

Redacted Mi5 Security Brief.
For Presentation to COBRA
TOP SECRET

Operation FREE DERRY

Goal of the Operation

Infiltrate Sinn Fein and expose its links to terrorists. We must prevent the accession of a [REDACTED] Messiah that will rally these undisciplined [REDACTED]. This will entail deep investigation of the leaders of [REDACTED] Sinn Fein. Our goal is [REDACTED]
[REDACTED]

Recommended Course of Action

Any action taken by the United Kingdom Government against Sinn Fein, even with extreme links to terrorism, shall be seen as an act against dissent. Because of this we must deal with the Sinn Fein "Problem" from inside the party. Several members of the Sinn Fein Grouping are planted agents of Mi5 and some even Mi6. We plan to Install [REDACTED] as leader of the Sinn Fein Independent grouping in order to destabilise relations between the Provisional Irish Republican Army. Additionally his extreme views shall weaken Sinn Fein's influence and popularity within Northern Ireland. If this course of action is taken is is likely that Sinn Fein shall disband within a matter of years.

Evidence:

- High Quantities of [REDACTED] explosives uncovered, delivered to the postal address of a /u/irelandball
- Detailed plans of /u/[REDACTED] and /u/[REDACTED] schedules
- Scribblings of plans to [REDACTED], inside [REDACTED] parliamentary journal
- Testimony given by / [REDACTED] and [REDACTED] places /u/Irelandball in secret IRA meetings
- A secret Mi5 agent inside Sinn Fein, [REDACTED], was able to leak documents to Mi5 that showed that Sinn Fein was laundering money for New Jersey based [REDACTED] [REDACTED] and the [REDACTED]
