2015/2016 SEASON // ISSUE 1

THE PRESIDENT

To the fans,

Who would have thought that at the end of the first season, we would have gained promotion from the Tercera Grupo X!

Under the guidance of our patient manager, Matthew James Lawson, we have achieved the unexpected & we as a club, our extremely grateful. To everyone who has attended one of our games this season, thank you for your excellent support. Whenever the team were in a difficult situation, you all got behind the team and were a superb 12th man, the chanting & the passion you showed was second to none & you are truly an inspiration for me & the players.

Our manager came in without any assistance & put in his own regime that the players have followed. The tactical system put in place was something unusual for a team at our level but by playing the 3 in midfield, it gave us ultimate control. We have been one of the most consistent teams through the division over the season & it showed with a second place finish this year with promotion coming through the Tercera Playoff Rounds.

Facing 3 tough teams in C.D. Valle De Egues, Quinranar Del Rey & Divisional rivals, S.D. Ejea, they play off were not going to be easy but a convincing overall aggregate victory against Egues placed us against Quintanar. After drawing 2-2 away, we went through on away goals. The final playoff game for us was against S.D Ejea & after humiliating them 5-2 away, that was a huge advantage in the second leg.

Although we lost, the 5 away goals allowed us to go through.

The transfers were a specific highlight with 7 players joining in pre-season & making a huge impact. One of the signings, Esteban Dimas made a massive impact playing all 46 games, scoring 23 with a further 10 assists. Another player who became a fan favourite was Brian Monteiro, the young Argentinian scoring 29 in 46 appearances, a player that is almost certain to score the player of the year trophy.

I want to talk about is the overall impact the club has made in this specific region. Recently, tourists & locals have been flocking to Malaga to see football with only a handful supporting local football, when we were announced as a football club, the town had a buzz. Although we are called CF Sante Fe de Los Boliches, we are based in Fuengirola on the Costa Del Sol. Fans from neighbouring towns such as Benalmadena, Mijas and even as far as Cadiz are coming to support this wonderful little club.

Lastly, The sponsors this season have been fantastic, as many of you know we have been sponsored by Tivoli World, a theme park based in Benalmadena. This partnership will continue for another 2 seasons with the option of a 3rd. We welcome any other interest. If you want to get in touch about sponsorship, email sponsor.es@sCFSFDLB.es

Gracias,
Hector Jimenez.
Club President

After 40 games, we found ourself second in the division. Lying in the playoff positions, we knew we had a very, very good chance of getting promotion to the Segunda B. Financials will benefit, the one worry is our stadim only holding 1200 but with a little persuasion, the board may allow us to expand.

JERSERYS

For the Segunda B, CF Los Boliches have unveiled the Home & Away jerseys for the 2016/2017 season. A beautiful half & half shirt with one side darker than the other works superbly with the wonderful sponsor, Tivoli World finding its way in the Centre of the shirt.

The away jersey is similar to Real Madrids of the 2015/2016 season.

The darker blue working with the light blue leads to a beautiful looking design with sponsor Tivoli World once again taking centre stage in the middle of the shirt.
