Roger Grant Bly
yeah, please let it ride for a bit. I want to test some toy phone things also

1:16am
Christina Holzschuh
ok...i think the teamspeak is good though
try and talk roger
are u still on

1:17am
Dave Hildebrand
Sure, as long as I know somebody's using it for good not evil!

1:17am
Roger Grant Bly
trying...

1:17am
Dave Hildebrand
I try to leave it on in the wee hours when I hear Tommy/Tammi

1:17am

Christina Holzschuh
oh that made it
over

1:17am

Dave Hildebrand
Groovy

1:17am

Christina Holzschuh
I got you on the 26b2

1:17am

Roger Grant Bly
nice!

1:18am

Christina Holzschuh
yeaaaaa
man thats loud
cool, thats louder

1:18am

Roger Grant Bly
no RX on your TS Chris

1:18am

Christina Holzschuh
oops
ok

1:18am

Roger Grant Bly

good

1:19am

Christina Holzschuh

wow, that sounds good

teamspeak is better on the 26b2

1:20am

Roger Grant Bly

wow, that is awesome!

I feel the power :)

1:20am

Christina Holzschuh

I will throw a meter on it tomorrow, make sure its good on the swr..

its not 440 though, so will just have to use this for now..

1:20am

Roger Grant Bly

I'll take it easy on the TX if you leave it on

1:20am

Christina Holzschuh

oh, i think it sounds great..its on low

oh shit

jolly wants to talk

oh shit here we go...he is the master manipulator

oh nooooooooooooo Mr. Bill.

1:21am

Roger Grant Bly

I know

not bad for an antenna the is "upside down"

1:21am

Christina Holzschuh

hes reaaaaaally good at it. I'll bow out.

1:21am

Dave Hildebrand

Jolly wants to give you his ultimatum on the phone where there are no witnesses

1:21am

Christina Holzschuh

hahahah, yea huh

1:22am

Roger Grant Bly

trust me, I'm smarter than Jolly

1:22am

Christina Holzschuh

dave could you hear the difference..does the teamspeak sound better now on the 26b2?

1:22am

Dave Hildebrand

I know, but he always thinks he can turn one

It sounded about the same here amidst all the jamming and bullshit

1:23am

Roger Grant Bly

I'm done with John. but I've but the word out to his friends I want to talk

1:23am

Christina Holzschuh

oh, bummer. guess time will tell.
good luck.
i hate the guy.
gnite.

1:26am

Dave Hildebrand

Yeah, he's Mr. Hateable!

1:27am

Christina Holzschuh

He should of left my kids out of it.

Hell hath no fury like a woman scorned :)

1:34am

Dave Hildebrand

Yes, Jolly will do anything to win jsut shy of murder

1:57am

Roger Grant Bly

wow, 30 min Jolly call. Let me take a break, then I'll summarize.

1:58am

Dave Hildebrand

OK

Do you want the repeater back on?

2:01am

Roger Grant Bly

don't care

I prefer more on than off, but totally your call

2:20am

Dave Hildebrand

I can leave it on if you like

So, what did Jolly say for the most part?

It's back on. N.W. to follow momentarily...

2:38am

Roger Grant Bly

Jolly Phonecall: (I know all this is suspect)

* he gave me his phone number * I'm not doing most the the Night Watchman stuff. * Most of my on-air attacks on you and BHU are just for show... actually, I like you guys. * Christina is the problem. If she leaves the repeater all will be fine. (I said, that is not an option) * Please tell BHU that I give him shit on air, but it's just a show... I like him. * I told him the FCC has demanded that we "deal with the problem" and that I'm going to reluctantly DF the DVRs and jamming. He said, "you will find that none of that can be traced back to me." * I made it clear that going after BHU's mom or my family will be aggressively dealt with by my attorney. He agreed. * I told him that the goal of BHU and MWT is to keep the 435 dream alive... A rare place to speak your mind. He accepted that. * He said he would put the word out to dial down the DVRs. * I promised I would not disclose his phone number and other comments, which I will honor.

2:40am

Roger Grant Bly

the "other comments" are nothing interesting.

2:45am

Christina Holzschuh

I do not understand why this repeater cannot be shared. I can not talk when they are, but I should have the right to talk to those who want to talk to me. I can do an experiment and walk away, and see if the repeater will all be fine. No big deal. I'm studying for my General anyways....it's extortion for sure....but I stand by what I have said in the past...I got played "Hard".... by some. I reacted poorly. I guess Tammi gets to stay, but not me. Ok. Bizarre standards. I will just run the teamspeak, and be on Facebook, and say nothing about the experiment. Will just wait and see.

2:47am

Christina Holzschuh

I'm not mad, I expected that's what it was about.

Maybe I just don't belong, like they say.

2:47am

Roger Grant Bly

Really.... totally your choice. I have no problem dealing with it. I don't understand either. It's not you; it's anti-woman.

2:48am

Christina Holzschuh

Very well.

2:49am

Roger Grant Bly

bed time for me. Let's all hang in there and try our best to keep the 435 dream alive

2:50am

Dave Hildebrand

It's going to be the same shit even if you stay away, Christina -- people have their personality conflicts with you, but it's all about OCA "taking back" and owning 435

Yeah, have a good night folks

2:50am

Christina Holzschuh

Not a dream for me, but I get it. We shall see.

2:51am

Dave Hildebrand

If it walks and quacks like a duck, it's probably a duck

2:51am

Roger Grant Bly

yeah, it's really not about Christina... there will always be an excuse to jam

2:51am

Christina Holzschuh

yea, it is about me.
they dislike that I don't back down.
they sling it but can't take it back.
not new for me.

2:51am

Roger Grant Bly

If you leave, it will be about BHU... then about me, etc.

2:52am

Christina Holzschuh

Then you can call Jolly a liar.

Ok, have a good night.

2:52am

Roger Grant Bly

Yes Jolly is a liar

and a loser

2:53am

Christina Holzschuh

It's all good. I proved myself. I can live with that.

Call Jolly back and tell him I'm gone.

That should solve this problem.

Then the repeater will go back to the way it was.

Thanx.

2:55am

Roger Grant Bly

I won't do that.... but nite, bedtime for me.

2:56am

Christina Holzschuh

I will post it then, so you won't have to.

be the bad guy. I will just say, I am taking holiday vacation

lots of family, and have an event with Arny and a few people.
its fine.

Someone has to be an adult here...I will do that, they won't.

At least I have the facebook to still talk.

and some friends.

They will probably not stop talking about me, and will have to keep rehashing it over and over...

2:58am

Roger Grant Bly

Honestly, I hope you don't.

2:59am

Christina Holzschuh

to get back their standing, and when faith comes back, she will be able to talk no problem, and tammi,
no problem. It's me.

Sometimes no matter how much you try to fit in, you have to come to a place to where you say, it's not
going to happen. I need to find my place in this world.

it's not 435.

Ok, gnite....have a good night.

Can Mark talk though?

sounds like they have no problem with him.

I guess he can just read this for himself and decide if he is gonna stay or leave. Ciao'

3:12am

Dave Hildebrand

I agree with Roger, Christina

PLEASE DON'T GO!

They'll never pipe-down

LIBERALS are the next target, that way they get both Roger and me

3:14am

Christina Holzschuh

I'm never gonna fit in anyways Dave, and yea..I cannot even talk anyways, they just jam me out...whats
the point of sticking around.

3:14am

Dave Hildebrand

The only thing I believe to be true that Jolly said was/is that we will never trace the Night Watchman back to him because he's using multiple remotes, but it is JOLLY doing 80% of it AND I DO???

I'm one of 2-3 liberals out there, and they HATE me for it!!!!

3:15am

Christina Holzschuh

Of course you do Dave, you have lots of knowledge.

3:15am

Dave Hildebrand

They all talk shit about Roger on Dick Candles too

3:15am

Christina Holzschuh

you and roger both are smart.

3:15am

Dave Hildebrand

I may know a lot but they hate me

3:15am

Christina Holzschuh

I'm smart, i just have a hard time expressing what I know..I can type it better than speak it.

3:15am

Dave Hildebrand

Let's put it this way, there are probably more out there who hate me than not

3:16am

Christina Holzschuh

I don't think they all hate you...Dave....and alot of people know you are smart.

3:16am

Dave Hildebrand

Time for us all to rest, it's been a really tough past few days
That may also be why they hate me too!

3:16am

Christina Holzschuh

yea, thats for sure. maybe we just stay radio silent...see, part of me believes that no matter how much they want me to leave, they don't cause they keep calling me out there.

3:17am

Dave Hildebrand

That Chris Norton (NODUH) idiot's going to eat shit for Brett, he's got Brett's Teamspeak remote at his house

3:17am

Christina Holzschuh

its like they love to hate me, or hate to love me, not sure which...
I heard.

3:17am

Dave Hildebrand

I'm going to be the next target...

3:17am

Christina Holzschuh

he's in pacoima too.

3:17am

Dave Hildebrand

And the shit won't stop until Roger sells the repeater to them
He's back in Burbank now, apparently

3:18am

Christina Holzschuh

my son lives there where he grew up, and mark and i were gonna set up a teamspeak there too.

3:18am

Dave Hildebrand

I met him in Burbank a week or two ago

3:18am

Christina Holzschuh

I don't know if thats a valid address...

3:18am

Dave Hildebrand

Good idea!

He says he lives in Burbank, even though as you say that address my be incorrect

3:18am

Christina Holzschuh

I also have a high site for a teamspeak that Mark and I have been working on.
if they run teamspeak, they won't tell the truth.

3:19am

Dave Hildebrand

Thing is I've heard Norton talk about it on the air, he's not too bright

He's an oaf

3:19am

Christina Holzschuh

Lets just be radio silent for a while, and see what happens..no matter what, I will be radio absent, and you will hear them trying to call me out.

3:19am

Dave Hildebrand

Bregal's probably smarter than Chris Norton!

3:20am

Christina Holzschuh

and I won't respond, but just take note.....every time i try to leave, they try....i even heard darrin one time say, come out and play this show..

3:20am

Dave Hildebrand

Of course, I'm expecting to wake-up in several hours, turn my radio on and hear UBP carrying-on

3:20am

Christina Holzschuh

he's on that early?

3:20am

Dave Hildebrand

Usually by or before Noon

3:21am

Christina Holzschuh

Oh, wow.

3:21am

Dave Hildebrand

After he sleeps-off his drunkenness

These past few days UBP was the first shit I heard when I turned-on my radio

3:21am

Christina Holzschuh

Okay, well, i gotta do the mark routine, breakfast, lunch, stuff, and clean up, go to bed. I will just stay on the alliance page for now.

3:21am

Dave Hildebrand

Sure, we all need a rest

3:22am

Christina Holzschuh

indeed. We shall see how much jolly is a liar, or if it will stop.
im soooo sick of these tapes.

3:22am

Dave Hildebrand

No need to "see," we already know

3:22am

Christina Holzschuh

one back pocket

3:22am

Dave Hildebrand

Yes, that's why I hate to leave it on...

3:22am

Christina Holzschuh

true, but let him prove it, then Roger can call him out on being a liar..cause it doesn't change.

3:23am

Dave Hildebrand

But it's probably best to leave it on as long as the low-level shit's going, and save shutting it off for the high-powered shit as Roger said

3:23am

Christina Holzschuh

Yea, i started turning it off at night too

3:23am

Dave Hildebrand

Yeah

You may lay low for a bit and we can see what happens

3:23am

Christina Holzschuh

yea, thats a good idea s well.

3:24am

Dave Hildebrand

Notice how "it's just a show" when you back people into a corner

I don't believe a word of it

3:24am

Christina Holzschuh

no worries Dave...I have taken the worst in my life with this repeater, it cannot get any worse, so I can survive taking time off.

3:24am

Dave Hildebrand

The "\$7,000" show will never end

3:24am

Christina Holzschuh

yea exactly.

I bet...I am so glad I held out.

Thanks to Roger.

3:25am

Dave Hildebrand

They'll never let-up until Roger sells it to them

3:25am

Christina Holzschuh

Maybe you need to get more power so you can get in Dave.

Oh, I agree to that part.

I just want jolly to be proved a liar.

3:25am

Dave Hildebrand

My wall-outlets are tapped-out as it is!

3:25am

Christina Holzschuh

haha, so are mine.

3:25am

Dave Hildebrand

That won't take long!

3:25am

Christina Holzschuh

we are gonna be real busy, we just signed a contract for solar panels.

and an upgrade on our electrical panel, and they are gonna finally ground this office.

3:26am

Dave Hildebrand

Jolly will say "hey, I tried -- it's not me, it's these other guys who want this repeater bad man"

Jolly will pass the buck and get off the hook

3:26am

Christina Holzschuh

Thats when Roger takes what he wrote, and puts it on the page, for everyone to see his conditions, and to prove it hasn't changed.

3:27am

Dave Hildebrand

I can predict this one just like an old Alfred Hitchcock mystery

3:27am

Christina Holzschuh

doesn't matter what he says..what matters is the agreement, and people will see the liar in his one back pocket

3:27am

Dave Hildebrand

Yes, we will use every avenue available to us

3:27am

Christina Holzschuh

hehheehehe, me too.

indeed....Dave...stay sane :)

this think will eff anyone up.

thing

3:28am

Dave Hildebrand

You too, hang-in there! :)

3:28am

Christina Holzschuh

As always.....I'm tough, when i get back up. :) Gnite

3:29am

Dave Hildebrand

Good night, Christina :)

3:29am

Christina Holzschuh

Ciao' :)

3:29am

Dave Hildebrand

Ciao :)

Today

1:41pm

Roger Grant Bly

The phone number that Jolly gave me is listed under company name: G0t R00t Provider: Bandwith.com
VOIP Address: no street address, Glendale, CA.

I see some web hits on G0t R00t, for a poker player which fits Jolly's references to "showing your cards."

1:43pm

Dave Hildebrand

He's crooked

1:44pm

Mark Holzschuh

I only would talk to him using my Google voice number.

1:44pm

Dave Hildebrand

Or LL... if your number's blocked I doubt he can track it

1:45pm

Roger Grant Bly

I gave Jolly my phone number over the air. I'd love for someone to harass me on the phone... that shit is real easy to prosecute.

1:46pm

Dave Hildebrand

But can he be even be tracked though?

1:47pm

Mark Holzschuh

Jolly knows lots of tricks of that trade

1:47pm

Roger Grant Bly

blocked numbers don't matter. The FBI is hard core on telecom threats.

1:48pm

Dave Hildebrand

But if he has a phone that's not tied to his name/ID/location even NSA can't do anything about him

1:48pm

Roger Grant Bly

It was funny, when I called out GDB this morning on Darin Jones using his Saddle PK remote, Darin's signal dropped 15 min later... then he went away.

1:48pm

Mark Holzschuh

I don't think they will be threats they will just be harassment

1:49pm

Christina Holzschuh

omg..mark, i had the funniest roasting of some hamsomg...it was at least funny to me

especially the gdb one..omg
sorry to interrupt

1:49pm

Mark Holzschuh

Wow good call Roger, I didn't know he had stuff up there I just knew about contractors

1:50pm

Roger Grant Bly

It was a good show this morning. I rarely get on in the AM, but taking the day off.

1:50pm

Dave Hildebrand

The Contractor Point jamming station's either JTD's or GDB's

1:50pm

Mark Holzschuh

1:50pm

Mark Holzschuh

Well you could download the tape

That's a big smiley

1:51pm

Christina Holzschuh

i will see you when you get here, the kids are all getting here at 6. i will download them all.

yup

i see it.

ok, i didnt mean to interupt

see you.

1:51pm

Mark Holzschuh

Okay

1:51pm

Christina Holzschuh

i think i stirred the hornets nest

darren jones wanted me gone, so jolly said, ok payback time..so the dvr;s are back

i am sorry, i cant help myself.

unless roger or dave tells me to go away, im not going away

1:52pm

Dave Hildebrand

It's business as usual, Joly liar at work

1:53pm

Christina Holzschuh

well, he didn't actually shake hands with me

1:53pm

Roger Grant Bly

Maybe contractors. MWT: Darin talk out here, but jamming and long running personal attacks will result in me shutting down the remote you are using. GDB: When people are serious about that, that act and don't talk about it. MWT: I like to give people a chance. GDB, I've talked to a dozen of 435 friends and foes, and they gave you up. (Darin remote access off)

1:54pm

Mark Holzschuh

Have you up?

1:54pm

Dave Hildebrand

It's probably GDB's remote then

1:55pm

Roger Grant Bly
up?

1:55pm

Mark Holzschuh

Gave you up? What did gdb mean?

1:56pm

Dave Hildebrand

So, it sounds like GDB is on-board with the hostile-takeover then

1:56pm

Roger Grant Bly

People told me that the GDB remote is responsible for the hard core jamming. It's a bit of a bluff... but Darin stopped using it 15 min later

1:56pm

Dave Hildebrand

Sounds about right

1:57pm

Mark Holzschuh

Oh I see, I read that wrong.

Very good bluff. He doesn't want any heat on his equipment. It's all fun and games until the possible consequences show up.

2:00pm

Roger Grant Bly

This guy doing the GDB impersonation is cracking me up!

2:00pm

Christina Holzschuh

gdb was on board a long time ago, when i asked if i could take over my echolink...
i told him i would pay him for his time too...thats when he stopped being cool with me.
Squidward...
I dubbed him that..
he's not too happy bout it

2:02pm

Roger Grant Bly

I know, that is perfect
Only people with young kids and grandkids truly understand the reference.

2:02pm

Christina Holzschuh

hehehe...i cut out a pic of him at the tasma meeting and put it side by side with squidward....posted it.
oh yea
mark, i laughed so hard, i was tearing up....
heheheh
ok i gotta go

2:03pm

Mark Holzschuh

At what this morning?

2:03pm

Roger Grant Bly

me too, I have a conference call for 30min. back later
About 10-11am today, right chris?

2:04pm

Dave Hildebrand

Fucking Brokeback out there
Even if Christina were to leave they'd blame everything on her and say "she's stil here"

2:05pm

Roger Grant Bly
yeah, it's not about Christina

2:05pm

Dave Hildebrand

There's the GDB robo again

2:05pm

Roger Grant Bly

bye

2:05pm

Dave Hildebrand

Ciao

2:06pm

Mark Holzschuh

of course, I mean they still think she owns the repeater!

2:06pm

Dave Hildebrand

They know damned well that Roger owns it, they just say that shit about her owning it because they want a show

They all say the same shit...

2:07pm

Mark Holzschuh

Of course they think she will be at least listening, so they are still going to talk knowing she is still around

2:07pm

Dave Hildebrand

They bash Christina for "still owning 435" but then they talk shit about Roger's ownership

These creatures don't accept Roger nor me... they're all licensees from the 1990s and later, they don't recognize hams with 30+ years of experience because we weren't there during the power wars

2:10pm

Mark Holzschuh

They are still in their high school daze.

2:11pm

Dave Hildebrand

No shit

2:14pm

Mark Holzschuh

I think they like having the owner on the outs because it wasn't good with Gary being owner and not being able to tear into him.

2:14pm

Dave Hildebrand

Gary sucks

2:15pm

Mark Holzschuh

Now everyone sort of has equal footing and you can say anything to anyone
Everyone is trying to be top dog and they are seeing who can rip up the most people.
The high value targets will be worth more, and you know who they are.

2:19pm

Dave Hildebrand

It's only a matter of time before somebody takes it off the air again because somebody always has to take it up a level higher

3:08pm

Roger Grant Bly

Back. stock market close... DEK time ;) closed

do we think that DEK works at Charles Schwab? One of his addresses was Schwab.

3:26pm

Mark Holzschuh

The only thing I have heard is he has his own business.

3:43pm

Christina Holzschuh

I did it!!! no Remotes.....I took em all out.
eheheheh

3:52pm

Christina Holzschuh

Done...just got tired of darrin jamming me out all morning. Finally got my signal in.

4:14pm

Christina Holzschuh

Dave , you spoke the truth....too many fair weather friends. I'm sorry they are pressuring you to dump me...

4:30pm

Roger Grant Bly

Chris, I'm not listening right now, but what did you do to your signal to capture?

4:34pm

Christina Holzschuh

just re arranged some equipment with proper antennas
until those 2 learn some manners,
i got jammed out all morning long
every time i keyed up i got jammed out by jones...and i download all this crap. and here slevin is acting
as though they don't jam me out.

4:43pm

Mark Holzschuh

I am not sure what kind of remote setup they are using, but Tim was full scale on the input from Hansen golf course through the pass down to magic mountain on the 5 frwy.

4:54pm

Christina Holzschuh

I am collecting dvr's and will put on cd, and I am going to send it to Laura....the constant verbal abuse allllllllll morning. I know you cannot control him, and I am not asking anything because I do all my stuff by myself...They Dish out just hours and hours of slander and harassment, and when I defend myself, I get jammed out.

5:00pm

Roger Grant Bly

Dave and I will be making contact with FCC, it is also good for others to do so.... the more people, the more power.

5:00pm

Christina Holzschuh

Okay, good deal, Mark and I both will do so. Mark is not too happy, once again, hearing them just slander me for hours on end.

Every time we even want to use the repeater they just take over, every single time...frustrating. There are users I havent even heard, cause they cannot get in.

PROPER???? unbelievable.

Slevin and Jones....stunning.

5:02pm

Roger Grant Bly

Yep. Dave and I are not happy about that either... but I know it is harder on you guys. Thanks for the TS power today.

5:02pm

Mark Holzschuh

talking about broadcasting, that is all they are doing, no one else can get in.

They are not id ing they are not acting like they are on ham radio. They are acting like the CBers they say Christina is

5:03pm

Christina Holzschuh

See, first they go after me, then you Roger, now BHU...cause they want total Power and Control of this repeater. I just wanted to prove I could stop them, but I don't want power to just take over the whole repeater.

5:05pm

Christina Holzschuh

Oh, no problem...I am going to have to take some time here...I need an appropriate amplifier, something thats not gonna pop my fuses, or doesn't allow me to get in. If I can finally get in and talk, I will use proper operations. I will listen to them, when they are done then I will talk.

5:05pm

Christina Holzschuh

But see, they are trying to convince you that we are just brainwashing you guys..ok, im done being a pain in the ass.

5:23pm

Dave Hildebrand

Beokeback told me a few minutes ago "YOU'RE DONE BUHU!!!! YOU'R GONE!!!" I guess he doesn't like 99 bottles

I can't fathom that Darin Jones can say "I'm going to erradicate Christina" and get a way with it

5:25pm

Christina Holzschuh

it feels like a gang dog pile up

5:25pm

Dave Hildebrand

That's what it is

And they tell us "the FCC is going to fine ROGER AND BUHU for allowing all this shit on 435"

They'd get rid of all of us anyway, regardless

5:26pm

Christina Holzschuh

it seems like a no win situation

5:26pm

Dave Hildebrand

It does

And if it's true that the FCC no longer has field agents in SoCal then the only option is to file law suits

5:26pm

Christina Holzschuh

i just heard a user i haven't heard in a long time who said, max is bored with her...unbelievable. thought he was a cool guy.

exactly

5:27pm

Dave Hildebrand

I think if we prepare a good case with names and locations we can probably at least get Keizer and Jones

5:27pm

Christina Holzschuh

i have never once called darrin a nigger

5:27pm

Dave Hildebrand

I'm pretty sure Jones' remote is at his house now

I know

5:27pm

Christina Holzschuh

and slevin

i feel homicidal...i know i shouldn't say that..but if I was around him, I would take a bat to him

5:28pm

Dave Hildebrand

Yeah, I'd like Slevin to go down too, and Jolly, and Brokeback, and Shapen
My Christmas wish...

Darin Jones in prison for at least five years

I can wish can't !!

5:29pm

Christina Holzschuh

exactly..i mean ... count all the haters..slevin, ubp, squeekies, qsf, brett, breitbach, gdb, Gawd..when
does it stop.

5:29pm

Roger Grant Bly

On the repeater for a bit... Wow!

5:29pm

Christina Holzschuh

so much for passing some stupid test.

joe, jolly

5:30pm

Dave Hildebrand

Darin UBP never took a test, remember?

5:30pm

Christina Holzschuh

yea

5:30pm

Dave Hildebrand

One of the stupidest things I ever did

I've created a monster
It's like the "Howling Man" episode of Twilight Zone

5:30pm

Christina Holzschuh

thats what the guy who started this repeater.

cannot believe i was arguing for freedom of speech...I was wrong...should be freedom of speech with limits.

5:31pm

Dave Hildebrand

Brokeback blames me for all the shit now too if you've noticed

5:31pm

Christina Holzschuh

I would abosolutely love to sue for mental and emotional distress
yes, i have..hes gotten worse

5:32pm

Roger Grant Bly

Yep, I realize that now. Tried.

5:32pm

Dave Hildebrand

You could, you could break him financially

5:32pm

Christina Holzschuh

and for these guys to claim they are christians? Slevin, ubp,

5:32pm

Dave Hildebrand

Darin would be dead meat

5:32pm
Christina Holzschuh
brokeback?

5:32pm
Dave Hildebrand
Jones

5:32pm
Christina Holzschuh
ok, i gotta go, i should of left awhile, the kids will all be here at six.

5:32pm
Dave Hildebrand
Yeah, Slevin needs a good law suit too

5:33pm
Christina Holzschuh
it just all feels so evil.
my brain hurts.

5:33pm
Dave Hildebrand
It is, but we can't just let them win

5:33pm
Christina Holzschuh
can you believe I have to play tennis with them all. ok.

5:33pm

Dave Hildebrand

I shut it off for a few...

Turning it off makes them mad because they realize they really aren't as pppowerful as they say they are
With all the recordings of people making threats there's more than plenty for law suits

Tailored!

I know what would drive them all insane

A robo that read liberal news stories!!!!!!!!!!

Keizer would totally eat shit, so would most of them

5:43pm

Dave Hildebrand

They really really HATE my 99 bottles!

5:49pm

Dave Hildebrand

There they go, UBP accusing me of playing the recordings now

And they're accusing Roger of "censoring" everybody

Who's thhat guy attacking you, Roger? Sounds like NODUH, Brett's friend!

No, it's Sam 'QFS

5:51pm

Mark Holzschuh

It's psycho logical warfare. If they go to the fcc they will lose

5:52pm

Dave Hildebrand

Yes

Looks like Sam Skofield's going to join the war against us

5:52pm

Mark Holzschuh

To abbreviate it, it's psycho.

5:52pm

Dave Hildebrand

Totally
Hard to believe that same kid sent us Christmas cards a year ago

5:54pm

Christina Holzschuh

This is bullshit...i listened to darren slam me for hours this morning

5:54pm

Mark Holzschuh

Did he really? What a douche. Wow. Qfs has really grown out of his self.

5:55pm

Christina Holzschuh

qfs just threatened Roger

All the verbal abuse I listen to.....day after day after day...whore, cunt, bitch..you name it.

I do poke the stick but thats after hours of listening to the verbal abuse shit

5:59pm

Roger Grant Bly

Ha

"Leave me alone"

6:00pm

Christina Holzschuh

see this is the nasty shit that went on all morning and i nto the afternoon

now I have 3 days of tapes.

6:00pm

Roger Grant Bly

I know

6:00pm

Christina Holzschuh

they shove it at me, i will shove it back
jerks.

what are they gonna talk about if im not around...they just want a scapegoat to vent their anger
no its not

6:01pm

Roger Grant Bly

At least jolly dialed down the DVRs today after I asked. That won't last long.

6:01pm

Christina Holzschuh

i cant squeek

yea...its always been chaos. Darren is just abusive.

I remember stan calling me one time asking what was wrong with him

i didnt know, so i called max, and max said his life is not great..and he drinks alot

6:03pm

Roger Grant Bly

Your robos? Those were funny. I won't tell.

6:03pm

Mark Holzschuh

Boy, that is one busy repeater.

6:04pm

Roger Grant Bly

Well, at least it active with talk. The jamming and hate speech suck

6:05pm

Dave Hildebrand

What did Sam Skofield say that was threatening to Roger?

6:05pm

Mark Holzschuh

Yeah all they have to do is not talk about her, and the repeater would be fine.
I don't remember, he was trying to sound menacing and forceful though.

6:07pm

Dave Hildebrand

That would be funny if he got arrested for threats

6:08pm

Mark Holzschuh

No it was something to the effect of you better back down Roger. Something like that.

6:08pm

Dave Hildebrand

Yeah, Sam's a puny little whimp
Major ass-kisser

6:08pm

Roger Grant Bly

Was Sam the guy saying I was stupid not to know that Christina is jamming?

6:08pm

Dave Hildebrand

Yeah

6:09pm

Mark Holzschuh

Masquerading as a punk like mfw.
Yes and if course Dennis

6:09pm

Dave Hildebrand

He's a total POSEUR!!!!

You should call him that, it'll really piss him off!!!!

Ever since I posted that comment about how "Keizer can afford any law suit because he's RICH" he's piped-down a bit

6:10pm

Roger Grant Bly

I told jones to stand down on the constant hate... And was called a hypocrite for allowing Christina to jam.

6:10pm

Mark Holzschuh

Sam is pretty arrogant, I wouldn't put it past him to take it off the radio

6:11pm

Dave Hildebrand

He's also really sheltered, and he'll get himself in really hot water too

He doesn't realize the potential consequences of his actions

6:11pm

Mark Holzschuh

It didn't seem to get much traction unfortunately

6:12pm

Dave Hildebrand

Sam's another silver-spoon fed rich little bastard like Slevin, Keizer, Jurenka, Elmo, et al

6:12pm

Roger Grant Bly

For the log, two times today I told Darin to back off on the Christina hate speech.

6:13pm

Mark Holzschuh

The problem is they don't look at themselves as a major part of the problem. How much can one woman do against all them

6:14pm

Christina Holzschuh

Geeze, that kid has gotten really ugly of all the hatred I have taken,,,,its hard to put on that helmet. i cannot help myself but to fight back

6:15pm

Mark Holzschuh

They are going to spend hours talking about her 15 minutes of show. Thanks for that Roger, I appreciate that a lot.

6:16pm

Christina Holzschuh

he said something to the effect, i would have to go back to the dvr now...but he said something like, Roger, you had better watch yourself...I went , Huh?

6:17pm

Roger Grant Bly

I'm looking for an FCC lawyer in San Diego. Hard to find. Need council on the options against jamming, hate speech, etc.

6:17pm

Christina Holzschuh

There is one thing that get darrin really Hostile..and thats telling him what to do. When slevin and greg pitta and others were trying to get me to get him off the repeater, I tried, he ranted for 16 hours straight.

6:18pm

Roger Grant Bly

Funny, my ex-wife was a communications lawyer, but we have no relationship now.

6:18pm

Christina Holzschuh

If you ever sent a letter or banned him or put him on a timeout, I can tell you now, he would be a very loud obnoxious, abusive asshole. I was told that after he got out of prison, he was changed.

oh, interesting

6:19pm

Roger Grant Bly

Yeah, jones went nuts when I told him to cool it.

6:19pm

Christina Holzschuh

he sure did, and that was light....

6:19pm

Mark Holzschuh

Remember any of her friends?

6:19pm

Christina Holzschuh

i don't know if you remember when he lost it with me.

6:20pm

Roger Grant Bly

I don't remember the first time jones lost it with you, but I've heard enough.

6:21pm

Christina Holzschuh

I cant listen anymore...you guys have a good night, and I know that i do agitate, but usually its in good fun, not hatred like this...and since jones went on and on, i decided to do a 435 Roast

oh, god, Roger, you can ask Mark, it went on for 16 hours straight.

6:21pm

Mark Holzschuh

Ham law. Hey Dave where did you find your lawyer when you fought the fcc?

6:21pm

Christina Holzschuh

I just let him vent...he has to have a bi something.

6:22pm

Roger Grant Bly

Trick or treat time. Bye for now.

6:22pm

Mark Holzschuh

Okay have fun!

6:23pm

Christina Holzschuh

indeed :)

6:35pm

Christina Holzschuh

There are people who are joining the group that just created a facebook page like 5 hours ago...not sure about who they are, and right now, dennis can go fly a kite.

6:36pm

Roger Grant Bly

I decline people with no real Facebook profile. Clear spammers.

6:36pm

Christina Holzschuh

me too, i just cleared out 3, who just joined facebook with no friends.

6:55pm

Dave Hildebrand

N6DOX, he's an SK now unfortunately

I love the people wragnling with Darin

Not the people, themselves...

The racism that Slevin can't hide

So, we need to agree on a basic letter idea for others to write to the FCC

Some key points... I'll get started on it soon

Sam Skofield's a punk

Wow, Sam Skofield's blocked me on Facebook!

What a pineless piece of shit

7:01pm

Mark Holzschuh

Yep we saw that a while back. He really changed after getting with mfw and ubp

7:05pm

Dave Hildebrand

I just dunked Jeff Jurenka

SO MUCH FUN

7:06pm

Mark Holzschuh

It's good to have a little fun once in a while.

7:07pm

Dave Hildebrand

HAHAHAHA

Poor Jurenka

7:09pm

Roger Grant Bly

Did someone boot Heath Collins from 435 FB?

7:09pm

Dave Hildebrand

I didn't

But he's an asshole anyway

He's a young Hitler Youth punk

From O.C.

7:10pm

Mark Holzschuh

I totally agree with Dave

7:10pm

Dave Hildebrand

He'll just whine on the W6NUT page about it now

7:11pm

Mark Holzschuh

If they want to control the repeater we can control them this way.

7:11pm

Roger Grant Bly

I agree, but I was in discussion with him on the NUT page and don't want to loose face.

7:11pm

Dave Hildebrand

Yeah, I didn't bump him off

Best not to boot people off of Facebook because they slip-up so easily and may give us infromation

7:12pm

Mark Holzschuh

I did, he is just a punk but if you want him back no prob

7:12pm

Christina Holzschuh

oh, that guy, yea, he was coming at me this morning

7:12pm

Dave Hildebrand

I've been saving numerous links to Facnbook comments for future use
Wait'll he cries a little first!

7:13pm

Christina Holzschuh

I can try to bring him back if you want...my head just hurts...

7:13pm

Dave Hildebrand

Or I can add him back later... don't worry about him

7:14pm

Roger Grant Bly

Mark, he *is* a punk, but I'd rather not boot anyone from the 435 FB unless they are doing hard core harassment. I'll bring him back and say it was an error.

7:15pm

Mark Holzschuh

I didn't like what he was saying to either Dave or Christina

7:15pm

Christina Holzschuh

I just tried to add him but it won't let me
I am not sure what to do...

7:15pm

Mark Holzschuh

Okay, sorry over stepped.

7:16pm

Christina Holzschuh

Tell him I did it Roger....

i'm used to it.

I'll take the heat...Mark is new to this admin thingy.

7:17pm

Mark Holzschuh

Or say it must have been a glitch.

7:17pm

Christina Holzschuh

maybe he has to send a request, it won't let me add him.

7:17pm

Dave Hildebrand

Looks like a threat -

7:18pm

Christina Holzschuh

Oh, shit....hell no Dave.....

he's warning us? what the hell...

everybody wants to be an asshole for Free, but they don't do the hard work of managing....

now I don't feel so bad for the guy....what does this mean..I would report that statement...feels threatening.

I just took a screen shot, and I reported that as sounding like a threat to facebook.

I'm telling you, this is a Pack Mentality..

its gettng worse.

they refuse to stand down, and just let it be

I just got four calls in a row....from unrestricted....i wouldn't answer it...mark did, cause I dont take restricted calls....Mark said, the guy said "Your Done!"

7:26pm

Roger Grant Bly

I told Heath it was an error, I would approve. I rejected the join request from the Robert Tuginbool because of lack of profile... looked like a spammer.

7:26pm

Christina Holzschuh

threats come along with this territory. Now I gotta go to the police again to make a report.

I did too Roger.

but I just got a threat to my phone

I ignored the first three, but Mark said, do you want me to answer it, I said yes, cause the last time I answered,it was a threat.

7:27pm

Roger Grant Bly

that is fucked up. police/FBI can trace that shit if you want to go after them.

7:27pm

Mark Holzschuh

These people are something else.

7:27pm

Roger Grant Bly

losers

7:27pm

Christina Holzschuh

Yes, exactly..i have about 12 calls total...

and i was told to go to the FBI

7:28pm

Mark Holzschuh

I don't know if that qualifies as a threat

7:28pm

Christina Holzschuh

Your Done??? it sound threatening...on the phone

the only person i know who would have the moxy to do that was jolly..as i have him threatening me in a dvr over the radio.

7:29pm

Mark Holzschuh

I know just not sure what they would say.

7:33pm

Roger Grant Bly

"your done" can be considered a death threat giving the on-air evidence.

Man, lots of trick-or-treat kids this year.

If you have the time/energy, I would be interested in what the law enforcement does about these.

7:41pm

Mark Holzschuh

It couldn't hurt to try

8:44pmMark Holzschuh named the conversation: 435 War Room.

8:44pmRoger Grant Bly added you.

8:44pmRoger Grant Bly added Dennis Keizer.

3:11pm

Heath Collins

Nice work.... Maybe you can get your "techs" to work on that.....

3:12pm

Roger Grant Bly

Heath my only goal was to add you back to the BHU 435 page. I fucked up. Is what it is.

3:13pm

Heath Collins

(y)

3:13pm

Roger Grant Bly

That was private and privileged information and not to be disclosed.

3:14pm

Heath Collins

lol obviously....

3:18pm

Roger Grant Bly

I'm sure you understand if you disclose this info to others, I will be forced to take action. This is legally private conversation that was accidentally sent to you by my mistake.

3:19pm

Heath Collins

It's facebook and you invited me. That makes it my information. Good luck in that race.....

You must have not noticed you invited DEK too..... LOL

3:20pm

Roger Grant Bly

My lawyer says that not the case. Anyway you have been warned.

Yes on DEK.

3:21pm

Heath Collins

Oh well have your lawyer contact me for whatever you think you can get.

3:21pm

Roger Grant Bly

If you disclose, I will.

3:22pm

Heath Collins

Too bad you don't know about a clause you have to put into transmitted information before you send it if it is to be used for private use?

already disclosed....

3:22pm

Roger Grant Bly

DEK won't hold it against me.

Saying it afterwards is sufficient.

3:23pm

Heath Collins

You said it after I disclosed it..... Sorry Roger

3:25pm

Roger Grant Bly

You knew better. please redact.
and remove any public postings.
or other publication.

3:32pm You named the conversation: 435 Bad People.

3:36pm

Roger Grant Bly

why are we bad? Trying to make 435 a place where people can speak their minds without hard core jamming or constant DVRs. That is all the war room chat is about... finding and stopping the people killing one of the only free speech repeaters using DVRs and hard core jamming. The FCC is requiring us to take action.

3:36pm

Christina Holzschuh

I just got some info on this Heath character.....he thinks he is so smart....I got info that will make him back quietno worries Roger...will talk to you on the phone about it. I know someone who knows him.

Let him put out this conversation, personally I didn't say anything I haven't already said on the radio....if he does....I release what I was just told....2 can play this heath...you back down, or your info gets put on the fanpage.

The grapevine always makes it back to me.

I don't trust this room, can we please start a new one, or Dave and I use the yahoo messenger app we could just use that as mine is always open

i dont have skype

i dont think roger is

3:41pm

Roger Grant Bly

3:41pm
