PSYCH 640 Week 1 Individual History of Cognitive Psychology Lecture

Create a 10- to 15-slide Microsoft® PowerPoint® presentation lecture for your class in which you address the following:

- Describe the history of cognitive psychology.
- Explain how and why psychometric studies are used to study cognitive psychology.
- Discuss the benefits of research in psychometrics.

Include at least two scholarly articles.

Include speaker notes with your presentation.

Format your presentation consistent with APA guidelines.
Click the Assignment Files tab to submit your assignment.
