART)** NA BRA 197106  re

The Brazilian release can be distinguished by the mash up of Japanese and US style covers, especially from the orange quarter circle containing the DC swirl in the bottom left of the cover.

Released in Japan as 'Super Speed Racing'.

**The Flintstones - Viva Rock Vegas** EU EWLP -  RE

**Vegas**

White Label Codes: 950-0183-50 / 952-0174-50

The Flintstones - Viva Rock Vegas was one of the few DC games that never got a release, but which many DC collectors will have a copy of. Available on download sites in it's fully realised state, many will of downloaded to a CD-R and enjoyed the game...well, enjoyed is a bit much maybe. Nevertheless, unlike Half Life and Propeller Arena (the latter having no 'proper' release, the former only having a Video White label), Flintstones does have a White Label release which contains the entire game, showing how close the game was to being released at retail. It's a particularly uncommon White Label, with only a few known to be in existence, and due to this, the price can be rather high when it irregularly comes up for sale.

**Floigan Brothers ep 1** NA US 51114

**Floigan Brothers ep 1** EU E/F/G/S/i MK-51114-50

Floigan Brothers ep 1 includes Italian instructions in the booklet, but not on the rear cover.

**Floigan Brothers ep 1** EU EWLP -

White Label Codes: 950-0182-50 / 952-0172-50

Also known more commonly as 'Floigan Bros.'

**For Symphony : With All One's Heart** JP JPN T-37908M

**Les Fous du Volant** EU F T-15106D-09

The French language release of 'Wacky Races'. It shares the same disc but has separate instructions than the other PAL releases.

**Fragrance Tale** JP JPN T-37904M

**Frame Gride** JP JPN T-34201M

**Freestyle Scooter** EU E T-46604D-50

**Freestyle Scooter** EU EWLP -  r

White Label Codes: 950-0191-50 / 952-0181-50

Released in the US as 'Razor Freestyle Scooter'

**Frog Feast** WW HBW -  RE

A poor game and a poorly produced homebrew release, Frog Feast comes on a CD-R with varying degrees of quality of burn. Allegedly only 200 were produced, and each one is numbered, but there are several instances of the same number appearing on more than 1 copy. Despite these poor production qualities, it is a rare and expensive game that really is only one for the most hardcore of collectors and completists.

**Frogger 2 - Swampy's Revenge** NA US T-40604N

**Revenge**

(For 'Fureai' see the 3<sup>rd</sup> volume of the 'Simple 2000' series)

**Fruit'Y** WW HBW -

Taking a little out of the blue when announced, this release in DVD case comes from Retroguru (a talented collective of coders, responsible for download only DC games such as Xump that deserves some of your time) and DragonBox Shop, and whilst it had a limited amount printed, it was at an incredibly good value price (just a few Euros!).

**Fur Fighters** NA US T-8107N

**Fur Fighters** EU E T-8113D-05

**Fur Fighters** EU I/S T-8113D-13

**Fur Fighters** EU G T-8113D-18

**Fur Fighters** EU D/F T-8113D-59

Fur Fighters 4 PAL releases share the same Disc but have different Instruction Booklets.

**Fur Fighters** EU EWLP -(clamshell case)  r

White Label Codes: 950-0072-50 / 952-0068-50

**Fushigi Dungeon - Furai no Shiren Gaiden: Onnakenshi** JP JPN HDR-0187

**Asuka Kenzan**

**Ganbare Nippon! Olympic 2000** JP JPN T-9511M

**2000**

This is the Japanese release of the PAL and NTSC-U titled 'ESPN International Track and Field'

**Gaia master Kessen!** JP JPN T-1212M

**Gaia master Kessen!** JP JPN-D T-1212M

Gaia Master Kessen!'s Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper.

More correctly known as 'Gaia Master - Kessen! Seiki Oh Densetsu-'

**Gakkyuu Oh Yamazaki** JP JPN HDR-0050

**Garou : Mark of the Wolves** JP JPN T-3108M

**Garou : Mark of the Wolves** JP JPN-O T-47302M

This is the Best Buy budget release which has different cover art.

Garou was released in the West as 'Fatal Fury: Mark of the Wolves'

**Gauntlet Legends** NA US T-9710N

<b>Gauntlet Legends</b>	EU	D/F/G	T-9707D-51	<input type="checkbox"/>

<b>Guilty Gear X</b>	JP	JPN-L	T-2401M	<input type="checkbox"/>	r
<i>With Mini CD 'Type D'</i>					
<i>The Limited edition of Guilty Gear X was the usual first edition Japanese version with a nicely designed picture disc and an extra mini CD containing a single from the game. Now, most sources state that there were 3 oddly shaped mini cd's available (there's not, as far as I know, anyway of knowing which a game contains if it is sealed without opening it up), Type A, Type B and Type C. However, there are numerous references and pictures of a 4<sup>th</sup> type (with a design that matches the illustration on the disc), Type D. Whether the information displayed on most sites (I cannot source a single site that lists 4 types; all examples of Type D seem to be from auction sites or collectors) I don't know, but it's certainly puzzling. For now, I have listed all 4 as separate entries.</i>

<b>Half Life (Video)</b>	EU	EWLP	-	<input type="checkbox"/>	RE
<i>White Label Codes: 950-0124-50 / 952-0117-50</i>					
<i>The Half Life White label is a video only, not a game, which is highly unusual for a White label release. Quite why this was done is one of the many mysteries of Sega Europe's White label output. There are rumours and speculation that a pressed version of the game as a white label may be out there (after all, the game did get many reviews before it was meant to come out), but as of yet no confirmed disc has surfaced. If it did, it would most likely be one of the most sought after DC discs in existence. As for the game itself, highly anticipated at the time, most DC owners who have dipped their toes in the world of DC game downloads will of experienced it, as it widely available in many forms (and indeed, serves as the basis for DC conversions of several PC Half Life mods), and despite some niggles, is a superb version of the classic title.</i>

<b>The Nomad Soul</b>	EU	E	T-36805D-05	<input type="checkbox"/>
<i>The English version of Nomad Soul shares a cover with the Italian/Spanish release, but differs from the others. The disc is a -61 code and is shared by the Italian/Spanish version.</i>				
<b>The Nomad Soul</b>	EU	F	T-36805D-09	<input type="checkbox"/>
<i>The French version of Nomad Soul has a different, and in my opinion far better, cover than all the other European releases except for the Dutch.</i>				
<b>The Nomad Soul</b>	EU	G	T-36805D-18	<input type="checkbox"/>
<i>The German release of Nomad Soul has it's own cover which differs somewhat from the other releases.</i>				
<b>The Nomad Soul</b>	EU	D	T-36805D-47	<input type="checkbox"/> r
<i>The -47 coded PAL version of the Nomad Soul is a bit of an odd one. It's not explicitly clear from many sources what the actual origin of this version is, however it appears that it is a Dutch language release which share it's cover with the French release, although missing the added French subtitle under the games title on the cover.</i>				
<b>The Nomad Soul</b>	EU	I/S	T-36805D-60	<input type="checkbox"/>
<i>The Italian/Spanish release of Nomad soul shares a cover with the English version, but differs from the others. The disc is a -61 code and is shared by the English version.</i>				
<i>The 5 different versions of The Nomad Soul have different discs (although the Italian/Spanish release shares a disc with the English one) and Instruction Booklets.</i>				
<b>The Nomad Soul</b>	EU	EWLP	-	<input type="checkbox"/> r
<i>White Label Codes: 950-0047-61 / 952-0045-61</i>				
<i>English Language version. An interesting note here – a user on the Dreamcast Junkyard Facebook group, James Brown, recently contacted pointing out that his version of this disc ends with a -61 code, not the -05 code that had previously been listed. This makes perfect sense, as the main PAL release was a -61. However, I haven't seen this noted anywhere else, with the English language disc always denoted as -05. There's potentially a -05 disc out there, too, but after some research, I couldn't actually find any physical evidence of this, so because of this, only the -61 code is now listed.</i>				
<b>The Nomad Soul</b>	EU	EWLP	-	<input type="checkbox"/> r

<b>Redux Dark Matters</b>	WW	HBW	-	<input type="checkbox"/>
<i>The regular edition (RE) release of Redux Dark Matters, which comes in a DVD style case. Another 'redesign' of Dux.</i>				
<b>Redux Dark Matters</b>	WW	HBW-L	-	<input type="checkbox"/> re
<i>Limited edition (LE) comes with the Dux 1.5 disc and different Artwork in it's DVD case. The 4 CD complete soundtrack seemed to be available only with this version, however since then this has changed and can be ordered with other versions.</i>				
<b>Redux Dark Matters</b>	WW	HBW-L	-	<input type="checkbox"/> re
<i>Special edition (SE) – Same as Limited edition, but comes in Steel Case.</i>				
<b>Redux 1.1 RE</b>	WW	HBW-O	RDX11RE-JP	<input type="checkbox"/>
<i>The convoluted story of Dux and Redux goes on.... after criticism of the first release of Redux on the Dreamcast, HuCast released a '1.1' version. I believe they had disc only copies to replace copies of the original, for a minimal cost, but they also replaced all versions of Redux with a Regular edition DVD case release. This release features the same artwork as the original, but with the addition of '1.1' next to 'Dark Matters' on the cover, and the new disc.</i>				
<b>Redux 1.1 CE</b>	WW	HBW-O	RDX11CE-JP	<input type="checkbox"/>
<i>HuCast also released this Collectors edition version of Redux 1.1, which comes in a double CD case like the Limited edition Dux 1.5 release. It features exclusive artwork, the Redux 1.1 disc, Dux 1.5 disc, and Redux soundtrack and remix soundtrack CD.</i>				
<i>Both versions of Redux 1.1 are not classed as separate releases from the original Redux, due to them being 'fixed' versions rather than all new ones. The picture quality is improved in 1.1, and some bugs were fixed.</i>				
<b>Reel Fishing   Wild</b>	NA	US	T-44303N	<input type="checkbox"/>
<i>Japanese version released under the name 'Fish Eyes   Wild'.</i>				
<b>Renai Chu! Happy Perfect</b>	JP	JPN	T-47602M	<input type="checkbox"/>
<b>Renai Chu! Happy Perfect</b>	JP	JPN-L	T-47601M	<input type="checkbox"/> r
<i>The standard edition has several extra goodies itself, including a Bonus CD containing movies, wallpapers and music, a metal bookmark, love letter, 2004 Calender and postcards. The Limited edition (a first press edition) should have a full colour picture disc as well as all that.</i>				
<b>Renai Chu! Happy Perfect</b>	JP	JPN-D	T-47602M	<input type="checkbox"/>
<i>Renai Chu! Happy Perfect's Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper. This edition should contain all the extras from the standard release, however, as removing the wrapping will pretty much invalidate the 'Dorikore' nature of the game (as the sticker is the only actual way of knowing), I'm not too sure how many will of checked this.</i>				
<i>Also known as 'Love Chu'</i>				
<b>Rent A Hero No. 1</b>	JP	JPN	HDR-0074	<input type="checkbox"/>

The 3 PAL versions of Re-Volt share a disc but have separate Instruction booklets.

**Re-Volt** EU EWLP -  r

*White Label Codes: 950-0021-50*

**Rez** JP JPN HDR-0178

**Rez** EU E/F/G/S/i MK-51192-50

*There are 2 pressings of Rez, the first having some problems. As far as I know, the only way of knowing which is which is by checking the pressing numbers on the disc itself, as there's no indication of which version is which from the covers alone.*

*The PAL version of Rez includes Italian in the Instruction booklet but not on the rear cover.*

**Rez** EU EWLP -  r

*White Label Codes: 950-0174-50 / 952-0169-50*

**The Ring: Terror's Realm** NA US T-15122N

**The Ring: Terror's Realm** JP JPN T-27902M

**Rippin' Riders** NA US 51010

*Released in Japan as 'Cool Boarders Burrrrr' and in PAL territories as 'Snow Surfers'*

**Roadsters** NA US T-22901N

**Roadsters** EU E T-22901D-05

**Roadsters** EU D/F/G/I/ST-22901D-58

*The 2 PAL versions of Roadsters have the same disc but different Instruction booklets.*

**Roommania #203** JP JPN HDR-0044

**Roommate Asami : Director's Edition** JP JPN T-19508M

*Comes with a Drama CD.*

**Roommate Asami : Director's Edition** JP JPN-D T-19508M  r

*Roommate Asami's Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper. Should come with the same Drama CD that the standard release came with.*

**Roommate Novel : Ryoko Inoue** JP JPN T-19505M

*Comes with 3 character cards and a sheet of stickers.*

**Roommate Novel : Ryoko Inoue** JP JPN-D T-19505M  r

*Roommate Novel : Ryoko Inoue's Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper.*

**Roommate Novel : Ryoko Inoue -Last Scene-** JP JPN T-19506M  r

*A separate standalone release from the other 'Roommate Novel : Ryoko Inoue' title.*

**Roommate Novel : Yuka Sato** JP JPN T-19502M

*Comes with a sheet of stickers.*

**Roommate Novel : Yuka Sato** JP JPN-D T-19502M  r

*Roommate Novel : Yuka Sato's Dorikore release is one of the many where the only indication of it being a Dorikore re-release will be from a sticker on the front of the wrapper. Dorikore release should come with the sheet of stickers of the standard release.*

**Run=Dim As Black Soul** JP JPN T-46201M

**Run=Dim As Black Soul** JP JPN-L T-46202M

*The contents of these 2 versions appears the same other than the addition of a Trading card with the Limited version. However, there's not a huge amount of verifiable info out there, as with many of these Japanese DC releases. The Limited edition may be identifiable by a sticker on the wrapper indicating it is the Limited rather than standard release.*

**Rune Caster** JP JPN T-40001M

**Rune Jade** JP JPN T-14304M

**Rush 2049** EU D/F/G T-9709D-51

**Rush 2049** EU E/I/S T-9709D-61

*The 2 Pal versions of Rush 2049 share a disc but have separate Instruction booklets.*

**Rush 2049** EU EWLP -

*White Label Codes: 950-0084-50 / 952-0080-50*

*Also known as 'San Francisco Rush 2049', which also happens to be the full title of the US release.*

**Rush Rush Rally Racing** WW HBW RRRR-RE

**Rush Rush Rally Racing** WW HBW-L RRRR-DX  r

**Rush Rush Rally Racing** WW HBW-L RRRR-DX-ALT

*The 2 Limited editions are Deluxe versions; the first shares the standard editions cover, whilst the second (with -ALT at the end of the code) bears an alternative 'Night' cover. Both versions come in double Jewel cases with an extra soundtrack cd, stickers and a full colour manual.*

**S**

*(For 'Sakatsuku Tokudai Go' see the entry for 'Let's Make J-League Professional Soccer Club! -Saka-Tsuku Special edition')*

*(For 'Sakatsuku Tokudai Go 2' see the entry for 'Let's Make J-League Professional Soccer Club! 2')*

**Sakura Momoko Gekijou :** JP JPN T-40802M

**Cojicoji**

**Sakura Wars** JP JPN HDR-0072

**Sakura Wars** JP JPN-L HDR-0089  r

*The Limited edition Sakura Wars release seems exceedingly rare, coming in a Landscape orientated larger box with different cover art and a Pink VMU included.*

**Sakura Wars – Memorial Pack** JP JPN-O HDR-0192

*The Memorial Pack releases were later releases of the previous Sakura Wars games, presumably for the hardcore fans of the franchise as well as potential newcomers to the series. This one features the same artwork as the standard release of Sakura Wars but with a Pink background, and includes a magnetic calendar book with interchangeable character cards. Like the other 'Memorial Pack' releases, this is the same game as the earlier release, despite some sources listing it as a separate release. Also note that, like the other Memorial Pack releases, there is often a sticker denoting this is the 'Asian Edition', although there appears to be nothing different from these releases, other than the sticker, to the normal Japanese release of the Memorial pack.*

**Sakura Wars 2** JP JPN HDR-0082

**Sakura Wars 2** JP JPN-L HDR-0108

*The limited edition comes in a larger box with a Pink Puru Puru (vibration) pack.*

**Sakura Wars 2– Memorial Pack** JP JPN-O HDR-0193

*The Memorial Pack releases were later releases of the previous Sakura Wars games, presumably for the hardcore fans of the franchise as well as potential newcomers to the series. This one features the same*

artwork as the standard release of the game, with a pink trim. It comes with a lovely Memorial DVD case with loads of goodies on for fans of the series. Like the other 'Memorial Pack' releases, this is the same game as the earlier release, despite some sources listing it as a separate release. Also note that, like the other Memorial Pack releases, there is often a sticker denoting this is the 'Asian Edition', although there appears to be nothing different from these releases, other than the sticker, to the normal Japanese release of the Memorial pack.

**Sakura Wars 3** JP JPN HDR-0152   
**Sakura Wars 3** JP JPN-L HDR-0147

One of two Sakura Wars 3 limited edition releases, this one comes with a lovely wind up music box in a larger cardboard package. Identical cover art to the other Limited edition, however on the bottom left there is a picture of which limited edition it is indicated by a picture of the contents.

**Sakura Wars 3** JP JPN-L HDR-0148

One of two Sakura Wars 3 Limited edition releases, this one comes with a wooden-style VMU and collectors card all in a larger box. Identical cover art to the other Limited edition, however on the bottom left there is a picture of which limited edition it is indicated by a picture of the contents.

**Sakura Wars 3 Memorial Pack** JP JPN-O HDR-0194

The Memorial Pack releases were later releases of the previous Sakura Wars games, presumably for the hardcore fans of the franchise as well as potential newcomers to the series. This one features the same artwork as the standard release of the game, but with a pale blue background instead of the original's white. It comes in a larger box, and the extra goodies in this release are a picture frame style music box with interchangeable cards. Like the other 'Memorial Pack' releases, this is the same game as the earlier release, despite some sources listing it as a separate release. Also note that, like the other Memorial Pack releases, there is often a sticker denoting this is the 'Asian Edition', although there appears to be nothing different from these releases, other than the sticker, to the normal Japanese release of the Memorial pack. *Sakura Wars* is subtitled 'Is Paris Burning?'

**Sakura Wars 4** JP JPN HDR-0191

**Sakura Wars 4** JP JPN-L HDR-0202

The limited edition release of *Sakura Wars 4* comes in a larger box which shares the cover art of the standard release. Included in this edition is a set of Metal plates/medallions.

**Sakura Wars Complete Box** JP JPN-L HDR-0201  re

Beautiful collection of the first 4 *Sakura Wars* games with extras. Includes a total of 10 discs.

**Sakura Wars Kinematron** JP JPN HDR-0136

#### Hanagumi Mail

E-mail sending and receiving software. May have only be available with the *Sakura Wars* branded DC console.

**Sakura Wars Online – Paris** JP JPN HDR-0185

#### No Nagai Hibi

**Sakura Wars Online – Paris** JP JPN-L HDR-0189

#### No Nagai Hibi

Limited edition comes in a larger box with a large clock.

**Sakura Wars Online – Teito** JP JPN HDR-0184

#### No Nagai Hibi

**Sakura Wars Online – Teito** JP JPN-L HDR-0188

#### No Nagai Hibi

Limited edition comes with Pink Keyboard.

Both versions of *Sakura Wars Online* are similar games with different characters.

Note: All *Sakura Wars* games are also called 'Sakura Taisen', but tend to be labelled with the 'Wars' title. *Sakura Taisen* is the preferred name for the series (I'm not entirely sure why, to be honest), but both are pretty much interchangeable. I've recorded them as 'Wars' here simply as it matches the English writing on the releases.

**Samba de Amigo** NA US 51092

**Samba de Amigo** JP JPN HDR-0063

**Samba de Amigo** EU Ebox MK-51121-50  e

PAL release only ever came in the box with *Maracas*, not as a standalone game (although this is potentially open to debate, as some do state that the game was available on it's own. For now, I've seen no definitive proof of a non-box set release, and besides, the *Maracas* really are rather necessary to get the most out of the game!). However, the code on the game does differ from the box, (MK-51092-50). The Game's case is also in English/French/German and Spanish.

**Samba de Amigo Ver.2000** JP JPN HDR-0131

**San Francisco Rush 2049** NA US T-9707N

Also known simply as 'Rush 2049', which the PAL releases are listed under.

**Sangokushi VI** JP JPN T-7603M

**Sangokushi VI with Power Up Pack** JP JPN T-7607M

#### Pack

Known as 'Romance of the Three Kingdoms IV' in English, the version with 'Power Up Pack' is a later release with extra content. They are listed as separate releases in the context of this and the 'single game' checklist.

**Seaman** NA US-L 51048

**Seaman** JP JPN T-39402M

The standard edition of *Seaman* released in Japan comes in a larger box with a Microphone.

**Seaman** JP JPN-L T-39401M

In edition to the Microphone of the normal edition, the Limited release comes with a VMU as well.

**Seaman : Kindan no Pet 2001** JP JPN-L T-39405M

The 2001 update to *Seaman* includes various improvements and extras, and comes in a box with a Microphone. Various sources list this release as having 2 separate versions, one being a 'Complete Kit'. Only thing is, I can't see any actual physical evidence of there being 2 releases, just this one which is very similar to the standard release of *Seaman* in Japan, but with the '2001' clear on the box cover. For now, then, only one release will be listed here.

**Seaman Guide Book** JP JPN-O 610-7804  re

A book release with a GD-ROM which includes new food for *Seaman*, compatible with either Japanese release. It's not a separate game, so it's status on this list may be somewhat 'controversial', but as with some 'Software' releases (including *Christmas Seaman*) or *Yu Suzuki's Gameworks*, it's a desired and quite rare piece to get a hold of and many completest collectors will feel the need to own it.

**Sega Bass Fishing** NA US 51006

**Sega Bass Fishing** NA US-AS 51006

The *Sega All Stars* release of *Sega Bass Fishing*. Different covers (black on left, in the later US Dreamcast style, rather than the white of the original) and 'Sega All Stars' on disc.

**Sega Bass Fishing** EU E MK-51006-05

**Sega Bass Fishing** EU Ebox MK-51044-05  re

This is the PAL box release of the game plus a fishing rod, which was only released in Australia, and is particularly hard to find.

**Sega Bass Fishing** EU EWLP -  r

White Label Codes: 950-0012-50

*Sega Bass Fishing* was released in Japan as 'Get Bass'

**Sega Bass Fishing 2** NA US 51166

*Sega Bass Fishing 2* was released in Japan as 'Get Bass 2'

**Sega Extreme Sports** JP JPN T-15126M

**Sega Extreme Sports** EU E/F/G/S/i MK-51081-50

*Sega Extreme Sports* includes Italian instructions in the booklet, but not on the rear cover.

**Sega Extreme Sports** EU EWLP -  r

White Label Codes: 950-0095-50 / 952-0089-50

**Sega Extreme Sports** EU EWLP Milka release  re

White Label Codes: 833-0023-50 / 832-0030-50

This was the Milka special edition White label; not really in the same 'series' as the other White Label promos, this was used in special shop pods in Europe during a timed in-store competition sponsored by the chocolate maker. It's codes don't really match the same series of numbers as the other white labels, and it's also somewhat difficult to tell apart from the standard white label of the game (it's contents are significantly different, with only one course, but there's no written indication of this on the front of the disc), with the codes on the disc being the easiest identifier.

*Sega Extreme Sports* was released in the US as 'Xtreme Sports'

**Segagaga** JP JPN HDR-0171

The standard release of *Segagaga*. Available, originally, only from D-Direct. Standard Japanese Jewel case, this came out a month after the DVD style case release that I listed here as an 'Other' release.

**Segagaga** JP JPN-L HDR-0083  re

Released at the same time as the first D-direct release (the DVD case one), this is a larger box Limited edition and one of the more sought after Limited editions. Containing the DVD case release, the White box emblazoned with the SGGG logo also comes with a T-shirt, an Organiser and a wooden box which contains pin badges representing each released *Sega* console.

**Segagaga** JP JPN-O HDR-0151

The Standard D-Direct release, which was released before the Jewel case version. Comes in DVD case.

**Segagaga** JP JPN-D HDR-0171

A dorikore release of the previously hard-to-find *Segagaga*. My version, which is sealed, has an HDR-0171 code, the same as the original Jewel case release, which means it's the typical sticker on the wrapper release. Many sources list an HDR-0214 release for this Dorikore version, which means maybe there is a different version out there as well – at the moment I've seen no verification of this.

**Sega GT** NA US 51053

**Sega GT** EU E/F/G/S MK-51053-50

**Sega GT** EU EWLP -  r

White Label Codes: 950-0103-50 / 952-0097-50

**Sega GT Homologation** JP JPN HDR-0054

#### Special

Comes with a sticker sheet. Homologation Special is the Japanese name of the Western released *Sega GT*, not a separate game.

**Sega Marine Fishing** NA US 51096

**Sega Marine Fishing** JP JPN HDR-0104

**Sega Rally 2** NA US 51019

**Sega Rally 2** NA BRA 197056  re

The Brazilian release can be distinguished by the mash up of Japanese and US style covers, especially from the orange quarter circle containing the DC swirl in the bottom left of the cover.

**Sega Rally 2** JP JPN HDR-0010

**Sega Rally 2** EU E/F/G/S/i MK-51019-50

*Sega Rally 2* includes Italian instructions in the booklet, but not on the rear cover.

**Sega Rally 2** EU Evar MK-51019-50

Although the cases are identical, there's a variant for *Sega Rally 2*, with 2 different coloured discs. One is Pink tinged, the other Grey.

**Sega Rally 2** EU EWLP -  r

White Label Codes: 950-0013-50

**Sega Smash Pack Volume 1** NA US 51146

**Sega Smash Pack Volume 1** NA USvar 51146  r

The variant of *Sega Smash Pack Volume 1* is a Not For Sale release. The disc itself has 'Not for Sale' on it, and the space where the barcode should be is replaced by 'Not for Sale' as well.

**Sega Tetris** JP JPN HDR-0073

**Sega Worldwide Soccer 2000** EU E/F/G/S/i MK-51031-50

*Sega Worldwide Soccer 2000* includes Italian instructions in the booklet, but not on the rear cover.

**Sega Worldwide Soccer 2000** EU EWLP -  r

White Label Codes: 950-0010-50

**Sega Worldwide Soccer 2000: Euro Edition** EU E/F/G/S/i MK-51083-50

*Sega Worldwide Soccer 2000: Euro Edition* includes Italian instructions in the booklet, but not on the rear cover.

**Sega Worldwide Soccer 2000: Euro Edition** EU EWLP -  r

White Label Codes: 950-0060-50 / 952-0056-50

**Seireiki Rayblade** JP JPN T-42201M

Also known more simply as 'Rayblade'

**Sengoku Turb** JP JPN T-38801M

**Sengoku Turb: Fanfan I Love** JP JPN T-38805M

#### My Dance – Doubletandre

**Sentimental Graffiti 2** JP JPN T-20104M

Contrary to the info given on some sites, there are not 12 cover variations for *Sentimental Graffiti 2*. Instead, it appears that these 'Sad Window' editions are promotional, possibly pre-purchase bonuses, which contain a disc with lot's of behind the scenes info and a calendar in an envelope. For a list of these, see the 'Complete Non-Game Dreamcast listing'.

**Sentimental Graffiti :** JP JPN T-20128M

#### Yakusoku

**Seventh Cross** JP JPN T-38802M

**Seventh Cross Evolution** NA US T-41301N

*Seventh Cross* and *Seventh Cross Evolution* are the same game, with 'Evolution' added to the US release.

**Shadow Man** NA US T-8106N

**Shadow Man** EU E T-8104D-05

**Shadow Man** EU I/S T-8104D-05

**Shadow Man** EU G T-8104D-18

**Shadow Man** EU D/F T-8104D-59

The PAL release of *Shadow Man* saw 4 different releases, all of which have separate discs and Instruction Booklets to go alongside the Map which is included in each. The cover art for all versions is the same however.

**Shadow Man** EU Ebc -

Released in a clamshell case with 'Promo only not for re-sale' where the barcode should be. Along with Dead or Alive 2, these seem to be bundle copies released with console packages.

<b>Shanghai Dynasty</b>	JP	JPN	T-9902M	<input type="checkbox"/>
<b>Shenmue</b>	NA	US	51059	<input type="checkbox"/>
<b>Shenmue Limited Edition</b>	NA	US-L	51059	<input type="checkbox"/> re

Sharing the same code as the standard release, this version is identifiable by writing in the top left of the front cover indicating it's inclusion of a Soundtrack CD featuring music inspired by Yu Suzuki.

<b>Shenmue</b>	NA	BRA	197352	<input type="checkbox"/> re
----------------	----	-----	--------	-----------------------------

The Brazilian release can be distinguished by the mash up of Japanese and US style covers, especially from the orange quarter circle containing the DC swirl in the bottom left of the cover. The Brazilian release of Shenmue came in a cardboard slipcase around the Jewel cases.

<b>Shenmue</b>	JP	JPN	HDR-0016	<input type="checkbox"/>
<b>Shenmue</b>	JP	JPN-L	HDR-0031	<input type="checkbox"/>

Japanese Limited edition comes in a blue cardboard slipcase and includes the extra Shenmue Jukebox soundtrack CD as well as the standard release game.

# SINGLE GAME LIST

This checklist lists every DC game with a single check box to show whether it was released in a region – in many cases, more than 1 variant will exist in each region, however this is a good indication if you're a collector just going for one example of every released game. Note: This includes a couple of PAL white labels that never got retail release.

GAME	US	JPN	PAL	WW
#1	4 Wheel Thunder	<input type="checkbox"/>		<input type="checkbox"/>

# UNLICENSED GAMES SECTION

## UPCOMING GAMES

With the Dreamcast refusing to die, Indie developers and publishers are pushing an ever increasing schedule of new releases. Far from being the death of the console when Sega decided to stop support for it's final foray into the hardware market, it signalled the start of a flurry of releases from a dedicated, and talented, scene of bedroom developers. Whilst many remain download only titles that can be burned by users themselves, a large amount get real, physical releases.

As well as, at time of writing, 10 releases joining the DC ranks during the process of this guide being compiled, there seems to be barely a month that passes by without any title added to the upcoming release schedule. This section is, to a large extent, an attempt to 'future proof' this guide, listing the titles that are set for release in the near future.

Each title will be listed in the same way as the complete list and Single game checklist, with all known (or at least planned) versions of the release detailed. Each revision of this guide will transfer any newly released titles from here to the other checklists, and the list below was an accurate future release listing as of December 12th 2015.

Total number of confirmed Upcoming releases: 12

### AGE OF THE BEAST

In development by Senile Team for some time now, Age of the Beast is set to be a spiritual successor to the hugely popular Beats of Rage open-source beat 'em up, that has had more mods made for it by the DC community than I could count. Whether Age of the Beast is set for a DC release or not isn't entirely known, and Senile Team (also responsible for 'Rush Rally Racing' and the download only 'Polyko's Super Jelly Bean Quest in the Sketchbook of Illusion') are keeping their cards close to their chests, but it wouldn't be a surprise if we were to see this as a DC release some time in 2016.

ETA: TBA  
Planned versions: TBA

### ALICE DREAMS TOURNAMENT

Previously known as 'Dynamite Dreams', the renamed Alice Dreams Tournament reflects the project from which this hugely promising Bomberman-like game sprung from. Alice Team began to develop 'Alice Dreams', a modern take on Lewis Carroll's Alice in Wonderland way back in the mid naughties. A platform based adventure title, it showed promise, with downloadable betas a staple part of the homebrew DC scene. As development continued, the team added between level mini games, one of which was inspired by the classic Bomberman. Showing even more potential, the team decided to focus on this mini game, and in 2015, after the name change, launched a kickstarter to fund the release. Funded within 2 days, Alice Dreams Tournament is now set for a June 2016 release, and is looking like an excellent addition to the DC's expanding library.

ETA: June 2016  
Planned versions:

**Alice Dreams Tournament** WW HBW -

*The standard jewel-case release of Alice Dreams Tournament. Currently listed as Kickstarter exclusive, it is likely that the supposed free sale version for non Kickstarter backers will be the same version with minimal packaging changes. Also listed currently as having both US and Japanese packaging variations (with potentially PAL style packaging to come), and these will warrant separate listings in the main list when released, despite all sharing the same disc content.*

**Alice Dreams Tournament** WW HBW-L -

*Much like the standard edition of the game, this Collector edition of Alice Dreams Tournament is presumably going to be available for free-sale at launch, with the regional packaging variations and special Kickstarter packaging warranting separate entries when they do get released. The Collectors edition looks quite nice, in a double CD case, it is set to contain a second disc containing a retro-styled version of the game and the alpha of the original Alice Dreams game.*

*Other versions of the game may be announced, and the developers have reward goals on Kickstarter including a branded console and a lamp to use with their innovative VMU integration, but it's unknown if any of the game releases will be packaged with these items differently, or simply be the same as the other releases.*

Entry in Single Game List:

A14 Alice Dreams Tournament

### AMEBA

Coming from a small team in Spain, Retro Sumus, Ameba is one of two titles they are currently developing for the DC. Set to be a western take on the Visual novel titles so popular in Japan, not a huge amount of info is yet known on the game, but it's a genre that will certainly spice up the shooter-heavy indie DC scene. As the game is still in development, it's unknown just when a release is set, although a kickstarter campaign may be on the agenda.

ETA: TBA  
Planned versions: TBA

### ELYSIAN SHADOWS

Highly anticipated 2D RPG, set for Dreamcast and other platforms, which successfully achieved Kickstarter funding. Although originally planned for late 2015 release, some set backs and personnel changes have delayed the games release – a 2016 release date now seems likely. This ambitious title is set to look and sound the part, and with talk of dynamic lighting, 3D audio effects and the such, as well as frequent updates from the Elysian Shadows team on their 'Adventures in Game development' series of videos, there's plenty to get hyped for.

ETA: 2016  
Planned Versions:

**Elysian Shadows** WW HBW -

*The standard release of Elysian Shadows, for low Kickstarter funders and presumably, for free sale after Kickstarter backers have been fulfilled. Almost certainly will be in 3 different packaging variations, one for each of the regions, which will have 3 separate listings in the main list.*

**Elysian Shadows** WW HBW-L -  R

*The Limited edition of Elysian Shadows, only available to Kickstarter backers (although some do seem to be available to purchase post-Kickstarter still), will come with a whole host of goodies, from chest packaging, Figurine, Soundtrack, Strategy Guide, Papyrus and more! Potentially this too will come in 3 variations, one for each region.*

Entry in Single Game List:

E13 Elysian Shadows

### HYPERTENSION: HARMONY OF DARKNESS

Isotope Softworks have had their classic FPS inspired release on schedules for some years now, but with a new team and some impressive videos released, this Goat Store published release looks set to deliver some much needed First Person shooting action to the console. Taking it's inspiration from the classic arc of late 90's FPS's (Blood, Duke Nukem, Half Life, Doom), and not skimping on the violence and blood content, Hypertension is looking back on track to actually get a release after several previous set backs. Although pencilled in for a 2015 release, it looks increasingly likely that Hypertension will see a 2016 release

ETA: TBA  
Planned versions: TBA

### JAMES & WATCH – TOOTH CRACKER

Ben Lancaster returns with the second of the Game & Watch inspired 'James & Watch' titles. The first ('Arm') was a fun little title, and this follow up looks set to bring some more memories of handheld gaming simplicity to the Dreamcast, some time in early 2016.

ETA: Early 2016  
Planned versions: TBA

### REDUX 2

Hucast's next project is set to be a sequel to Redux, and by extension, potentially, the first real sequel to the original Dux. Although information is still limited at the moment, this has the potential to deliver on many of the promises that some gamers feel weren't fulfilled with Redux. Although the initial release date was set for May 2016, I wouldn't be surprised to see that slip somewhat.

ETA: May 2016  
Planned versions:

**Redux 2** WW HBW RDX2RE-JP

*Regular edition of Redux 2, which comes in DVD case with different artwork than the Limited edition, as well as a manual and a soundtrack CD.*

**Redux 2** WW HBW-L RDX2LE-JP

*Limited edition of Redux 2 which comes in DVD case but with different artwork than the Regular edition, and includes the manual and soundtrack CD. Limited to 1000.*

**Redux 2** WW HBW-L RDX2CE-JP

*Collectors Edition, which contains different artwork and both Standard and Limited edition versions of the game. It also comes with a SuperPlay DVD, an Art book, Sticker Set and 'Preview' Soundtrack CD. Limited to 500 copies.*

Entry in Single Game List:

R12 Redux 2

**SABER RIDER AND THE STAR SHERIFFS**

A licensed adaptation of an 80's Cartoon series being released for the Dreamcast in 2017? Yep, it's a bit of a strange one, but after successfully meeting their stretch goals on Kickstarter, Team Saber Rider will indeed be bringing their retro styled run'n'gun to the Dreamcast. It's early days yet, but with some fantastic 2D art and a talented team behind it, this is set to be one of the biggest new DC releases.

ETA: Q2 2017

Planned versions:

**Saber Rider and the Star** WW HBW -

**Sheriffs**

*The standard release of Saber Rider looks set to be a Japanese-style package, including spine card.*

**Saber Rider and the Star** WW HBW-L -  R

**Sheriffs**

*Although too early to confirm the exact details, this Limited edition looks set to pay homage to the packaging Limited Edition Japanese releases received, and will come with a second CD with the games soundtrack on, as well as a wanted poster and a Sheriff Badge. The games will be limited to just 200 copies.*

Entry in Single Game List:

S1 Saber Rider and the Star   
Sheriffs

**SCOURGE**

Another title from Isotope Softworks, Scourge was the teams project after the initial cease in development on Hypertension – but with the latters renewal, it is now Scourge which has taken the back seat. Tied in, story wise, with Hypertension, it is set to be of a similar theme, and will bring more horror-based FPS action to the DC. No date for release has been set, but Isotope have said that development continues on the title.

ETA: TBA

Planned versions: TBA

**SLAVE**

Announced to tie in with the 15<sup>th</sup> anniversary of the Dreamcast, Slave from developer Jay Townsend, is a retro themed FPS arcade title, high on 8-bit retro stylings and looking rather lovely in video footage. Unfortunately, it's initial release date of April 2015 was missed, with pre-purchasers informed that development had been delayed. Little news has emerged since, but a 2016 release seems likely.

ETA: 2016

Planned versions:

**SLaVE** WW HBW-L -  r

*This Limited edition could perhaps be called the 'standard' release for SLaVE , but it is set to have a limited run of 400 copies.*

**SLaVe** WW HBW-L -  R

*This second limited edition of SLaVE is titled the Limited limited edition, and is restricted to just 84 units which come with additional poster, collectors coin and possibly other items.*

Entry in Single Game List:

S50 SLaVE

**SYDNEY HUNTER & THE CAVERNS OF DEATH**

Collectorvision's successful kickstarter saw a SNES, NES and Wii-U version of this game confirmed, but there are plans to bring the title to a huge range of platforms, and of course the Dreamcast is one of those. Old school platformers are always popular, and with some pedigree behind them, a DC release looks promising.

ETA: TBA

Planned versions: TBA

**XENOCIDER**

The second projected release from Retro Sumus, Xenocider is a homage to Space Harrier, and from the few videos and screen-shots so far released, looks to be a very promising addition to the DC catalogue. Very little info about any potential release plans is available yet, but 2017 seems like a possibility.

ETA: TBA

Planned versions: TBA

Number of Limited Edition Releases	/22
Number of Other Unlicensed Releases	/3
Total Number of All Versions of Unlicensed Releases	/53

A note: This guide only includes games which received a physical release that can, or could, be purchased by the original developers. The DC homebrew scene is a vibrant and exciting one, and there are dozens of ports, demo's and free downloads that should be a part of any DC gamers collection; however, these are not included in any of the lists in this guide. As always, if anyone has any info regarding released titles not included here, get in touch with me!

## JAPANESE GAMES ACCESSIBILITY FOR NON JAPANESE SPEAKERS

One of the barriers for Import Gaming is that of Language. With 360 Exclusive Japanese Games, there are a number of titles where not understanding the language will significantly impede any possible enjoyment garnered from the title. The list below should give collectors who like to play their accumulated games a quick guide to which titles may present an issue.

### Brief Overview:

The titles are divided into 5 Categories.

The **A List** contains games that are fully playable for non-Japanese speakers. Language barrier provides no barrier to the games enjoyment.

The **B List** contains games where a certain amount of understanding would be useful. This can be due to menu options, a bit of in game text, or certain games where there were Western releases, so those familiar with the game may be able to make their way through with minimal difficulty. This will be most Action-based games.

The **C List** contains games that contain significant amounts of text, but which can usually be enjoyed with the help of translation guides. These will be the more significant Japanese RPG's and occasionally some of the Text-heavy visual novels. There may be some non-translated games in this list too, which rely on Text but have elements of more easily understandable Action as well.

The **D List** contains games that are very difficult to enjoy or understand due to heavy emphasis on Text and limited translation guides.

The **E List** contains the games that are, frankly, unplayable, usually due to restrictions due to no longer having access to the Servers, as they were Online-focused games.

### THE A LIST

(Games in **Bold** are Japanese exclusives)

18 Wheeler

#### **Border Down**

Buggy Heat

Capcom Vs SNK Millennium Fight 2000

(PAL/NA release as *Capcom vs SNK*)

#### **Capcom Vs SNK Millennium Fight 2000 Pro**

#### **Capcom vs SNK 2**

The Typing of the Dead

## Under Defeat

US Shenmue

*(Japanese release of US version of Shenmue.)*

## Vampire Chronicle for matching service

Virtua Athlete 2K

## Virtua Cop 2

Virtua Fighter 3tb

Virtual-On Oratorio Tangram

## Yu Suzuki Gameworks Vol.1

## Zero Gunner 2

## Zusar Vasar

## THE B LIST

Aero Dancing feat. Blue Impulse *(PAL/NA release as AeroWings)*

## Aero Dancing: Todoroki Taityou No Himitsu Disc

Aero Dancing F *(PAL/NA release as AeroWings 2)*

## Aero Dancing F: Todoroki Tsubasa No Hatsu Hikou

## Aero Dancing I

## Aero Dancing I: Jikai Saku Made Matemasen

Airforce Delta *(PAL release as Deadly Skies / NA release as titled)*

Bakumatsu Roman Dainimaku Gekka no Kenshi *(NA release as The Last Blade 2)*

Bakuretsu Muteki Bangaioh!

*(PAL/NA release as Bangai-o)*

## Bass Rush Dream

Berserk

*(PAL/NA release as Sword of the Berserk)*

Biohazard 2 – Value Plus

*(PAL/NA release as Resident Evil 2)*

Biohazard 3 Last Escape

*(PAL/NA release as Resident Evil 3)*

Biohazard -CODE : Veronica-

*(PAL/NA release as Resident Evil Code : Veronica)*

Blue Stinger

*(PAL/NA release also)*

## Boku no Tennis Jinsei

## Bomber Hehhe!

*(Guide can be useful)*

Carrier

*(PAL/NA release also)*

Charge n'Blast

*(PAL/NA release also)*

Choukousenki Kikaioh

*(PAL/NA release as Tech Rmancer)*

## Cleopatra Fortune

Climax Landers

*(PAL/NA release as Time Stalkers)*

Cool Boarders Burrrrr

*(PAL release as 'Snow Surfers';*

*NA release as 'Rippin' Riders')*

## Cool Cool Toon

## Culdcept II

*(Guide is useful)*

D2

*(NA release also)*

## Dance Dance Revolution 2<sup>nd</sup> Mix

## Dance Dance Revolution Club Version

## Death Crimson 2

Death Crimson OX

*(NA release also)*

## Densha De Go 2!

*(Menu translation very helpful)*

Dino Crisis

*(PAL/NA release also)*

## Doki Doki Idol Star Seeker Remix

*(General idea of gameplay needed)*

Ecco the Dolphin

*(PAL/NA release also)*

EGG: Elemental Gimmick Gear

*(NA release also)*

Espion-AGE-NTS

*(NA release as Industrial Spy:*

*Operation Espionage)*

Eternal Arcadia

*(PAL/NA release as Skies of Arcadia)*

Evolution

*(PAL/NA release also)*

Evolution 2

*(PAL/NA release also)*

F1 World Grand Prix

*(PAL/NA release also)*

F1 World Grand Prix II

*(PAL release also)*

Fire Pro Wrestling D

*(guide to menu options very useful, but playable without – translation version is downloadable)*

Gundam Battle Online	(with Guide)	Seaman : Kindan no Pet 2001	
Hanagumi Taisen Columns 2	(Guide to understand plot)	Seaman Guide Book	
Heisei Mahjong-Shou	(Mahjong game)	Segagaga	(with Guides/Translations; downloadable translated version will hopefully be available one day!)
Hundred Swords	(Guide essential!)	Sengoku Turb	(with Guide; some trial and error)
Idol Janshi wo Tsukucchaou	(Mahjong game; some trial and error)	Sengoku Turb: Fanfan I Love My Dance - Doubletendre	(lots of trial and error)
Jahmong	(Mahjong game)	Sentimental Graffiti 2	(Guide essential)
Jikkyo Powerful Pro Yakyu – Dreamcast edition-	(Baseball element playable; menus and text will need trial and error)	Shanghai Dynasty	(Mahjong and Shogi game; menu trial and error)
Jinsei Game for Dreamcast	(Japanese version of Game of Life - basic understanding of the board game needed to get enjoyment out of it)	Shin Honkaku Hanafuda	(Hanafuda game, trial and error a necessity)
Jissen Pachislo Hissyouhou @Vpachi	(Slot machine game)	Sorcerian Shichisei – Mahou No Shito	(action elements playable, guide for PC version advisable)
July	(Guide essential)	Sunrise Eiyuutan	(with Guide)
Kanaria	(with Guide)	Super Hero Retsuden	(lots of trial and error, most of the plot will be indecipherable)
Kanon	(with Guide)	Super Robot Wars Alpha	(just about playable with guides/translations/trial and error)
Kita e – Photo Memories	(with Guide. Fan Disc only)	Tanaka Torohiko No Urotoryu Shogi	(Shogi game, menu trial and error)
Kita e – White Illumination	(with Guide)	Toukon Retsuden 4	(with Guide)
Kitahai Gold	(Shogi game)	Treasure Strike	(with Guide)
KiteretsuBoy's Gangagan	(Japanese knowledge is nearly essential, although perseverance and some basic knowledge may be enough)	Tricolore Crise	(with Guide)
Langrissier Millennium	(with Guide/Translation)	UnderCover AD2025 Kei	(with Guide)
Let's Make J-League Professional Soccer Club	(text heavy but Football Manager genre fans may get something out of it)	What's Shenmue	(with guide to understand plot)
Let's Make J-League Professional Soccer Club Saka-Tusku Special Edition	(text heavy but Football Manager genre fans may get something out of it)	Wind – A Breath of Heart	(guide to PC version available online)
Let's Make J-League Professional Soccer Club 2	(text heavy but Football Manager genre fans may get something out of it)	Yukawa Senmu No Otakara Sagashi	(some trial and error required)
Let's Make Japanese professional Baseball Team	(Baseball knowledge needed, text will need lots of trial and error)	Yukyu Gensoukyoku 3 – Perpetual Blue	(some major trial and error required)
Let's Make More Japanese pro. Baseball Team	(Baseball knowledge needed, text will need lots of trial and error)		
Let's Make Jpn. Pro. Baseball Team and Play ball!	(Baseball knowledge needed, text will need lots of trial and error)		
Let's Play with Jpn. Pro. Baseball team on Net!	(Baseball knowledge needed, text will need lots of trial and error)		
Let's Play with Japanese Pro. Baseball Team!	(Baseball knowledge needed, text will need lots of trial and error)		
Love Hina -Smile Again-	(Guide/walkthrough essential)		

## THE D LIST

*(I can find no guides online for any of these games, which grants them the entry into this list. It's possible that I may have missed a guide or two, however, so the best bet if you do want to play one of these, is to have a quick search yourself beforehand)*

21 -Two One-  
After....  
Aikagi  
Akihabara Dennou Kumi Pata Pies!  
Angel Wish  
Atelier Marie & Elie  
Bokuto Bokurano Natsu  
Bounty Hunter Sarah  
Cafe Little Wish Mahou no Recipe  
Candy Stripe  
Canvas  
Card of Destiny  
Cherry Blossom  
Cho Hatsumeji Boy Kanipan  
Close To -Inori no Aka-  
Comic Party  
Dabitsuku

## THE E LIST

*(due to Internet functionality being a major part of these titles, they are pretty much relegated to collectors pieces now)*

Dream Flyer  
Grauen no Tarikago Kapitel 1  
Grauen no Tarikago Kapitel 2  
Grauen no Tarikago Kapitel 3  
Grauen no Tarikago Kapitel 4  
Grauen no Tarikago Kapitel 5  
Grauen no Tarikago Kapitel 6  
JRA PAT for Dreamcast  
My Trackman  
Sakura Wars Kinematron Hanagumi Mail  
Yume Uma Ken '99 Internet

## JAPANESE RELEASE LIST BY CODE

I'm sure many collectors have had the same experience. You manage to win a lot of Japanese only games on eBay, excitedly you open the package to get at the bargain priced games, only to realise that your knowledge of Japanese is non-existent, and you're not entirely sure what the Japanese baseball game hidden amongst the Capcom fighters is, especially as the spine doesn't have any English writing on to easily identify. This section lists all Japanese releases by code, allowing a quick reference guide.

Note: The order of numbers in the list goes by first number and doesn't take into account how many numbers are in the code. For instance, 1011 would be before 210.

<i>(HDR Codes are Sega Published titles)</i>	
HDR-0001	Sonic Adventure
HDR-0002	Virtua Fighter 3tb Limited edition
HDR-0003	Blue Stinger
HDR-0004	Godzilla Generations

# PAL GAMES SECTION

There's a few resources here helpful to PAL gamers.

First there is the "PAL Collectors Checklist", which is an easy to use complete checklist which details every PAL release. It's overkill for most collectors, sure, and for those of us who are only interested in one version of a game in our own language it will seem a little too detailed, but for the complete collectors out there, this is the one to look at.

Following that we have the 'PAL White Label List', which is a complete list of all known white label releases, including codes.

Finally, there's the guide to 'European Regional Differences', which goes through the various packaging variations that PAL gamers must contend with.

## PAL COLLECTORS CHECKLIST

The below list splits PAL releases into 2 sections. Standard releases, and Other releases. For all Standard releases, the languages of release are indicated below. This matches the languages the case indicates. The Other releases will show any other non-standard release for PAL games. For more detail on these releases, see the Detailed List.

Name	Standard Releases	Other Releases
1 4 Wheel Thunder	<input type="checkbox"/> D/F/G <input type="checkbox"/> E/I/S	<input type="checkbox"/> EWLP
2 18 Wheeler	<input type="checkbox"/> E/F/G/S	<input type="checkbox"/> EWLP
3 90 Minutes	<input type="checkbox"/> E/F/G/S	<input type="checkbox"/> EWLP

## EUROPEAN REGIONAL DIFFERENCES

The PAL lineup of Dreamcast games can be a minefield if you're the sort of collector who wants every different regional release. For most collectors, having 5 versions of a game on a shelf which differ just in the languages written on the back inlay of the release, is not high on their priorities. However, some of the regional releases in Europe differ in more ways than just the back cover. This little guide is to help identify which releases have different disc pressings, manual differences or no differences at all.

The following are divided into 2 categories: **Same Disc** releases, which lists all the games which have a single disc for all games released. These are the simplest for collectors and gamers, as one version will give the same results in-game as any other.

The **Different Disc** releases, are the slightly more complicated ones for collectors, as these deal with the various games where the discs themselves are regional specific (for Sports commentary, large amounts of voice work etc).

### **Same Discs:**

#### PAL releases with a single release (112)

18 Wheeler (Sega)  
90 Minutes (Sega)  
AeroWings (Crave)  
AeroWings 2 (Crave)
