TERMS AND CONDITIONS OF SALE

POSSESSION OF THIS CATALOG DOES NOT QUALIFY BEARER AS A CUSTOMER

ACCOUNTS: An approved application must be on file with Mayfield Pool Supply LP before any business can be conducted.

TERMS: Approved open credit line invoices are due and payable in El Paso, Laredo, Corpus Christi, or Midland offices. Open account invoices are net thirty (30) days or net fifteen (15) days. Minimum billing is \$25.00. A statement will be rendered at the first of each month.

Accounts not paid on or before the due date will be considered delinquent. Delinquent accounts will be charged an interest rate of 1.5 % per month (annual rate of 18%) or a minimum charge of \$.50 per month. Customers with an account balance 60 days or older will be sold on a COD basis only, plus an additional thirty percent (30%) charge will be added. This additional charge will then be applied to the account in order to bring the balance current. Non-Compliance will result in loss of credit privileges. Credit Cards may be used to pay balance on accounts with a 3% convenience fee added to the amount.

RETURNED CHECKS: All returned checks from the bank will incur a \$30.00 service charge. COD Cash Only may be assigned to accounts with returned check history.

RETURNS: All returns including warranties must be accompanied by a Returned Goods Authorization (RGA). Drivers are not allowed to pick up returns without proper paperwork. The RGA number must be affixed to those items being returned. Return shipments not having prior approval will be refused. Freight shipments being returned Freight "COD" will be refused. Credit for the authorized return of merchandise is only available if merchandise is returned within 30 days of shipment. A minimum twenty percent (20%) restocking/handling charge may be applicable on such returns. Credits are issued back to the account if paid with cash or check and may be used on future purchases, orders paid with credit cards are credited back to the card.

WARRANTY: Products sold by Mayfield Pool Supply LP are covered by Manufactures' Warranties. These warranties are the sole responsibility of the manufacturer and there are no other warranties either expressed or implied by Mayfield Pool Supply LP. **WARNING:** No product warranty will extend to products subjected to misuse, neglect, accident, or improper installation or maintenance.

TRANSPORTATION CLAIMS: Seller's responsibility ceases when order is turned over to a common carrier, to the customer or his representative. All claims for equipment damaged in shipment or shortages must be made with the truck line or carrier and annotated on the bill of lading before accepting the merchandise. Customer should examine shipment immediately for concealed damage and call the carrier for inspection and claim.

FREIGHT: Free local Delivery on \$100 minimum purchase. OTL Freight pricing subject to change based on market value.

TAXES: All taxes imposed by law on the sale of merchandise will be added to the invoice. Those customers wishing to be exempt from the local state tax must file a resale certificate and copy of tax permit exempting said customer from tax with our credit department. The tax certificate number will be verified with the State Comptroller and must be active.

PRODUCT AND PRICE CHANGES: All prices and specifications are subject to change without notice. All prices are F.O.B. our warehouse, except as otherwise noted. Please note due to different market demands, all items are not stocked at our location. Non-stock and special order products are subject to additional freight charges.

Seller reserves the right to invoice at prices in effect at the time of shipment and to correct typographical errors on price lists or any written quotation.

Mayfield Pool Supply LP cannot be held responsible for orders delayed by labor stoppages, accidents, or by an other causes beyond our control.

Think **EFFICIENT** Think **VGREEN**

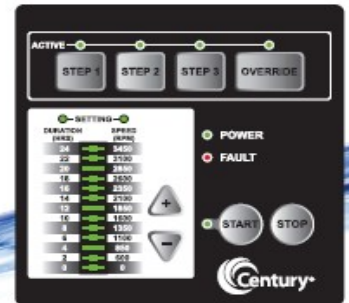

with a VGreen®165 or 270 from Century® the pump will **Run Quieter** and **Reduce Energy** bills up to 80%

VGreen®
165/270

- Significantly more energy efficient than a standard single speed or even a two speed motor.
- Simple drop-in replacement that fits most pumps, square flange and C-face!
- Programmable user interface comes standard, with three variable speeds from 600 – 3450 RPM.
- Fully compliant with state efficiency regulations in California, Arizona, and Florida.
- One of the most cost effective options in the marketplace!
