DEATH SAVES

I've lost too many friends, and I'm slow to make new ones. I can stare down a hell hound without flinching.

PERSONALITY TRAITS

Greater Good. Our lot is to lay down our lives in defense of others. (Good)

IDEALS

I would still lay down my life for the people I served with.

BONDS

I have little respect for anyone who is not a proven warrior.

ATTACKS & SPELLCASTING

Fighting Style: Defense. While you are wearing armor, you gain a +1 bonus to AC.

Fey Ancestry. You have advantage on saving throws against being charmed and magic can't put you to sleep.

Trance. Elves don't need to sleep. Instead, they meditate deeply, remaining semiconscious, for 4 hours a day. (The Common word for such meditation is 'trance.') While meditating, you can dream after a fashion; such dreams are actually mental exercises that have become re-exive through years of practice. After resting in this way, you gain the same benefit that a human does from 8 hours of sleep.

Darkvision. Accustomed to twilight forests and the night sky, you have superior vision in dark and dim conditions. You can see in dim light within 60 feet of you as if it were bright light, and in darkness as if it were dim light. You can't discern color in darkness, only shades of gray.

Mask of the Wild. You can attempt to hide even when you are only lightly obscured by foliage, heavy rain, falling snow, mist, and other natural phenomena.

Second Wind. You have a limited well of stamina that you can draw on to protect yourself from harm. On your turn, you can use a bonus action to regain hit points equal to 1d10 + your fighter level. Once you use this feature, you must nish a short or long rest before you can use it again.
