

Alameda Elementary

LATE START
KIDICAL MASS

GROUP RIDE MAY 18th
PDX BIKE MONTH

- * It's a fun and slow bicycle advocacy ride around our neighborhood greenways and parks. A wonderful introduction to safe on-street bicycling for kids.
- * Meet: Wed. May 18th, 8:35 by the west bike rack. Roll out at 8:45 sharp.
- * Return by 10:20...cool down, snacks, off to class at 10:35
- * We will stay together as a group and follow all traffic safety laws.
- * Helmets are required for children and encouraged for adults.
- * Kids riding their own bikes should be able to ride in a more or less straight line, stop and start as necessary, and follow verbal directions. Kids should ride with a responsible parent. No drop offs please. Siblings/non-pps welcome!
