Subject: The Emails you are reading...Privileged and Confidential
Date: Tuesday, February 24, 2015 4:50:30 PM

Mike, please do not send me any more of the emails you are reading...the City has them all; I can read them; Daryl can read them; Bob can read them... and we will; and, obviously the Feds can read them. I will deal with Saranne and through her with the DOL.

More to the point, for you to do...and here I am agreeing that **your job is to provide the Mayor with the ammunition to fire the subject**...is to read whatever you have and to report to me and the Mayor concerning the best course for her to follow in resolving the subject's employment at the City. Sending Daryl and me copies of the emails you read is not the best way to get where we all want to get...in my opinion. JohnRose
