

Recess and Room Four Party Information

Menu:

Chef Greg will prepare a tasting menu inspired by the freshest seasonal ingredients. The typical Recess /Room Four tasting menu will begin with a soup or salad followed by a fish course, a meat course and finished with a desert. Due to his commitment to serving only the most superlative ingredients, chef Greg does not decide on the exact details of the menu until days before the event. However, you may choose a preferred protein, such as chicken, lamb or beef. While the choice of fish is also dependent upon the season, salmon and certain varieties of white fish can usually be sourced year round.

Examples of past menus can be found on our Facebook page under Notes. Additionally, we can provide examples of past menus upon request.
