THE KINGDOM AND THE KING

Discovering the Heart of the Gospel
Roland Jansson

Jesus said that His return will be delayed until "this gospel of the kingdom" has been preached in the whole world. Why then is the gospel of the Kingdom not the primary focus of our teaching? It is quite clear that we must return to the original gospel. But what does that gospel contain? And what does God's Kingdom truly mean?

FROM THE PUBLISHER'S DESK

We are constantly looking for fresh, God-given messages for a possible publishing.

The Lord showed us that there are, worldwide, children of God who hear the Holy Spirit speaking, but they do not know how to have their messages put in a book and hence released. Today most publishers tend to publish already-known-and-affirmed authors, only, while they neglect those who are not known, yet.
