SOUTHGATE
PRODUCTIONS

SOUTHGATE PRODUCTIONS was founded by a group of four professionals with extensive working experience in the International Film, Television and Audiovisual Industry. Throughout their careers these professionals have worked on hundreds of feature films, documentaries, television series and advertisements in areas such as script and idea development, production, directing, image, sound and post-production. Macau based but operating

internationally in locations such as China, Hong Kong and Europe, Southgate Productions specializes in quality films and brands with value, making new ideas visible through the power of image, sound and storytelling. Southgate Productions also provides Film Services, Facilities and Equipment rental. Our international experience combined with our local implementation knowledge makes us an ideal partner when bridging West and East.
