

PSY 230 Week 8 Assignment Eriksons **Timeline**

Assignment: Erikson's Timeline

Write a 350- to 700-word paper that explains in which of Erikson's eight stages of life you believe you are currently.

Explain why you think you are at that stage and describe that stage in your paper. What is the central question posed during that stage? How have you consciously or unconsciously sought to answer that question? Provide specific examples.

Choose someone you know who you think is at another stage in his or her life. Briefly describe that stage. What is a central question posed during that stage? How has this person consciously or unconsciously sought to answer that question? Provide specific examples.

Format your paper according to APA standards.
