Dear Sir & Madam,

Etihad Cargo announces that a HKD0.8/kg charge will be levied as due carrier charges on imports / exports for Nigeria as a result of the Nigerian Civil Aviation Authority increasing the Royalty Charge. This charge will be effective on/from **16th June 2015.**

Technical Rules for the Royalty Charge:

2. The Royalty Charge shall be inserted separately on the Air waybill in the 'other charges box' and designated by the code GTC ('C' denoting due carrier).
3. Charge code: GTC – Government tax – HKD\$0.8 per gross weight kg
4. The Royalty Charge is based on a rate per kg using the Actual Weight shown on the Air waybill.
5. Air waybills received without such Royalty Charge shown shall have the charge added by EY Cargo (Air waybill amendment fees apply at local rates before departure).

Yours sincerely,
