

Extending Fellowship to the Methodist Church in Ghana.

The Ghanaian Methodist Fellowship, as part of its social responsibility to the needy in Britain and Ghana, has presented a brand new 19 seated Tata van to the Methodist Rafiki Satellite Village [Orphanage] at Gyaahaze in the Winneba Diocese of the Methodist Church, Ghana. The presentation took place at the Orphanage on Friday 17th April 2009. The funds for the van was raised during the first Ghanaian style harvest on 22nd March 2009 at the Westminster Central Hall.

The fellowship also made a number of presentations to the Methodist Church, Ghana. These included two digital camcorders, and two digital cameras. There was also a presentation of a set of musical instruments to the Bethel Methodist Church in Assin Juaso in the Assin Foso Circuit. The youth leader of the Westminster Central Hall Ms. Lisa Barrett also made a presentation of a digital camcorder on behalf of the young people's fellowship at the Westminster Central Hall to the Ghana Methodist Students Union [GHAMSU]. She was part of a group of five youth leaders who participated in the International Young People's Festival in Ghana.

Other members of the group were, Sisters Vida Asamoah- Mainoo, Sarah Adjei-Twum [GMF], Mr John Koomson [Holly Park Methodist Church], and Rev. William Davis, Chaplain to the fellowship. Another youth gathering is planned for next year and hope that the youth within the District will be given the opportunity to attend.

By Rev. William Davis
